McHugh To Quantico

4th Marines Name Prince Regimental Sergeant Major

Sgt. Maj. T. J. McHugh, Regimental Sergeant Major, 4th Marines, will turn over the "sword of office" to Sgt. Maj. F. M. Prince during a colorful parade and review scheduled to be held on Tuesday, June 7 at 10 a.m., on Platt Field.

Sgt. Maj. McHugh has received orders to Marine Corps Schools, Quantico, Va.

A veteran of over 21 years' active service with the Marine Corps, McHugh arrived at Kaneohe Bay in July 1957. He was assigned duty

at Brigade Headquarters and in December 1957 assumed duties as Sgt. Maj., 2nd Bn., 4th Marines. He held this billet until June 1958, when he was named Regimental Sergeant Major.

During World War II, Sgt. Maj. McHugh was a member of the 1st Marine Division. With the outbreak of the Korean conflict he joined the 1st Brigade in Korea in 1950.

Sgt. Maj. McHugh, his wife Doris, and their four children depart for their new duty station aboard the Lurline on June 10.

A veteran of 22 years' service, Sgt. Maj. Prince arrived at K-Bay in Oct. 1958. He also joined the 2nd Bn., 4th Marines as battalion sergeant major. In March that same year, he was named Ser. Bn. Sgt. Maj.

During World War II, he was attached to the 6th Defense Bn., at Midway, the 7th Defense Bn. at Samoa, the 3rd Raider Bn., and the 15th Defense Bn.

In 1951 he joined the 1st Marine Aircraft Wing in Korea.

Registration To End For R-C Swim Class

All parents interested in having their children enrolled in the Red Cross-Special Services-sponsored swim class this summer are reminded that registration ends Tuesday.

The classes will begin June 15. On Monday, June 13, a special meeting will be held at Station Theater No. 1 for at least one parent of children registered for the classes.

At that time SSgt. L. R. Dalton, instructor in charge, will outline the objectives of the 1960 program as well as assign children to various classes.

Helicopter Makes Forced Landing On Mauna Kea Slope, Crew Safe

A Marine helicopter engaged in the search for a lost Air Force jet, made a forced landing at 10:20 a.m. last Friday, 15 miles north of Hilo on the slope of Mauna Kea.

None of the crewmembers were injured.

The landing occurred at about the 7,000-foot level on the north slope of the volcano in rough terrain. The helicopter suffered damage to one of its landing wheels and to its four rotary blades.

The cause of the accident has

not been established, however, a power failure is suspected.

The plane was one of four helicopters sent to Hilo from the Kaneohe Marine Corps Air Station to assist in the search for an Air Force T-33 lost Wednesday night in the vicinity of the Big Island.

Pilot of the helicopter was Captain Thomas W. Glynn, co-pilot, Lt. Thomas O. Hippensteel and crew-chief, Corporal Richard A. Retterer, all of Kaneohe-based Marine Helicopter Squadron-161.

has been reassigned as the Brigade G-3. Maj. D. H. Blanchard, 2nd Bn., 4th Marines executive officer, will command the unit until Lt. Col. R. C. Kuhn arrives from MB, China Lake, Calif. to assume command.

During the change of command ceremonies at Dewey Square on Tuesday morning, Maj. R. H. Buettner relieved Lt. Col. J. H. Lowman as commanding officer, H&MS-13. Col. Lowman has been reassigned as Brigade assistant G-3.

In the second Dewey Square change of command ceremony, Lt. Col. R. J. Morrison relieved Lt. Col. C. E. Schmidt as commanding officer, VMA-212. Col. Schmidt has been reassigned as MAG-13 operations officer.

1000 Teenagers Expected

K-Bay Hosts Cotillion Club At Beach Party Saturday

Tomorrow afternoon the gates of the Kaneohe Marine Corps Air Station will be opened wide to welcome some 1000 members of the Grand Cotillion Club attending their annual beach party.

Hosted by the Station and its Commanding Officer, Col. M. M. Magruder, festivities for the throng will begin at 2 p.m. and are expected to end about 8 p.m. Streams of cars loaded with teenagers, parents, sponsors and club directors will probably begin arriving about 1 p.m.

ISLE WIDE MEMBERSHIP

The teenagers represent various Cotillion Clubs throughout Oahu and Military Clubs including Hickam AFB, NAS Barber's Point, Fort Shafter, Schofield and Pearl Harbor.

Eight hours of fun-packed entertainment and activity have been

planned for the group beginning with a water skiing show.

K-Bay Marines and their dependents are invited to witness the water ski demonstration by the Globe and Anchor Water Ski Club. It begins at 2:30 p.m. off the shoreline near Hanger 101.

Later the youngsters will witness an air-sea rescue demonstration and take part in water sports.

EVENING ACTIVITIES

By early evening the happy throng will move to the North Beach area for a marshmallow and hot dog roast around five huge bon fires. Dancing, games, and community singing will bring the annual beach party to a close.

The Cotillion Club is a social dance club consisting of approximately 1,000 teenage children.

Indonesia Admiral Receives Honors, Attends Briefing

Honors including a 19-gun salute were rendered Rear Admiral Raden Edi Martadinata, chief of staff of the Indonesian Navy last Wednesday afternoon at Dewey Square.

The Indonesian Admiral and his party of four arrived at K-Bay about 2 p.m. aboard helicopters of HMR-161.

Following honors, Admiral Martadinata attended a briefing at Kansas Tower given by Brig. Gen. R. G. Weede, Brigade commander, and Col. M. M. Magruder, Station commander.

Admiral Martadinata departed the Station at about 3:25 p.m. Included in his party were Lt. Col. Ali Sadikin, Lt. Col. Sjamsoel Bachri Tjptosuhardjo, Capt. R. Shuhadi, and Lt. Col. H. A. McCartney, USMC, escort officer and aide to the Chief of Staff of the Indonesian Navy.

The Admiral and his party arrived in Hawaii on June 1, enroute to Indonesia following a visit to the mainland.

Pracanica Memorial Services Are Held

Memorial services for Master Sergeant John L. Pracanica were held at the air station Chapel at 10 a.m. on Tuesday. The 33-year-old Marine died of a heart attack on Wednesday, May 25, during an emergency tidal wave alert.

Father K. J. Cortney, 1st Marine Brigade Catholic Chaplain conducted the services.

Remains of the sergeant were flown to San Diego, Calif., on Thursday, May 26. Graveside services including full military honors were held at the Fort Rosecrans National Cemetery in San Diego, on May 31.

He is survived by his wife, Viola, and three children, Eleanor 9, Richard, 7, and Mark, 4.

Teenage Guidelines

The exuberance of youth, the joy of approaching the threshold of maturity, is something each adult remembers with a touch of nostalgia. The time of the teens, particularly, is remembered as a time of care-free gaiety — and a time when parents were given to misunderstanding.

A look backward will reveal, for many, infractions of rules set by the family, infractions not necessarily serious in themselves but definitely a strain on the guide lines.

A particularly bad strain on the guide lines by our current crop of teens occurred last Saturday evening, May 28, when about 15 teenage boys indulged in a prank of youth in the vicinity of Theater No. 1.

A chicken-fight, wherein one youngster carried on the shoulders of another seeks to overthrow a similar twosome seeking battle, attracted a large loud crowd. Military Police, attracted by the sound to what appeared to be a fight, apprehended one youngster. The remainder of the crowd melted away.

The apprehended youngster delivered a series of kicks to the shin of the MP. The MP had a choice, to subdue the teenager physically or let him go. He let the youngster go.

Later, all youngsters who couldn't explain their presence outside the theater were taken to the Guard Shack. Parents were called to pick them up.

This type of misconduct has occurred in the past and the Military Police have tried to control the exuberance of youth. The time spent in this effort takes them from other, often more important duties.

It's time for all parents to take a hand — and it's time for the teenagers to realize that the Military Police aboard the Station fill the role of the civilian police in our community. To be apprehended or questioned by them is the equivalent of being apprehended or questioned by civil police, a mark of misconduct that reflects on the youth as well as the parents.

It's time for the teenager to take another step forward, to grow up a bit more before offenses and charges become more serious.

FORTITUDE

By Chaplain K. J. Cortney

As we look back over history, it is very evident that each age, each generation has faced problems peculiar to it. At the same time, each individual of each generation who has set his heart on keeping the Divine Model's admonition, "Take up your cross and follow Me," has been called upon to show some particular virtue; as a true follower, he had to have all of these, but in most cases, he was called upon to be outstanding in one or the other.

As historians of the future look back at our present age, I wouldn't be at all surprised if they would name us "the age of joiners." There has never been an age in history when there have been so many clubs, societies, fraternities, and organizations for every purpose and of every kind. In view of this, each one of us is faced with the temptation of constantly "going along with the crowd," being one of the gang. To combat this problem, it becomes apparent that the virtue required in our age is the virtue of fortitude.

Fortitude can be defined simply by saying it is the courage to stand up for, to do what I know to be right in the face of any and every difficulty. In other words, just a reapplication of the old rule, let your conscience be your guide; following what my conscience dictates to me, rather than getting on the band wagon and permitting the will of the majority to determine the course of my action.

This fortitude is important in our every action, but it is an absolute necessity when it comes to a question of obedience to God's Commandments. If each of us were to look at our past actions and see the times we have broken those Commandments, I am sure we would see that we acted as we did on many occasions because we lacked the fortitude to act differently than the crowd; the fear of being called "chicken," "yellow," or any number of other names was the controlling factor of our action, rather than a knowledge of what we knew to be right.

Applying this virtue to my own life, I must realize that I don't have to live with anyone else's conscience — only my own; the Great Judge is never going to ask me what someone else did and why he did it — only what I did and why I did it. We must realize that each one of us are individuals with a free will and intellect, and therefore responsible for our own actions. If and when I take a course of action differently than this free will and intellect point out to me, I must pay for this transgression either in this life or the life to come.

'No Hands' Landings May Be Possible For Carrier Pilots Soon

Washington (AFPS)—The Navy is testing a new electronic landing system enabling planes to land on carrier decks without the pilots touching the controls.

Under a \$4.3 million contract with the Bell Aircraft Corp., three of the systems will be bought for installation on carriers. The fourth will be set up on land for pilot familiarization training.

The new system will provide improved carrier approach capability in any weather condition.

The Navy said it employs a combination of radar, radio and computers which provides stabilized glide information, ships motion prediction and improved radar precision.

Inquiring Photographer

This week the Inquiring Photographer asked students at the 1st Marine Brigade NCO School, "In your opinion, what advantages do you gain by graduating from NCO Leadership School?"

ASGT. B. I. TOPORKOFF, G-2-4

ASGT. C. E. PRINCE, HAMS-13

ASGT. V. E. BOWER, VMF-232

"The school affords plenty of the necessary training in leadership, techniques of military instruction and overall infantry subjects. All of these things are 'musts' for an infantry squad leader."

"The graduate is a leader; not a follower. He has the advantage over the next man because he knows what to do; because he's trained to lead men. He's ready for advancement in rank when the time comes."

"If you're a career man, as I am, it's especially valuable in that it provides more of an overall background; concentrated training sometimes not available to an individual working in a non-military field."

CPL. R. J. WELSH, Anti-Tank Co.

ASGT. D. C. WATERS, VMA-214

ASGT. F. H. LACKEY, Recon Co.

"A graduate of NCO School is a better all-around Marine, qualified for the responsibilities of leadership and well educated in Marine 'know-how'."

"That diploma in your record book shows you've had the training, and you're ready for bigger responsibilities and better jobs. The man who graduates has proved it."

"I've had my share of Marine schooling, and the Brigade NCO School has some of the finest instructors in the business. The school provides NCO's with an excellent background in general military subjects as well as techniques of leadership."

OFFICERS WIVES

By Anne Steman

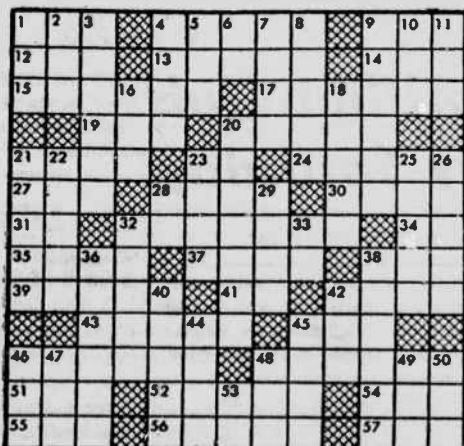

Once again—if you are leaving and have a standing reservation, please call and cancel out! It is very difficult to know all departures, and sad but true, all standing reservations not cancelled will be billed.

A bit of background on our guest speaker this coming Tuesday: Mr. Duane Fish is indeed a versatile man. He not only is an expert on gems, he also is a civil engineer and an optician. Here then, is the secret of why he says he judges jewels and their setting with "an engineer's eye." The more we discover, the more we look forward to this June luncheon.

A final reminder: please do have your membership cards handy, so that the welcome table will know if you are eligible to vote. All of the candidates are well-qualified and are most interested in O'Wives, so it will not be easy to cast a deciding vote. This, of course, is all the more reason for a big turnout on June 7, at the O'Club!

Six-Month Reserve Training Stints Now Available To Hawaiian Youths

For the first time during Fiscal Year 1960 the Marine Corps Reserve in Hawaii has received a quota permitting young men to enter the Corps under the six month active duty training program.

The quota of 10 men is expected to be filled rapidly with June 30 as the deadline.

Entrance into this program means that a young man begins his military obligation under the Armed Forces Reserve Act, serves on active duty six months and then assumes a ready reserve obligation, the length of which varies with his current age. It also means he will not be subject to the draft at a later date so long as he meets ready reserve requirements.

Complete details may be obtained by contacting the 27th Rifle Company, Marine Corps Reserve, at Navy ext. 21153 or the 14th Marine Corps Reserve District at Navy ext. 29188.

Generally, young men eligible for the program are divided into two age groups, one from 17 to 18½, the other from 18½ through 25.

After the six month training stint the younger group, according to current laws, has a seven and one-half year ready reserve obligation, the older group a five and one-half year ready reserve obligation.

BEGIN JULY, AUGUST

Men accepted under the quota will begin their active duty training in July or August.

During their six months of active duty, entrants will attend recruit training at San Diego and individual and advanced combat training at Camp Pendleton, Calif.

FOLLOWING TRAINING

After the six months trainees are released from active duty, they become members of the ready reserve and are required to join an organized Marine Corps

Reserve unit. They will be required to attend at least 90 per cent of their reserve unit drills and one summer camp of 14 days annually.

Those who return to Hawaii will meet their ready reserve obligation by attending drills with the Marine Corps Reserve's 27th Rifle Company at Pearl Harbor.

On the mainland, ready reservists attend training with the nearest organized unit. If no organized unit is available within a reasonable distance of the obligor's home, he will be required to attend 30 days of active duty for training annually.

Bandsman's Son Selected For U. S. Naval Academy

July 5 marks the date when hundreds of young men from all points

of the globe will converge at Annapolis, Md., to form the Class of 1964 at the U. S. Naval Academy. Among the appointees from Hawaii will be Jerry W. Guy, 17, of Kailua, son of ASgt. Howard C. Guy, bandsman with the 1st Marine Brigade Band at Kaneohe Marine Corps Air Station.

Jerry received his presidential nomination by competitive examination and a request for appointment submitted by his father through the Marine Corps.

A handsman like his father Jerry received several awards while a member of the El Cajon High School Band in San Diego, Calif. He will graduate from Kailua High School this month.

ASgt. Guy is a veteran of World War II and Korea. He was awarded the Bronze Star Medal for meritorious achievement in action against the enemy during the campaign for Tinian in 1944.

ENLISTED WIVES

By Ann Anderson

Since the deadline for the June tour is just 2 days away, better call Marilyn Allen at 252872 or Marion Marchetti at 267313 now if you plan to go.

The tour is to be through Oahu Prison with lunch at Little Joe's Spaghetti House. It's a delightful place to eat and the total cost of the trip is only \$3.00. This must be paid by the deadline date.

Then, remember the Executive Committee meeting, June 7, at the home of Sue Westfall. It's to be a luncheon meeting and Sue suggested that those attending wear that ever popular Hawaiian fashion, the muumuu. The meeting starts at 10:30.

Speaking of fashions, we have a treat in store for us at the next regular meeting! The Mode O'Day Shop in Kailua is having a fashion show featuring several of our club members as models. Many different types of clothing will be shown. The meeting will be June 21.

Fixed Premium Insurance Plan For NSLI Holders Is Studied

WASHINGTON — If the Senate goes along, all those who have National Service Life Insurance term policies will be offered a new fixed premium plan according to a story in NAVY TIMES.

The House has passed a bill which would do this. It would apply to both World War II term insurance and the revised types which have been issued since 1951. It would be optional.

The plan is simple. Pay more now but have the premiums fixed in amount for life. However, after reaching 65 the amount of the policy would be cut in half. Unless that is, the policyholder wanted to keep the other half in effect by paying the regular premiums from then on for that half.

The present term system redivi-

dends payable and would require a jump in premiums every five years. In effect, the government insures the life of a policyholder for five years at a time and charges enough to meet the expected risks of that particular age group.

As a result term insurance for the young is dirt cheap. For the aged it is extremely expensive.

For example, the annual premium for \$1000 of term NSLI for one engaging it for another five years at age 40 is \$10.06. The annual premium when the same man renews it at age 65 would be \$47.

Under the House plan the premium would be \$14.09, remaining that way until death, except that after 65 the \$14.09 would keep only half as much insurance in effect.

Cat O' Nine Tails? You bet—for the WINDWARD MARINE reporter who mistakenly indicated that Sgt. Maj. Bertrand E. Elliott had taken over as top enlisted man of Service Battalion. Rushed by the deadline-day "wave alert" he inadvertently put down Service Battalion, when he should have typed First Battalion, Fourth Marines.

For Appreciation: GySgt. and Mrs. H. J. Christenson expressed their appreciation this week for the cooperation and assistance rendered their daughter, Lynda, when she was painfully injured in a bicycle accident two weeks ago. The parents were especially thankful to Mrs. T. M. Elliott, Maj. L. C. Ritter and Mrs. Buddy Logan. Seems the Gunny and his wife were at Tripler when their daughter was involved in the accident. The good neighbors and friends cared for the girl while the parents were enroute to K-Bay.

Anyone For Mosaics? If you are interested in the art of mosaics and joining a class, give Mrs. Robert O. Westcott a call at 251-920.

A Dangerous Pastime: Five Marines were observed having quite a gay beach party Monday afternoon on the beach strip running parallel to fairways 13 and 14 on the Golf Course. Needless to say they were "chewed." All five claimed they had never seen a sign saying "Dangerous Beaches" or "No Swimming." Our Comment: The signs are there. So is a tremendous undertow!

Statistically Yours: A COMFOURTEEN Traffic Violation list shows a decrease of 15.5 percent of traffic violations involving Oahu Marines off naval reservations. During April there were 153 violations while in March there were 181. Of course, when you consider that there were only 474 incidents involving either Navy or Marine personnel, you can see we still have quite a bit of "chopping" to do. Drive safely!

Planning A Vacation This Summer? Bellows Beach Offers Easy Living

It's just about that time of the year again when the head of the household attempts to figure out where to take the family for a few days or a couple of weeks. In the majority of cases, the purse strings are too tight to permit a vacation to the Orient, the mainland, or one of the other islands in the Hawaiian chain.

Don't sweat it dad, just a few short miles from your duty station here at Kaneohe Bay is one of the finest vacation and recreation spots anywhere — Bellows Field.

Behind that gate are miles of the finest life guard protected swimming beaches in the islands.

LOW COST

If you have a week or two extra leave on the books, here's the spot to get away from it all. The budget minded serviceman will find family cabins available. Cabins rent

for \$2.50 or \$3.00 a day for enlisted men, and \$3.50 or \$4.00 for officers. They are completely furnished except for towels.

RESERVATIONS

To make a reservation for a cabin, personnel must make a reservation not more than 30 days in advance of their intended vacation. Reservations can be made by calling Hickam Air Force Base Operator 4411 and asking for extension 814.

During recent months, Bellows Field recreation areas have undergone a joint Marine Corps, Air Force and Army face-lifting. During this renovation 15 new officers' cabins, and 11 new enlisted cabins were constructed. About 5,000 tons of coral rock fill was used to build up and strengthen the embankments surrounding the cabins and along the beach.

Don't forget, Dad, everything is

furnished as far as the cabins are concerned except towels, but this doesn't include fishing tackle. Bring your fishing gear along, the fishing is great. You can either try your luck in the excellent surf or in the stream that flows inland from the ocean.

If Mom is too tired from sunbathing, take the kids to the Exchange Snack Bar located at the rear of the new cottage area. The snack shop is open daily from 10 a.m. until 5 p.m. except Tuesday and Wednesday.

NCO CLUB

Another added attraction at your vacation spot is the NCO Club located in the Headquarters building at South Beach. The club is open and extends a cordial welcome to all officers and enlisted personnel. Hours of operation are, bar and package store from 12 noon until business permits. The dining room is open from 9 a.m. until 5 p.m. on Saturday and Sunday only.

When evening rolls around and the kids are still looking for something to do, take them to the movie located on the base. Movies begin at 7 p.m. Although seating is limited, you can be sure of an excellent movie every night. Price of admission is 15 cents for children 5 through 12; 25 cents for adults. Children under six must be accompanied by persons over 12 years of age.

CHURCH SERVICES

Church services of your choice are also available. At 9:15 a.m. each Sunday, Sunday School Classes are held for nursery, primary and juniors at the Base Chapel located near the main gate. Protestant Services are held at 10 a.m.

Catholic Services are held at Saint George's Church in Waimanalo. Masses are scheduled at 6, 8 and 9:30 a.m. every Sunday.

Medical facilities are also available at the dispensary located in the Headquarters Building at South Beach.

Why put it off, Dad, for a fun packed vacation, pack up the family and head for Bellows, but don't forget to make that reservation.

1960 All-Marine Photo Contest Plans, Policies Are Announced

The U. S. Army will host the upcoming 9th Inter-service Photography Contest and MCB, Camp Pendleton, has been designated to conduct the All-Marine finals.

The inter-service finals will be held in Washington Dec. 5. Camp Pendleton will conduct the All-Marine Corps competition Oct. 10, and 100 winning photos will be entered in the inter-service finals.

Rules governing the 1960 photo contest are similar to those of previous years.

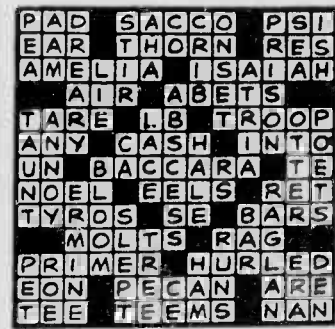

Competition will be conducted in two categories: black and white single photographs (Group I), and color transparencies (Group II).

All Marine Corps commands will hold local level elimination contests to select photos for entry in the All-Marine finals. To be eligible for consideration in the finals, entries must reach Camp Pendleton by Oct. 8.

Each of the four services is authorized to submit up to 50 black and white photos and 50 color transparencies for entry in the inter-service finals.

Detailed information concerning the 1960 photo competition, including contest rules, was published earlier this month in MCO 1710.15.

Answer to Puzzle

Mainland-Bound KMCAS Marines Have Transportation Spelled Out

(The 1st Marine Brigade recently issued a memorandum concerning return transportation to the mainland. Since it is of vital importance to almost everyone at K-Bay it is published in its entirety here.)

- In order to dispel the many "rumors" and "unfounded" reports regarding transportation from Hawaii to CONUS, the following information is furnished so that personnel and their dependents may have a general understanding of the regulations and procedures that are followed in providing transportation.
- Surface (ship) transportation is

the primary mode of transportation used in transporting personnel and their dependents from the Island of Oahu.

- Both commercial and MSTs transportation are used for surface travel, with MSTs the primary mode of transportation.

- Passengers booked commercial surface are booked on a rank seniority basis.

- There are no specific unit allocations for commercial surface. All Marine Corps applications on Oahu are processed through one central office. (Marine Corps Section, 14th

Naval District Passenger Transportation Office).

- There is no "waiting list" or "reservation sheet" maintained for commercial or MSTs sailings. Personnel apply for sailing by turning in to the Branch Office, Bldg. #221, MCAS, Kaneohe Bay, five certified copies of orders and an original plus four copies of Form DD 884 (Application for Dependents Transportation) which are filled out by the parent organization.

- Personnel are notified of their firm transportation arrangements normally 30 days prior to their effective date. However, late orders, peak travel periods and unforeseen transportation difficulties sometimes delay firm arrangements as much as 10 to 15 days. Once you have been contacted by the Transportation Office and given a firm departure, you will not be "bumped."

- Contrary to belief, MSTs Vessels are not a "degrading mode of travel." Families are not separated or berthed separately. Normally, families will be provided with more than adequate cabin space, plenty of recreation facilities and excellent food. Uniforms are worn only upon embarkation, debarkation and required for evening meals occasionally. Baby food and facilities for infant care are available on MSTs ships.

- Air transportation will be provided under certain conditions (by date to be met, physically unable to travel surface or no surface available), however, this will be MATS as there is no commercial air available. Some families may be booked on a commercial charter, which is controlled by MATS and the same regulations are applicable. All single passengers (acting staff sergeants [E-5] and above and officers) will be booked out MATS unless designated as a Draft Commander or Draft NCO.

Normally, you can plan on departing on your effective date, however, single passengers are booked out on a "when space becomes available basis" and during peak travel periods can anticipate a 24 to 72 hours' delay in some cases.

The above facts are just a few of the problems that arise when departing the Islands. The transportation office will be glad to assist you in every way possible when you get your orders. Personal problems will be given every consideration, however, the deciding factor in each case will be the Transportation Officer at the 14th Naval District. Personnel are advised that they will not phone or go to the 14th Naval District Passenger Transportation Office on transportation matters.

Short Sleeve Shirts Okay For Corps-Wide Wear

WASHINGTON — Leathernecks are going to find the hot summer days coming up to be a little bit cooler than they were last year.

The Marine Corps has just authorized its men to wear the short-sleeve khaki shirt at its activities all over the world.

NEW ORDER

Until the new order (1020.29) was published, the short-sleeve shirts were authorized only at activities within the southern part of the United States and certain overseas locations.

But a spokesman said that it still hadn't been decided whether Leathernecks stationed at Marine Corps Headquarters here could also wear the short-sleeve shirts.

That word, the spokesman said, would have to come from Gen. David Shoup, the Marine Corps Commandant.

Wearing of the short-sleeve shirts, the order said, would be up to the discretion of local commanding officers.

It said that they may be worn with the summer service duty uniform and that they could be worn while going to and from work. The order said the short-sleeve shirts cannot be worn at public ceremonies, at formal or semi-formal social events, on leave or liberty.

Marines can wear short-sleeve shirts made of dacron and wool, or dacron and cotton, the order said. But they are not to wear shirts whose sleeves have been cut to quarter length.

Hawaii Marine Baseball Nine Leads SubPac in Service League Competition

By ASgt. Bill Stuckey

By virtue of some sterling baseball played over the weekend the Hawaii Marine Baseball Team jumped out in front of the Raider's from Sub Pac by a half game to take the lead in the Service Section of the Hawaii Major Baseball League.

On Friday evening, in a make-up rained-out contest played at Millican Field, the Asahi's battled the local nine for 12 long innings before jumping on Jim Williams for two runs for the victory.

The following day, base-hits and walks were a "dime-a-dozen" as last year's Pacific Area champs and runners-up to the All-Marine title scored at will while soundly trouncing the Hickam Flyer's 20-11.

In their first meeting of the current campaign, Pappy Blaylock's charges manhandled the Rural Red Sox 5-2, Sunday afternoon at Riseley Field, with Blaylock going all the way to pick up his fifth win against a lone setback which was suffered at the outset of the season in a relief stint with SubPac the winner.

A full schedule of games are on tap this weekend. Tonight the rain-washed tilt with SubPac, originally carded for May 24, will be played under the lights at Millican Field starting at 7:30. Tomorrow, here at Riseley Field, the Naval Air Pointers battle the Marines with the umpire calling "play ball" at 2 p.m.

Sunday will find the 'Necks playing host to the Asahi's on the Lee-ward side with the game getting underway at Quick Field, Pearl Harbor, at 2 p.m. Then on Tuesday, Naval Air will come to Riseley Field to meet the locals with Sub-Pac filling the visitors role the following day, both contests going at 2 p.m.

Asahis 2, Marines 0

Coming back from a 14-2 drubbing two nights earlier against the same Asahi squad the Leathernecks turned, almost over night, from a badly playing bush-league type ball club to championship calibre by going a full 12 innings before falling away 2-0.

Superlative hurling by Jim Williams, who tired near the end, and sparkling defensive play by second-baseman, Dick Young, plus the spray-hitting of shortstop, Hap Mays, highlighted this three hour and 15 minute contest.

Both Asahi tallies scored in the top of the 12th when Dick Kamiya knocked in the winning run after Jack Masuda had been hit by a pitched ball and Larry Kamishima drew a walk to put two men on. The second marker was walked in when Williams issued a free base to pinch-hitter Allen Yamamoto to send in from third Kamishima, after Joe Tom had singled to load the sacks.

Marines 20, Hickam 11

With four Hickam pitchers giving up a total of 16 bases-on-balls and allowing some 15 base hits, including six doubles, the Marines ran roughshod over the Flyers in a game on Saturday afternoon at Riseley Field.

Collecting three hits, Hap Mays was credited with six runs-batted-in in this free-swinging affair as Dick Young went four-for-five and drove in three runners. Denny Roth banged out a pair of doubles and drew a trio of walks and was responsible for three runs as well.

First-baseman Ed Heekin crossed the plate four times during the game to lead in that particular department, while Dave Bay-Anderson was driving home three runs on a double and a sacrifice fly plus pilfering a pair of bases.

Nine men scored in the initial frame as 14 Marines came to bat and collected five hits, three doubles included, drawing six walks.

In the second, one run came home on a walk and a double with another lone tally coming in the fourth, with two singles, a walk and an error.

The fifth and seventh innings saw four runs scoring in each stanza.

In the fifth four bases-on-balls, a double and single with a stolen base thrown in were good enough with three singles coming in the seventh along with two free passes, a couple of steals and a hit-batsmen to account for the four runs.

Only one runner came home in the eighth on a double, a walk and a fielder's choice.

Winning pitcher was Bob Wolfenden who chalked up his second win against three setbacks. However, he received help from John Baley who pitched the final three innings. During Baley's stint he allowed seven runs to come home in the ninth as Hickam was fighting to make a good showing.

Marines 5, Red Sox 2

Scoring early the 'Necks defeated the Rural Red Sox at Riseley Field Sunday afternoon 5-2 as they took over the lead in the Service Section of the Hawaii Major Baseball League by a half game over SubPac.

A lone run scored in the opening

frame as Denny Roth and Bob Wolfenden drew walks and Dick Young's sharp single to left-center scored Roth from second.

Dave Colcombe was issued four balls as the lead-off batter in the second and was sacrificed to second by Pappy Blaylock where he scored on Denny Roth's single to right field. Bob Wolfenden then singled to put two men on as Dick Young stepped to the plate and banged his sixth homer of the campaign to score two runs ahead of him.

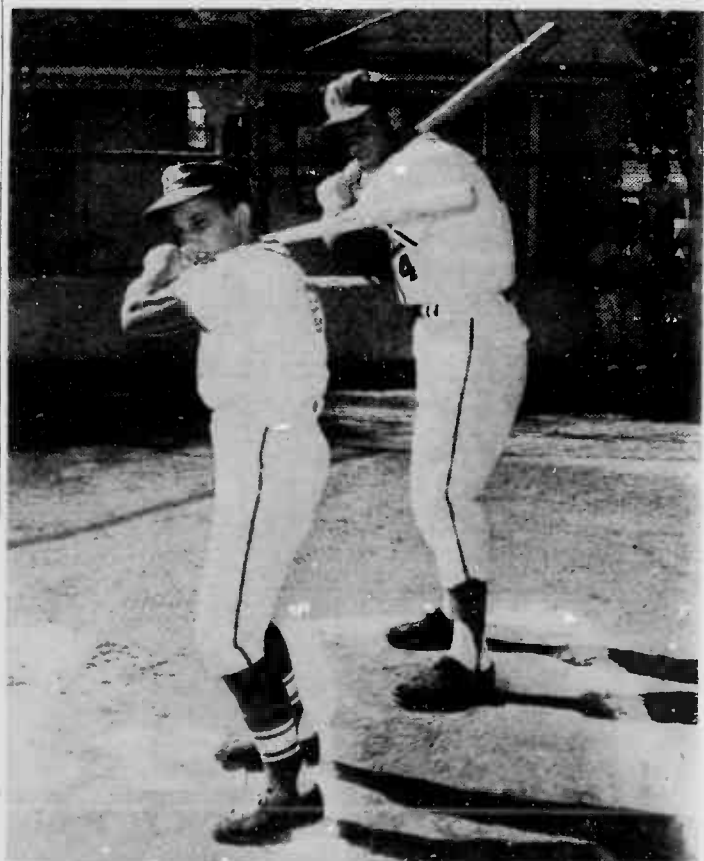

That was the end of the scoring

Hap Mays

for the Marines as they settled back behind the eight-hit pitching of Pappy Blaylock to allow only two runs from the charges of the Red Sox.

In winning his fifth against only one defeat Blaylock walked only two men and struck out six. However he was helped considerably by the brilliant infield play of his crew who turned in three double plays during the game.

DIFFERENT FORMS, SAME NAMES AND RESULTS—Tom Sheehan, star outfielder and pitcher for the Giants in the Kaneohe Bay Little League and Warren Sheehan, outfielder cum laude, for the Hawaii Marines display their favorite batting stance. Although not related other than possessing a tremendous talent in playing Abner Doubleday's great American game of baseball and a desire to celebrate March 17 each year both boys roam the outer gardens with the best of 'em.

GOLFERS?—No, not if you asked them, but these two "nattily" garbed gentlemen did take to the links last Friday in a drive for funds for Navy Relief. From left to right are LtCol. Lou Steman, LtCol. Jack Bolt and 1stLt. Leo Cox, cart driver. Both "golfers" are members of the "Society For The Prevention Of Golf During Working Hours." While their scores are a closely guarded secret, LtCol. Steman did mention that he started with six golf balls and came in with 11. (Photo By Cpl. R. E. Woltner).

84 Battle It Out

Twin Ties Hilite Golf Action In Memorial Day 'Blitz' Tourney

Two teams tied for first and second place honors while an additional two quartets tied for third and fourth place in the Memorial Day "May Blitz Tournament" at the K-Bay Klipper Course.

A field of 84 golfers took to the greens as the winning teams ended with a points total of minus four and minus six.

AWARDS

The members of the tied first and second place teams each received gift certificates of \$12.95 from the Klipper Pro Shop. Members of the teams that tied for third and fourth place honors received \$5.55 gift certificates.

Listed on one of the top teams were the names Fitzgerald (team capt.), Riggs, Ewart and Kirsch. Tied with them was a team composed of Walters (team capt.),

Blanchard, Lawrence and Feany.

The two teams tied for third and fourth place were made up with the following rosters: Greer (team capt.), Olsen, Jones and Young and Williams (team capt.), Vinning, Spring and Chapman.

Klipper Course officials have alerted all golfers to the "36 Hole Medal Play" slated this month. The play will be held on Saturday and Sunday, June 11-12. Entrance fees for the play will be \$2 and trophies will be awarded.

36-Hole Tourney Slated June 11-12

A 36-hole Medal Play tournament is on the agenda this month. This has been played here before and was well received.

Players will be assigned flights according to their handicaps. Eighteen holes will be played on Saturday and Sunday, June 11 and 12.

Trophies will be awarded to the low gross and low nets of each flight. The number of flights will be governed by the number of entrants. Pairing and starting times will be assigned.

The entry fee is two dollars and all entries must be in by 12 noon, Friday, June 10. Pairing and starting times will be posted.

K-BAY LADIES PLAY HERE IN SUNDAY BASEBALL TILT

At 2 p.m. Sunday, the ladies will take over the show at K-Bay's Jerry Coleman Field when the local feminine nine — the Pupus — face the Cheboom Girls from Barber's Point.

Most members of the two teams are mothers of Little League players who take to the diamond sport like big leaguers.

The Sunday game will have all the color that goes with the sport. Throwing out the first ball will be Mrs. R. G. Weerde, wife of the 1st Marine Brigade Commander. An honor guard and the 1st Marine Brigade Band and Drum and Bugle Corps will also be on hand for the pre-game ceremonies.

PUPUS LOOK GOOD

Two teams — the Red and Gold nines — will be alternated by the Pupus against the Barber's Point visitors. Cpl. L. Faust, coach of the Pupus, feels confident that his women players will put up a good battle against the Cheboom Girls. The local team has shown good

form in the practice sessions.

All K-Bay Marines and dependents have been invited to come out Sunday afternoon and support the Pupus.

RED TEAM

The local Red Team lineup will be as follows: Dottie Pittman, capt-pitcher; Virginia Winn, c.; Joyce Delaney, 1-b.; Carol Graham, 2-b.; Bessie Gilliam, 3-b.; Aita McKee, s.s.; Clarè Delaney, c-f.; Lillian Campbell, r-f. and Betty Weber, l-f.

GOLD TEAM

On the Gold Team will be: Eleanor Garthwaite, capt-pitcher; Eleanor Rottsoik, c.; Marleigh Knapp, 1-b.; Nancy McLaughlin, 2-b. and p.; Ann Reeves, 3-b.; Louise Ogden, s.s.; Chris Juck, c-f.; Chuly Brenner, l-f, and Roz Youngbons, r-f.

Ruth Rhodes will be the bat girl for the Pupus.

The only men on the field during Sunday's game will be Lt. Jack Lakes and MSgt. M. Mazza, umpire.

DEADEYE CANNONEERS OF 3/12 Col. B. H. Elliott, C.O., Congratulates Rifle Team

3-12 Shooters Awarded Hats

The artillery men of the 1st Marine Brigade proved their versatility as far as marksmanship is concerned by winning the Windward-Leeward Rifle matches four consecutive quarters.

During the last six quarters in which competition has been held, the cannoneers have walked away with the title.

Service Battalion's Blue Team upset the artillery men in the matches held during the last quarter of 1959, but the 3/12 cannoneers came right back to regain the title during the past quarter competition.

Once again they are the proud possessors of the match title, in addition to old Corps campaign hats, symbolic in the Marine Corps of an outstanding marksman. The campaign hats were presented to team members during informal ceremonies in the office of their commanding officer, Col. B. H. Elliott.

Members of the team include ASgt. R. K. Fones, ASgt. A. M. Kama, ASSgt. F. L. Dixon, team coach; 1st Lt. F. W. Pottmeyer, team captain; ASgt. C. B. Parker, and ASgt. S. W. Dunn.

LADY LINKSTERS

The ladies held their "Eighth of the Month" tournament last Thursday on the K-Bay Klipper Course.

In the "A" Flight of the 18-hole group, Beth Fontana aced with a 92, minus 24 for a 68 net.

"B" Flight honors in the 18-hole group went to Marge Blanchard with a 102, minus 33 for a 69 net.

Mary Beard aced in the 9-hole group with a 62, minus 28 for a 34 net.

Marine Sets Jump Record In Water Ski Tournament

Bob Noble of K-Bay's Globe and Anchor Water Ski Club captured the men's jumping championship of the 50th State Water Ski Tournament with two record leaps in Hickam Harbor.

Noble, president of the K-Bay Club, had jumps of 107 and 105 feet to twice break his own record of 102 feet.

Les Wormel, also of the Globe and Anchor Club, was second with jumps of 90 and 86 feet.

Noble is a member of an exclusive water skiing honorary group, the "100 Club." It has a membership of less than 20 people who have officially hit the 100 foot mark in water ski jumps.

Little Kathy Vogel, daughter of veteran water skier "Sonny" Vogel, was awarded the overall State Championship award by amassing 3,000 points to beat out the high-flying Noble who garnered 2,910 points in the Tournament.

In the three-day Memorial Day weekend event, the youngster took first place in the junior girls tricks competition and shared first place honors with Dave Packer in the mixed doubles event. Packer is also a member of the K-Bay Club.

Mike Vogel, Kathy's brother, took third place in the junior boys jumping contest to add more laurels to the Globe and Anchor Club. Tomorrow afternoon the Globe and Anchor Club will put on a water show at K-Bay in conjunction with the Grand Cotillion Club's annual beach party here. The water skiers will start at 2:30 p.m.

Marine Marks 17-Years Boxing; Records All Wins, None In Ring

By Pfc. W. F. Cannon Jr.

Fight fans know that boxers spend many hours a day working out with a punching bag to perfect their hitting powers and coordination. ASSgt. John F. Pryor of Kaneohe Bay, has been doing it for 17 years and has yet to lose a decision to the inflated piece of cowhide.

Punching the bag since 1943, Pryor could literally be called the punchiest man in the Corps. At the MCAS commissary, he spends his duty hours butchering meat for K-Bay customers.

During his spare time, he butchers the punching bag, practicing trick maneuvers using everything from his head to his feet.

As if that weren't enough, it's

not at all unusual to find him flat on his stomach battling twin bags on both flanks. Standing, sitting, or lying down, punching with one or more bags with any part of his body and in any position you can think of, it's all the same to Pryor. Put a bag in front of him and he'll make it sing a staccato tune.

Pryor took up this unique hobby for the challenge that it offered and to help develop his body and coordination.

The K-Bay Marine is enthusiastic about his punching bag hobby and is willing to teach anyone who is interested in learning the technique. He also offers anyone a standing (or sitting or lying down) challenge to a pugilistic duel with punching bags. Interested? Contact Sgt. Pryor at 72612.

WATER JUMP CHAMP—Bob Noble of the K-Bay Globe and Anchor Water Ski Club shows off the form that won him top honors Memorial Day weekend in the 50th State Water Ski Tournament. He took first place jumping honors with leaps of 107 and 105 feet at Hickam Harbor.

ServBn Whips 2-4, 10-0, Maintains First Place In Softball Contests

Service Battalion maintained top place in the softball league by drubbing 2nd Bn., 4th Marines with a score of 10-0 last Thursday.

Working the mound for ServBn was Mike Howorth, who struck out 11 of 15 batters before the game was

called in the fifth inning because of the 10 run tally of the victors. The league leaders received 10 runs on only five hits, while the 10 walks they received put their vic-

HUNT 'N FISH CLUB

By AMSgt. Robert Van Beck

With all the interest being shown in fresh water fishing this week I would like to pass on some information recently released by AFPS.

"Backlash — usually called "#&%** backlash," refers to a tangle on the spool or reel caused by the spool's overrunning the line as the line is cast or pulled from the reel.

Bass Bug—a fairly large floating lure, usually made of deer-hair, cork or wood, intended to be cast with a flyrod when surface fishing for bass and other fish.

Dry Fly—a small, artificial lure made with stiff hackles tail that support it on the water's surface.

Guide — one of several metal loops through which the line passes along the length of a fishing pole. Also a character who knows where the fish hang out.

Hackle — feathers having a hair-like filament that are used to simulate insects legs on an artificial fly.

Wet Fly—an artificial lure with soft hackles that sinks and is fished below the water's surface.

Popper — a surface plug with a hollow nose that makes a distinct popping sound when it is retrieved."

HICKAM R&G CLUB

Hickam Rod & Gun Club will hold its next regular meeting Monday at 7:30 p.m. The meeting will be held in the Hickam Harbor Haven Yacht Club House, located near the shoreline in the southeast portion of the Fort Kamehameha area.

STANDING, SITTING, KNEELING — ASSgt. John F. Pryor can do them all and with one or two bags. Beginning his unique hobby in 1943, Pryor has learned to hit the punching bag(s) in any position and with any part of his body. (Photo by ASgt. Bruce R. Hamper)

BLUE STAR COOKS — Congratulations were the order of the day for three cooks from 2/4 for their outstanding food preparation during "Operation Blue Star." Commended by Lt. Col. R. H. Miss LaVerne Baker Hilites Forthcoming 'Show of Stars'

Another in the highly popular Show of Stars series has been scheduled by Station Special Services at 7:30 p.m. June 13 in Station Theater No. 1

According to an advance billing,

MISS LAVERNE BAKER

the show will be highlighted by the appearance of Miss La Verne Baker who scored a smash hit at a Show of Stars event at Civic Auditorium in Honolulu earlier this year.

Miss Baker's recordings of "Jim Dandy" and "I Cried A Tear" are standards in many record libraries and are continual best sellers.

The public is cordially invited to attend this star-studded extravaganza.

Artists Set Meeting To Form New Club

All artistically inclined K-Bayites, both military and dependents, are invited to attend a meeting with the avowed purpose of forming a painting and drawing club.

The meeting will be held at 7 p.m. June 7, second floor of Building 221.

Envisioned as a recreational activity, the club will seek to gather artists, professional and amateur, into a group. Tentative plans include classes and field trips.

Advance information may be obtained by contacting Mrs. Walter C. Decker at 255-012.

Congress Asked To Drop SDOs

The Marine Corps has formally asked Congress to end the Supply Duty Only category for officers, the NAVY TIMES has announced.

Under the proposed bill 401 SDO officers would be reassigned as unrestricted officers.

Present supply functions require officers with a broad background of command and staff experience, the Corps said. But SDO officers can't get the line type of assignment needed to integrate supply functions within the combat structure of the Marine Corps.

The bill assures fair promotion opportunity through the first promotion after redesignation for all present SDOs.

CIVIL SERVICE NOTES

THEATER SCHEDULE

TONIGHT
TARNISHED ANGELS — Stars Rock Hudson, is rated good, is fit fare for adults and youths and runs for 95 minutes. Other than that, we're stumped.

SATURDAY MATINEE
ENEMY BELOW — Stars Robert Mitchum and is a whale of a story about submarine action during World War II.

SATURDAY
UNHOLY WIFE — Here we go again. This one stars Rod Steiger, is rated good, also, is fit for adults and youths and will run for 94 minutes.

SUNDAY MATINEE
UP FRONT — Like a laugh? Bill Mauldin's hilarious book featuring Willy and Joe is in movie form and stars David Wayne. Outstanding!

SUNDAY
SWORD AND THE CROSS — We're playing that same old song again.
