Friday, December 25, 1953

Three Civilians Receive Cash For Their Ideas

Three Kaneohe civilian employees received cash awards this week for their beneficial suggestions from Col. Frank G. Dailey, Station commanding officer, during the monthly meeting of the Employees' Council.

Recipients were Louis F. Rodrigues, Snapper Plumber at Public Works, who received \$25 for his suggestion for a sewer cleaning trailer and automatic feed reel. His suggestions saved an estimated \$250 annually for the Government.

Prevents Freezing

James Y. Y. Goo, Public Works painter, received a \$30 cash award for his suggestion to use a soluble oil in his shop paint spray booth to prevent freezing the water circulation pump. This constitutes an annual Government saving of \$340.

Walter D. Souza, Navy supply supervisory storekeeper, was awarded \$10 for a safety suggestion applicable to night gas operators.

Employees' Council is a new title which the Navy Department has designated for the Shop Committee.

SIX VMF-232 MEN GET PROMOTIONS

To sergeant: A. W. Stokes.
To corporal: C. G. Graycheck, McVey, D. R. Nixon, D. L. Tibbetts and J. R. Townsend.

COMMANDANT'S CHRISTMAS GREETING

Christmas 1953 finds many marines far away from their homes and from the close family ties that always are associated with the holiday season.

This is in the tradition of marines who, through the many years of our nation's history, have guarded its interests throughout the world without regard for climate, hardship, or season. It is in the loyal fulfillment of this mission, with all the attendant sacrifices, that

marines have come to appreciate so deeply the meaning of home and Christmas.

With this sober thought, and with the prayer that the new year will bring success to all our endeavors, I send my warmest personal greetings and best Christmas wishes to each officer, man, and woman in the Corps.

Lemuel C. Shepherd, Jr.
General, USMC
Commandant, USMC

SCHEDULE FOR MX FOOD FACILITIES FOR YULE HOLIDAY

The Station Marine Exchange Cafeteria will be closed from Noon December 24 until 7 A.M. December 28.

The Golf Course Snack Bar (phone—72450) will be open all the days the other food facilities are closed. Hours: 8 A.M. to 6 P.M., with exception of Christmas Day.

Monday, December 28, through December 30, all facilities will operate on normal routine.

See next week's WINDWARD MARINE for New Year's holiday routine.

EARLY EDITIONS

Due to the fact that both Christmas Day and New Year Day are being observed as holidays aboard the air station, your WINDWARD MARINE is being printed a day early.

Today's edition is being delivered on Thursday rather than Friday, as will the edition of December 31.

NO FIREWORKS!

Personnel and dependents are reminded this Holiday season of the Com14 notice which prohibits the use of fireworks on a naval reservation or in any naval housing area.

Choral Group to Sing at Chapel Christmas Eve

The Chinese Catholic Club Choir of Honolulu, with 35 voices, under the direction of A. Tom, will sing at Midnight Mass Christmas Eve at the Termite Village Chapel.

Chaplain Raymond E. Reed, Catholic Chaplain, will say the Mass.

TWO TASK FORCE MEN RECEIVE COMBAT AWARDS

A Task Force major and a sergeant received medals for their part in the Korean War during a formal ceremony at Kaneohe this week.

Maj. George E. Kelly, commanding officer of the task force's headquarters company, was awarded the Silver Star, while Technical Sergeant Lougene Kirk received the Commendation Medal.

Maj. Kelly, who first made the public prints more than a decade ago when his exploits were mentioned extensively in the best seller, "Guadalcanal Diary," received the medal for "conspicuous gallantry and intrepidity in action against the enemy." As operations officer for a battalion of the 1st Marine Division in Korea he was credited with reorganizing the defenses on Outpost Vegas after it had been taken from the enemy in a savage three-day battle.

Reorganized Positions

"Expressing complete disregard for personal safety, he fearlessly exposed himself to devastating enemy fire while reorganizing the defensive positions which had been obliterated by the surging battle and heavy mortar and artillery fire," read the citation signed by Maj. E. A. Pollock, then division commander.

"Although completely buried on more than one occasion when

hostile artillery fire caved in the sides of the trench, he managed to work himself free and continue his highly competent supervision of the vital undertaking."

For Excellent Service

Sgt. Kirk received the Commendation Medal for "excellent service in the line of his profession." He was credited with outstanding ability and professional skill in maintaining mess halls on the main line of resistance and "during one period, successfully maintained six separate mess halls. Through his determined efforts and selfless devotion to duty, he contributed materially to the excellent morale factor so evident within the battalion," states the citation accompanying the sergeant's medal.

Formal Ceremonies

The presentations were made by Col. Boeker C. Batterton, task force commander, in formal ceremonies in which troops of the 1st Provisional Marine Amphibious Reconnaissance Group participated.

KANEOHE READERS CONSUME 150 MILLION WORDS MONTHLY

Self-education is one of the more popular pastimes at Kaneohe Bay and the Marines have over 150,000,000 words to prove it. That's the approximate number of words read each month by Leatherneck personnel here, according to a survey.

Over one-fifth of the total is accounted for by circulation of books in the Station library. Another 100,000,000 words are read by patrons of the book department of Kaneohe's Marine Corps Exchange. Perhaps 10,000,000 words are added to the total by magazine readers, and the remainder of the total is chalked up to men taking high school and college correspondence courses at Kaneohe.

Marines patronizing the air station's bright new library are reading about 500 books monthly, according to estimates of Mrs. Anita Carroll, station librarian, who adds, "And circulation is bound to grow in coming months."

Organized in the middle of May with new bookshelves, tables for reading and study, and racks for magazines and newspapers, the library is a popular place for quiet study and reading.

Almost one-half of the books checked out are of the non-fiction variety. Works on technical subjects, the useful arts, history, biography and philosophy are in constant demand.

The large non-fiction circulation, which greatly exceeds that of many civilian libraries percentage-wise, is boosted by men eager for self-improvement. Leathernecks check out technical books for study or reference in connection with courses they are taking through correspondence with the Marine Corps Institute, the United States Armed Forces Institute, and Marine Corps Schools, Quantico, Va.

The first two institutions offer college level courses in a variety of subjects to servicemen. In addition, the Marine Corps Institute offers a program whereby a Marine can complete his high school training while serving his country. Marine Corps Schools offers courses in technical military problems. Over 250 men are enrolled in these educational programs at Kaneohe today.

Approximately 2000 books are sold monthly on the station, accounting for another 100,000,000 words. Most of these are low-priced paper bound volumes, read mainly for entertainment. A reported 1000 magazines go through the hands of Leathernecks monthly.

Marine Regulars E-1 to 4 Select New Hitch Area

WASHINGTON (AFPS)—Regiment to be based on accumulated rank of sergeant or below are getting a break upon re-enlistment.

Re-enlistees in the Regular Corps are now being offered three options as outlined in Marine Corps Memo 78-53.

The first option is a transfer to a new duty station or retention at the present duty station. There are six geographical areas to which the EM may transfer. No guarantee will be made by the USMC that an individual will be assigned to a specific unit or location within these areas.

The six are: I—North and South Carolina; II—The U.S. east of the Mississippi River including area one; III—Southern California; IV—The U.S. west of the Mississippi, including area three; V—Japan; and VI—Overseas, including area five and Korea. The marine may remain at his present duty station for a minimum period of six months or until completion of 24 months at that station, whichever comes first.

Areas five and six are not open to Women Marines.

The second option is retraining. Provided an individual meets necessary requirements for successful performance of duty in the occupational field he selects, he will be retrained in a new occupational field from a list of three choices submitted by him.

The third option is assignment to a school or a course in instruction. Assignment to formal school is dependent upon entrance requirements and school quotas.

Marines eligible for this option will be given first consideration in their present occupational fields. They may submit their applications to reach Hq. Marine Corps 30 days in advance of anticipated re-enlistment.

Provisions of the memorandum are also applicable to former Reservists who have completed one year of active duty immediately prior to integration as Regulars or who enlist for a period of three or more years upon integration.

SUPPLY CHANGES

Lt. N. S. Thomas Jr., Materiel Division officer, recently received his orders to report for duty at Philadelphia, Pa. He is to be relieved by Lt. William L. Bryson who will arrive from a Commander, Aircraft, Pacific, billet.

WE WANT NEWS

The WINDWARD MARINE wants news stories of general interest. You may contact us by calling 72104.

It Came to Pass...

by CHAPLAIN RAYMOND REED

Mostly by St. Luke

The Christmas decorations (mostly bells, snow-topped wreaths and sleighs) have been up for more than a month over most of the streets of the cities and towns of America.

The stores, which stock such things, should be nearly sold out of Christmas cards and seals bearing pictures of fir trees, Disney-type reindeer, St. Nicholas, cocktail glasses, winter scenes, stockings-on-the fireplace, stout English gentlemen being merry and the like. Quite a few offices are laying plans for Christmas parties of a non-solid nature.

The holiday spirit is here.

Guest of Honor Neglected

None of these things are in any way bad, but collectively they seem a curious way to mark the Birthday of Jesus Christ. It is a curious Birthday Party at which the guest of honor is completely neglected. Just for the record, here is what we are celebrating:

"Now it came to pass in those days, that a decree went forth from Caesar Augustus that a census of the whole world should be taken. This first census took place while Cyrenus was governor of Syria. And all were going, each to his own town to register. And Joseph also went from Galilee out of the town of Nazareth into Judea to the town of David, which is called Bethlehem—because he was of the house and family of David—to register, together with Mary his espoused wife, who was with child.

First Born In A Manger

"And it came to pass while they were there that the days for her to be delivered were fulfilled. And she brought forth her firstborn son, and wrapped him in swaddling clothes, and laid him in a manger, because there was no room for them in the inn. And there were shepherds in the same district, living in the fields and keeping watch over their flock by night. And behold, an angel of the Lord stood by them and the glory of God shone round about them, and they feared exceedingly.

"And the angel said to them, 'Do not be afraid, for behold, I bring you good news of great joy which shall be to all the people; for today in the town of David a Savior has been born to you, who is Christ the Lord. And this shall be a sign to you: You will find an infant wrapped in swaddling clothes and lying in a manger.'

And suddenly there was with the angel a multitude of the heavenly host praising God and saying, 'Glory to God in the highest, and on earth peace among men and good will.'

Among men of good will everywhere it should and will be the prayer that Christ, the Prince of Peace, whose Birthday we are about to mark, will share His Peace with the nations of our troubled world.

Holiday Cage Tourney at 'Y'

A new innovation in local basketball tournament play is scheduled for all service basketball teams for the holiday season at the Armed Services Y.M.C.A., 250 South Hotel Street, Honolulu. It is the All-Service Holiday High-Score Basketball Tournament to be based on accumulating the greatest number of points per game with the winner of the tournament being the team with the most points scored, not the most victories.

Games will be fifteen minutes in length with three time outs per game. Official basketball rules apply except for the length of game and number of time outs. The tournament will be held at the Armed Services Y.M.C.A. on Saturday and Sunday, January 2-3, 1954. Play is tentatively scheduled to begin at noon each day and continue until 10 P.M. Each team will play a game once every two hours giving players enough time to rest between

scoring sessions. The Entry fee for the tournament is five dollars per team. Each team is allowed to register twenty players. Trophies will be awarded to the two teams accumulating the greatest number of points. The deadline for entries is Wednesday, 30 December. Further details about the tournament may be secured from Don Klopf, Armed Services Y.M.C.A., Phone 63661.

PISTOLEERS WIN 14ND CROWN

KANEOHE HAS PERMANENT POSSESSION OF TROPHY

Kaneohe's pistol team did it again. For the second straight time the team walked away—this time literally—with the 14th Naval District Pistol Championship during a meeting of all district teams Saturday at the Ft. Ruger Hawaiian National Guard range at Diamond Head.

WM, First Time On Pistol Range Fires Expert

A modern Annie Oakley among Women Marines has arrived at Kaneohe.

Without ever having a pistol in her hand before, Pfc. Vivian McBride drew a bead on a target at the Station Pistol Range recently and fired a 337 score out of a possible 400 to qualify as an expert pistol shooter.

T/Sgt. William Turnage, range instructor, said, after thoroughly checking the young woman's target, "she's all right. We ought to draft her for the pistol team."

MIXED BOWLING RESULTS

The Splits & Misses remain in first place with 38 wins. Ole's Ramblers and the Nonames are tied for second spot with 32 wins.

During last week's competition, the Steamrollers took team high series with 2205, and team high game with 824.

Individual honors in the men's division were won by Jim Keesling who rolled a 565 series and 222 game.

Lucy Souza took the Women's Division awards with a 432 series and high game of 163.

In this week's competition, the No Names scored Team High Series with 2243 points. The Square Circles took Team High Game with 811.

Men's High Series was won by Ed Vagird with 546. And, high game was snared by Jim Keesling with 210.

Women's high series: Sue Van-Beck with 450. High game was rolled by Lucy Souza with 181.

	Wins
1. Splits & Misses	38
2. Ole's Ramblers	36
3. No Name	35
4. Square Circles	33
4. Alley Cats	33
5. YoYo's	32½
6. Blue B's	29½
7. Sandbeggars	28
7. Kurvals	28
8. Strikes and Spares	18½
9. Lucky Strikes	18

MARINE ALL-STARS

Marine football players nailed six berths on the 1953 Service All-Star Football Team. For first teams spot were Frank McPhee and John Petitbon, Quantico, and Gil Bucci, Parris Island. Second string: Nick DeRosa, Cherry Point; Gene Lipscomb, Camp Pendleton, and Bob Meyer, Quantico.

QUANTICO LOSES

After taking the Marine Corps championship from Camp Pendleton 21-14, Quantico was outshined by Ft. Ord for the All-Service Football Championship at San Diego's Poinsetta Bowl recently. The score: 55-19. Ft. Ord's Ollie Matson led the attack against the Marines by scoring three touchdowns.

STATION'S PISTOL CHAMPS

TEAM MEMBERS—(Standing) T/Sgt. Richard Olson, M/Sgt. J. R. Skinner, T/Sgt. William Kyle and S/Sgt. H. R. Griffith. (Kneeling) M/Sgt. John Armonia, 1st Lt. Orville C. Locke, officer-in-charge, Cpl. C. K. Millsap and T/Sgt. Samma Chung.

INTRAMURAL PROGRAM

MGCIS narrowed the large lead MAMS had established a week ago and now trail the league leaders a mere 30-points. MGCIS won in both basketball and softball to close the gap.

Last Wednesday evening saw HEDRON win over HQSQ by forfeit on the gridiron. MAMS blasted HMR-361 with a resounding 55-19 victory on the hardwoods. MGCIS outslugged VMF-232 in softball.

Thursday: MAMS won over TASK FORCE 6-0 in football; TASK FORCE came from behind to defeat MABS 45-32 in basketball. HEDRON won over HMR-361 in softball. VMF-232 captured the volleyball championship with an impressive win over MABS.

Friday night there was only one intramural contest played. MGCIS rocked VMF-232 64-42 in basketball. The winners never was pressed too hard in this battle. Webb led the victors with 21-points.

OVERALL POINT TOTALS

	Points	Games Played
MAMS	490	34
MGCIS	460	36
MABS	430	37
VMF-232	370	31
HMP-361	252½	37
TASK FORCE	23½	33
HEDRON	270	38
HQSQ (ST)	-105	35

ADDITIONAL DUTIES

Ens. Joseph Feith, Station Infirmary, was recently assigned additional duties as assistant Administrative Assistant to the Medical Officer.

FOR RECORD

The Marines absorbed their second straight setback in the Armed Forces basketball league last Thursday night at Bloch Arena when Sub-Pac rolled over them in a 94-73 triumph.

The Leatherneck cagers couldn't seem to hit the hoop, while the SubPac hit on a large percentage of their shots from the field. Jim Devise's outstanding rebounding job and sharp shooting helped his team to roll up the margin.

Sub-Pac, throughout the contest, was never threatened and rolled to a large lead at intermission. The Marines' burst of baskets in the third quarter went to no avail because of Sub-Pac's wide margin.

Proctor Scores 42 Points

Not to be denied for the losers was the great all-around playing of Lew Proctor, fine pivot man for the Leathernecks, who contributed 42 points to his team's efforts. Proctor took most of the rebounds off of the opponents' backboards and controlled the ball well. Jim Devise and Eddie Miller headed the Sub-Pac scoring with 27 and 25 markers, respectively.

Other Inter-Service battles saw Barber's Point cop their second straight overtime game in as many starts, from the CinC-ServPac quintet, 70-63.

This cage contest, played at Barber's Point, saw both quintets trading basket for basket as regular play ended at 57-57. The Pointers were ahead 32-27 at halftime. They led at the end of the third quarter mark 43-41.

Pointers Take Close One

With about 40 seconds remaining in the game, the Pointers led by a slim margin of only one single point, 56-55. CinCServPac's Bob Brooks fouled Pointer guard Dick Hendricks who sank the first toss from the gift line. On his second attempt the ball rolled off the rim and 10 seconds later Books shot a beautiful push-shot from the side for the tying score which threw the game into the extra period.

In the overtime struggle it was all in favor of the Barber's Point five who then poured on the steam and had no rouble with the Admirals from then on out. Hoot Gibson and Carl Wittenberg took individual scoring honors for the victors.

Musketeers in Lopsided Win

Army tagged Naval Base 92-66 in a rough and tumble affair on the hardwoods also. The Musketeers rolled up a quick lead and were never threatened by the losers throughout. They led the Blue Jackets 43-30 at half and 59-48 at the end of the third stanza. Dick Schenk grabbed scoring honors with a 25-point barrage.

Windward Marines took seven of ten medals to gain permanent possession of the District's perpetual trophy. Kaneohe took the trophy in a previous match last quarter but this match win gives them permanent possession.

Medal Winners Named

Medal winners were Cpl. C. K. Millsap, who fired in the Master's Division, two medals: .45 caliber match with a score of 275 and the Aggregate with a score of 838; T/Sgt. William Kyle, firing in the Sharpshooter's Division, took medals in .45 Sharpshooter with a score of 241 and in Aggregate with a score of 704; M/Sgt. John Armonia, in Marksman First Class Division, took first in his division in .45 competition with a score of 251 and third place in Aggregate with a score of 739, and T/Sgt. Richard Olson, in Marksman First Class, took first place in his division in Aggregate.

Also firing for Kaneohe as alternates were M/Sgt. J. R. Skinner, T/Sgt. Samma Chung and S/Sgt. H. R. Griffith, to round out the Station team.

Ahead 144 Points

Kaneohe's match score was 972 with the nearest rival CinPac with 828. The Station had a quarter score which won the cup of 2904.

Third place for the match went to Sub Base with 825, 4th to the team from the USS Shea with 595 and 5th to ComSerPac with 573.

Individual honors for Kaneohe: Sgt. Kyle, in the Sharpshooter's Division, took second place in .22 with 267. Sgt. Olson, in Marksman, took first place with 278 with third in that division going to Sgt. Skinner with 262.

In .38 centerfire competition: Match winner was Cpl. Millsap with 283. Second place, Sharpshooter class, Sgt. Kyle with 210. Armonia, Marksman, took second place with 241.

Officer in charge of the Station Pistol team is 1st Lt. Orville C. Locke.

SETS RANGE RECORD

Maj. R. A. French, VMF-232, recently set a new Kaneohe pistol range record with the .38 caliber pistol. He fired a score of 364 out of a possible 400. The old record was 355.

HOT AIR

"We're to watch for a sleigh at 10,000 feet."

MEDAL OF HONOR

The action which brought 1st Lt. Raymond G. Murphy, USMC, the nation's highest honor took place on Feb. 3, 1953, while he was commanding an evacuation platoon with Co. A, 5th Marines, 1st Marine Div.

That was during the "Reno - Vegas" fighting. Lt. Murphy's job was getting the wounded moved to safety and supporting the assault troops that were fighting in

an up-hill attack against a well-entrenched and well-concealed enemy.

It was hard going. Lt. Murphy was painfully wounded by refused to quit the action. Instead, he led his platoon farther up the hill through the withering fire. He made several trips up and down the slope to locate wounded and bring them back to safety.

The assault troops called for reinforcements. Lt. Murphy deployed part of his platoon to provide fire support and moved up with the rest of his unit. In the hard fighting that followed he killed two Chinese with his pistol.

When the marines began to disengage the enemy, he stayed behind to cover the withdrawal. He kept up the fire—first with a carbine—then with a BAR—blasting the Chinese troops as they re-

appeared in their trenches. All this time he was suffering intensely from his wounds.

At the base of the hill once more Lt. Murphy organized a search party and climbed the slope again for a final check on the missing.

The patrol found a marine machinegun crew. They picked up their bodies and packed them on litters. Lt. Murphy led the party back through heavy small arms fire through mortar fire and an artillery barrage. He was wounded a second time.

Weak from loss of blood, Lt. Murphy still refused medical aid. He made sure that all his men and all the wounded and dead were back in the safety of friendly lines before he quit the fight.

For this devotion to duty and heroism he was awarded the Medal of Honor.

FLYING RAM

AIR FORCE CRAFT—The Air Force's latest twin-jet fighter, XF-79, called the "Flying Ram." The pilot rides prone and jet engines are fully enclosed in the wing. The craft was built by Northrop Aircraft designers. More maneuverable than an orthodox fighter, the XF-79 is in the 500-mph class.

MARINE RESERVE DUTY AS 5-8 YEAR HITCHES

WASHINGTON (AFPS) —The Marine Corps has cleared up its Reserve obligation picture for enlisted men.

Three check lists in Bulletin 16-53 make it comparatively easy to define a "five-year Reservist," a "six-year Reservist" and an "eight-year obligor."

According to the lists a five-year reservist is one who (1)—served under either an enlistment, re-enlistment, appointment or re-appointment in the Marine Corps, June 24, 1948-June 19, 1951; (2)—served as a regular; (3)—was under 26 when enlisted or appointed; (4)—has a total of less than three years active military service.

(5)—would not have been draft exempt; (6) Was not discharged for other purposes than immediate re-enlistment, commissioning or re-commissioning in a Regular component after June 24, 1948 and (7) —was not a one-year enlistee (USMC-V).

A marine having these qualifications who has not completed a full three-year tour of active duty in the USMC will be a Reservist for five years.

A six-year Reservist is one who (1)—has enlisted or re-enlisted in the USMC June 24,

1948-June 19, 1951; (2)—was a Regular; (3)—was a one-year enlistee (USMC-V); was between his 18th and 19th birthdays when enlisted, and (4)—is in the USMCR under six-year enlistment contract.

The eight-year obligatory check list reveals anyone entering the Armed Forces after June 19, 1951 for the first time and who was under 26 years of age at the time has eight years Service-obligation under the terms of the Armed Forces Reserve Act of 1952. This group is composed mostly of inductees.
