

**You've worked hard to
build the best bomber
wing in the Air Force.**

**BUILD
YOUR
LEGACY.**

**CONNECT
WITH A RECRUITER**
Call **318-208-1996**

**YOUR
STORY
THEIR
FUTURE**

It doesn't matter if you've been
in the 307th Bomb Wing for

20 days or 20 years.

You've helped create something
special, the **ONLY BOMBER WING**
in the Air Force flying

TWO PLATFORMS.

**But what you've built is
in danger.**

There's an enemy that can **SNUFF** out
everything you've done. It's **numbers.**

**ONLY
29%**

of all eligible young
Americans are qualified for
military service.

Without them the mission grinds to a halt.
And so does the wing.

**We need them to follow
in your footsteps.**

You already know the next recruit. It's that
relative graduating high school or that
co-worker, looking for something more out of
life.

It's anyone who is:

- ■ A U.S. Citizen or legal resident
- ■ In good health
- ■ Of good morale character

Just tell your story.

Speak up about your experiences, and your role
in keeping our nation **SAFE.**

Potential recruits are *listening* and *watching*.

YOU have the potential to strengthen
our already *dynamic* team,
just tell them what you do.

Then tell a recruiter.

Put your prospect in touch with a recruiter
at the number found on the back of this
brochure.

It's your LEGACY.
Start building it **TODAY.**

We keep our enemies up at night and make our
friends around the world feel safe. Our wing
trains every single B-52 aircrew in the U.S. Air
Force.

But it is more than that.

This unit is our LEGACY.
Your gift to the FUTURE.
