20-011	Ferguson, Robyn	Any staff correspondence, power point presentations, academic and non-academic studies, policies, directives, contract documents, reports, internal correspondence or working papers related to adapting Balanced Scorecard as a means to optimize DTRA's strategy and operational alignment. In 1992, Robert S. Kaplan and David P. Norton and Stephen Kaplan co- authored a series of articles and books advocating using a "Balanced Scorecard" as a means to optimize organizational performance. It is a business management theory popular both in the private and public sector. (Attached is one of such articles) * Internal planning documents (1998- present) demonstrating that DTRA used contracting organizations to assist it with planning and strategy activities to implement Balanced Scorecard. * Internal memorandums, email, or correspondence indicating that DTRA would no longer use Balanced Scorecard to measure results or performance of the agency. This is likely to have occurred after 2005, as openly	-	Perfected	11/27/2019

		available documents dated in 2005 indicate that Balanced Scorecard was still in use within DTRA strategic documents. * Any DTRA/Agency observations that Balanced Scorecard was either well or ill-suited for Performance Management. * Documentation of any Secretary of Defense/Deputy Secretary of Defense-level interest in adapting Balanced Scorecard * Any DOD directives instructing DOD Agencies or Services to adapt Balanced Scorecard * Copies of DTRA Agency Performance Reports or Service Performance Reports (using Balanced Scorecard): * A Copy of the 2003 DOD Guidance that Defense Agencies should use the Balanced Scorecard/Risk Management Framework prescribed in MID 901 * A Copy of Management Initiative Decision (MID) 901 * August 9 2004 Report MEMO President's Management Agenda, Results for Department of Defense" David S. Chu, signatory * Documents originated by OSD, the Secretary of Defense, Deputy Secretaries of Defense, DOD Secretariat, OSD Office of Net Assessment, the Defense Business Board, the Defense Management Office, OSD CAPE, OSD CAPE PA & E, The Joint Staff, the Services (Army, Navy, Air Force, and Marine Corps), as well as the Secretaries for each Service, pertaining to Balanced Scorecard adaptation are also of interest. Areas where these documents might reside include but are not limited to DTRA's Strategy, Resource Management/Comptroller Directorates, or Future Plans Directorates.

20-043	Hood, Ryan	I wanted to put in an order for all the HALO gear under my new agency names. I wanted to track how well this inventory is kept after time. The items I was entrusted from someone else's production versus what I ordered. I wanted to order a complete HALO kit. Several thousand items that all work together. It's a kit. Order 1 kit and get all of this. I would like a team put together to double check the validity of the kit and it's reference numbers. The kit should include a HALO city kit. Everything to run a remote city in a single reference number. All the buildings you need to run simcopter in the HALO version. I wanted to get into the HEAVY tank production lineups and produce them on my new agency license. Tetrahedron 20LA We've got the LTD production going well, let's expand to the other types of HEAVY manufacturing. We've got 10 years of production scheduled for the Cadillac Escalade Esv 4X4, we'll make the exact 2020 for ten years.
