

# PRIOR SERVICE RE-TRAINEES WITHIN THE 17 TRG ARE INVITED TO THE **2024 LUNCHEON**

Build comradery and a sense of community amongst the re-trainee students of the 17 TRG. Being a re-trainee herself, Chief Nededog realizes the challenges that come along with being a prior service member undertaking re-training. While sharing food catered by Chic-Fil-A, students will have a chance to network with one another to share their experiences and to take a breather from the increased responsibility which comes along with being a prior service student.
