Mission

The ADA missions for the operational and institutional forces are as follows:

- **Operational force:** Provide fires to protect the force and selected geopolitical assets from aerial attack, missile attack and surveillance.
- **Institutional force (the schoolhouse):** The ADA School conducts Joint and Combined AMD training and AMEDD direct commissioning course training to provide the operational force with well-trained and disciplined Soldiers that can immediately contribute to their unit.

Vision

Provide the Army and combatant commanders a flexible, adaptive, and tailorable ADA force, able to defeat the full range of threats across the spectrum of operations.
