VOL. IX NO. 31

U.S. MARINE CORPS AIR STATION, KANEHOE BAY, HAWAII

August 5, 1960

## Col. Campbell Kaneohe C.O.

### 'Acting' Ranks Terminated By CMC Message

According to a dispatch received Monday, the Commandant of the Marine Corps, General David M. Shoup, has terminated the acting rank structure within the Marine Corps.

The text of the dispatch is as follows: "Purpose this Bulletin (1123) to make known my policies covering certain aspects new enlisted rank structure.

"Interim rank structure terminates July 1, 1963, for all ranks. Acting hereby eliminated. Non-commissioned officers now designated acting master sergeants E-7 will be carried as master sergeant, E-7.

"Same applies to other grades where acting appears. No diary entry is required.

"Staff Sergeant E-5 considered Staff NCO to July 1, 1963, thereafter, Sergeant E-5 and not a Staff NCO. Recognition and privileges to sergeants and corporals regardless of pay grade to include where practicable suitable club and messing facilities and liberty considerations.

"This Marine Corps Bulletin applicable to Marine Corps. This Bulletin cancelled on receipt revision Marine Corps Order 1223.1 and for record purposes on Dec. 31, 1960."

News of the change announced by the Commandant which effects an estimated 60 percent of all enlisted personnel throughout the Marine Corps, swept the Station late Monday night.

The Station Communications Center was swamped with requests for copies of the dispatch when working hours began Tuesday.

TRADITIONAL WELCOME—Col. William R. Campbell, new commanding officer of the Kaneohe Marine Corps Air Station, arrived on Oahu last Friday with his family. Bedecked with leis are, left to right, daughter Cecele, age 16, Col. Campbell, Mrs. Campbell and daughter Blanche, age 7. (Photo by ASSgt. G. L. Gill).

### Statistics Tell Story

## Safety Council Alarmed; K-Bay Accidents on Rise

Some startling figures were brought to light this week as a result of the findings of the Station Safety Council. The comparison of Federal vehicle accidents experienced during the first half calendar year 1960 indicate that there has been an accident rate increase of 366 per cent in reportable accidents.

Comparison of the two periods were taken from Jan. 1, 1960, through June 30, 1960, and the same period in 1959.

Although there were 57,303 more miles driven during the first six months of the current year over the same period last year, there were 18 more accidents this

year. Estimated damage this year has been listed as \$5,309.97 as compared to 1959 when total damage amounted to only \$434.50.

In 1959 there was one accident per every 145,969 miles driven, with cost per accident listed at \$86.90. During the first six months of this year, there has been a reportable accident for every 34,224 miles driven with a cost per accident of \$230.87.

The majority of accidents during 1960 were caused by inattention to driving, and unsafe backing. Thus far this year there has been seven accidents caused by inattention, and seven for unsafe backing as compared to one of each for 1959.

A break down of accidents follows:

Causes	1960	1959
Inattention to driving	7	1
Unsafe backing	7	1
Following too closely	2	0
Changing lanes unsafely	2	1
Driving too fast	1	0
Driving in improper lane	1	0
No fault of Government driver	3	2

### ANALYSTS BEGIN JOB-RANK STUDY

One hundred Staff noncommissioned officers are now in session at Headquarters Marine Corps to assist in determining what rank should go with each job.

All members of the Board are graduates of the Billet Analyst Schools at Camp Lejeune, or Camp Pendleton.

They are studying the enlisted billets at major post and commands throughout the Marine Corps.

The results of their findings will be reviewed by the command concerned and Headquarters Marine Corps will convene a board of field grade officers to make the final decisions.

## MARIPOSA DEPARTURE TODAY FOR COL. MAGRUDER, FAMILY

Col. William R. Campbell relieved Col. M. M. Magruder during traditional change of command ceremonies yesterday at Dewey Square and formally assumed duties as commanding officer, Marine Corps Air Station, Kaneohe.

The new Station commander and his family arrived in Hawaii

last Friday. He formerly served on the Joint Staff, Office of the Joint Chiefs of Staff in Washington, D.C.

This afternoon, Col. Magruder and his family will board the Mariposa and sail at 4 p.m., for their return to the mainland where Col. Magruder will assume duties as Director, 12th Marine Corps Reserve and Recruitment District, San Francisco.

As Col. Magruder departs, he leaves behind him an impressive record of progress.

Some of the projects completed since Col. Magruder began his K-Bay tour in August, 1958, were initiated by his predecessor, Col. Jack R. Cram. Others, now in the planning stages, will be completed in the future. Altogether they underscore improvements to Station facilities with benefits to all personnel at Kaneohe.

From the military view point, the foremost addition has been the build-up of facilities for the Pacific Missile Range Representative. This places Kaneohe Bay as the hub of the Pacific Missile Range and into the midst of the space age.

From the dependents' view point, the opening of the Capehart

See Page 4 for a pictorial review of K-Bay progress during Col. Magruder's tour.

project and the new school now under construction lead the list of improvements.

Improvements for aircraft include the mirror landing system, repair of parking ramps, construction of the turbo-jet engine test facility, arrival of sound suppressors, reroofing of hangars and rehabilitation of hangar sprinkler systems.

Barracks have been repainted and rehabilitated. Showers have been repaired.

For infantrymen, the combat marksmanship range has under-

FAMILY AFFAIR—Promotion to General becomes a family affair as Brig. Gen. John H. Masters (center) receives his first star. Sharing in the General's July 23 promotion ceremony are: (left to right) son, John Jr.; Miss Hillary Masters, a niece; Mrs. Masters; Gen. Masters; Gen. David M. Shoup, commandant of the Marine Corps; and Mrs. James M. Masters, wife of newly selected Maj. Gen. James M. Masters Sr. who is a brother of the new one star general. Brig. Gen. John Masters is currently serving as legislative assistant to the Commandant. He formerly commanded the 4th Marine Regiment here.

ASSUMES COMMAND—Lt. Col. Richard C. Kuhn, right, reviews the personnel of his new command, the 2nd Bn., 4th Marines, along with Col. J. W. Antonelli, Regimental commander, during assumption of command ceremonies held July 26. (Photo By Cpl. R. E. Wolter).

### Contest Clarifies Voting Reasons

An act as meaningful as casting your ballot in the 1960 presidential election is not one to be undertaken frivolously. It deserves forethought and deliberation. And is there any better way of marshaling our ideas and convictions than to put in writing what it means to be an American voter?

This year's subject for Freedoms Foundation's Letter Writing Awards Program—"My Vote—Freedom's Privilege"—gives each of us an excellent chance to clarify our thinking before Election Day. Unless we have a sound understanding of the free elective system that underlies our democratic life, we are in danger of making our fateful choice impetuously—of misusing our vote.

*Critics of the democratic way often accuse Americans of fuzzy political thinking and of gullibility to catch-all phrases and panaceas. Are we guilty of exercising our precious franchise without giving our decision hard thought? Such hard thinking is exactly what Freedoms Foundation hopes to stimulate among Armed Forces voters in this election year.*

Don't wait until Nov. 1 to put in the mail, in a letter of 100 to 500 words, your personal statement of what Nov. 8, 1960, means to you. The Letter Writing Awards Program has unique significance this year. It's a challenge to every one of us. If we really feel deeply about our responsibility as voters, we owe it to ourselves to give that feeling expression. (AFPS)

### Accident Statistics are Deadly

A story on today's front page reveals that accidents with government vehicles have jumped 366 per cent over figures from last year. Statistics can be terribly boring but these are deadly. If the current accident rate continues a fatal accident is waiting around the corner.

Inattention to driving and unsafe backing are listed as leading causes. Both can be cured by one person—the person behind the wheel.

The statistics are concerned with government vehicles but they can also be applied to privately owned automobiles. It is up to each of us to do our part. Let sanity and caution rule behind the wheel.

## Chaplain's Corner

### TAKING IT FOR GRANTED

By Chaplain H. R. Miller

Someone has suggested that "one of the tragedies of living in a long tradition is the ease with which we take it all for granted." How true this is!

We take our freedom as our due. I am not suggesting a return to the Fourth of July oratory of a generation ago, nor an increase in flag waving or singing the Star Spangled Banner. However, it does seem to me that we do owe some respect to those who climbed off the Mayflower and those who heard the muffled drumbeats along the road to Concord. We take freedom for granted and both we and freedom are the poorer for it.

This is true of our religious faith. We take the tradition of our Church for granted. We sometimes forget the long, hard road that led to the favorable position now occupied by organized religion. It is unfortunate that "Freedom of religion" today is often taken to mean "Freedom from religion."

Nowhere is this "taking it for granted" more dangerous than in our attitude toward God. I am concerned by the number of "God professing" persons who take God for granted. In the Fiftieth Psalm, the psalmist makes a statement worth noting. He is speaking for God and says: "You thought I was one like you." Again in Isaiah we hear the prophet speak for the Lord: "For my thoughts are not your thoughts; neither are your ways my ways."

That God is God and not man must be recognized. This is the real difference between a God-centered faith and a man-centered faith. We owe it to God to let Him be God. He is the Creator. We owe it to ourselves to treat God as God. This means we get our pride out of the driver's seat. We owe it to our fellow men to treat God as God. Only when we consider ourselves human, finite, prone to error, and shot full of sin, can we deal with life and with our fellow men.

When God is God and man is the creature and we accept it at face value, we will be on the way to abundant life. God is the clue to history, for he is the Alpha and Omega. Don't take Him for granted, acknowledge your need in Him.

## STAFF WIVES

By Connie Luedtke

Time to mark two dates on your calendar, Aug. 12, the aloha coffee and Aug. 16, the social meeting. Plans also call for our monthly tour to take us to Jack McCoy's TV program.

Our social meeting will be highlighted by a fashion show. Twelve models will be featured wearing original designs by Mrs. Gilbert Sakamoto. Members of the Staff Wives Club and the Officers Wives club will model the fashions.

Plans continue for our cookbook so everyone start thinking of favorite recipes and submit them at our next meeting.

For those who missed our Staff Wives Fair, you certainly missed one of the most enjoyable and nicest affairs ever held by our club. All those who attended had a grand time. Special thanks are extended from our President to our Ways and Means Chairman, Mrs. Donald Stacks; Mrs. Howard Christenson who provided us with the idea; all the committee chairmen and assistants; and all those who so generously donated ideas, articles and valuable time to the success of the fair.

## Inquiring Photographer

With K-Bay's 2nd Annual Hawaiian Roundup and Rodeo slated to take place Sept. 3, 4, and 5, the Inquiring Photographer made a circle of the Station and asked, "What rodeo attractions will interest you most?"

### ASGT. "WILD BILL" HISCOCK, STATION STABLES

(Winner of last year's Hard Luck Cowboy Award) — "I'll be entering saddle bronc riding, bull dogging and bull riding events so, of course, these will interest me most. Maybe I'll have better luck this year."

### ACPL. BILLY WHITE, STATION STABLES

— "I've been entering rodeos for the past eight years and I'm sure going to take part in this one. I plan to enter the bareback riding and bull dogging events. I haven't made any big money yet but maybe this rodeo will break the ice."

### MRS. ROSE SHAW, 1090 MARINE EXCHANGE

— "I enjoy rodeos but this one is even better since it's for the benefit of our own Navy Relief Society. I can't single out one event as best, I like them all, even the Grand Entry. It's a taste of the Old West."

### PFC. CARLETON R. FELT, H&S, 2/4

— "Bronc riding is always the main attraction for me. I wasn't here last year but I've heard a lot about many of the events, particularly about the bulls jumping the inner fences. This I've got to see."

### CPL. CHARLES T. MILKS, S-1, MAG-13

— "I like all the excitement and pageantry of rodeos with bronc riding as my favorite event. I'd like to see an award given to the clowns who not only protect the lives of the entrants but add a touch to any rodeo."

### JAMES BARBER, SON OF MSGT. AND MRS. RUSSELL BARBER

— "Gosh, everything about a rodeo is good. I've seen lots of them on TV but this will be my first one for real. I guess I like bull riding best, it's the most dangerous and only good cowboys can do it."

## Divine Services

### CHRISTIAN SCIENCE

#### SUNDAY

9:30 a.m.—Sunday School,  
 11:30 a.m.—Church Service  
 Christian Science Society, 55  
 Kainalu Drive, Kailua.

## K-BAY FRA UNIT FETES OFFICERS AT CELEBRATION

An estimated 275 guests attended the annual installation of Branch and Unit officers of Branch 174 of the Fleet Reserve Association held at the Enlisted Men's Club recently.

Lt. Col. J. E. Glick, commanding officer of the 1st Marine Brigade's Service Battalion, was the guest of honor.

Music for the semi-formal dance held in connection with the installation of officers was furnished by the "Commanders." In addition to the local members in attendance at the social affair were 25 members of Branch 46 of Honolulu.

Membership in the Fleet Reserve Association is open to all personnel of the Navy and Marine Corps with over six years of active service. Meetings for the Kaneohe Bay Branch 174 are held on the first and third Thursdays of each month.

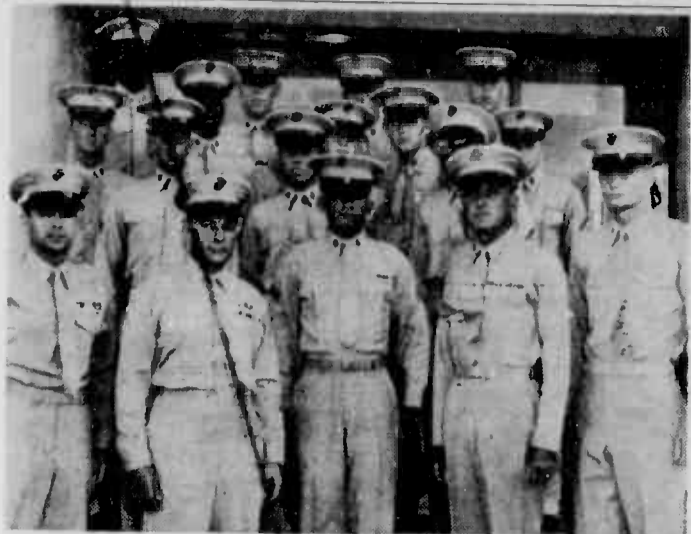

## 'G' CO. LEADS BATTALION REENLISTMENTS IN JULY

Three re-enlistments and two extension of enlistments totaling 18 years service, has moved "Gold" Co., 2nd Bn., 4th Marines, into first place in the battalion's recruiting campaign for the month of July.

Commanded by Capt. W. T. Layton, III, the company had a 500 per cent reenlistment rate for the month.

## NOTICE

This Sunday, between the hours of 6 and 8 a.m. there will be a planned electric power outage. Living quarters to be effected will be those on Crescent Circle; Rainbow Village; and adjacent public quarters; Areas "A" and "C" Housing and Hilltop Quarters.

REGIMENTAL SQUAD COMPETITION WINNERS Victors to Represent Brigade at Quantico in September

# 1st Battalion Garners Honors As Combat Squad Finalists

For the third consecutive year, a squad from the 4th Marines' 1st Battalion has won the honor of representing K-Bay's 1st Marine Brigade in the annual Unit Combat Marksmanship Competition at Quantico, Va.

Announcement of the Regimental Squad Competition winner was made last Friday by Col. J. W. Antonelli, CO, 4th Marines, following the final contest at Kahuku on July 27 between two top squads representing each battalion.

The 1960 "Top Squad," a unit of "Delta" Company, 1st Bn., will

leave for Quantico in early September to compete against outstanding squads from every infantry unit within the Marine Corps.

They will arrive at Quantico in time to receive orientation concerning problems to be encountered, then move into the week-long competition designed to test the proficiency of small unit leadership.

Led by Sgt. N. B. Lasua, mem-

bers of the top squad include: Cpls. P. E. Johns and B. Camarena, Jr.; LCpls L. A. Nieto, G. T. Pierce, S. T. Neal and G. Christie; and Pfc. F. Bland, D. T. Attebury, K. D. Blevins, F. Hickam, Jr., F. W. Bechtel and J. L. Cyr.

Last year, "Bravo" Company, 1st Bn., 4th Marines, won the Regimental competition and placed third in the Corps-wide competition at Quantico.

## Beinning Monday

# Dependents Clinic Announces Pre-School Physical Schedule

A detailed schedule for pre-school physicals for dependent youngsters entering local schools for the first time was announced by K-Bay Medical officials.

Physical examinations will begin at the Dependents Clinic next Monday, Aug. 8, and continue through Friday, Aug. 19. Examinations are scheduled by alphabetical listing with a detailed breakdown to insure that the waiting time is kept to an absolute minimum.

The medical examination is a "must" for any child entering public schools who has not had a physical of this type within the past three years on Oahu.

The pre-school physical will be conducted by a combined doctor-dentist-corpsman team. It is anticipated that each examination will require 15 minutes.

### EXAMINATION SCHEDULE Monday, Aug. 8

- 8:30 a.m. .... A-Add
- 9:00 a.m. .... Af-Andes
- 10:00 a.m. .... Ane-Bac
- 11:00 a.m. .... Bad-Bar

### July Busy Month For Navy Relief

The Kaneohe MCAS Branch of the Navy Relief Society has reported they handled 60 cases during the month of July, 1960.

The assistance tendered in the various cases are as follows:

- 14 Loans ..... \$765.00
- 3 Gratuities ..... \$ 90.00
- 36 Service cases
- 7 Layette certificates

The Navy Relief is supported by contributions from all personnel within the Navy Department. Do your share when the next campaign for funds commences.

- 1:00 p.m. .... Bas-Ber
  - 2:00 p.m. .... Bes-Bli
  - 2:30 p.m. .... Blo-Bre
- Tuesday, Aug. 9**
- 8:30 a.m. .... Bri-Browne

## OFFICERS CLUB

Note: The Officers Club swimming pool will be closed today and tomorrow in preparation for the Shipwreck Party.

### TONIGHT

Happy Hour from 4 to 6 p.m. Couples bar open from 4 to 7 p.m. Dinner from 7 to 9 p.m.

### SATURDAY

Shipwreck Party sponsored by the 1st Marine Brigade beginning at 6:30 p.m.

### SUNDAY

TV for Tots, Family Buffet from 6:30 to 8:30 p.m. Gerald Erwin at the piano.

### MONDAY

Hula class at 9 a.m.

### TUESDAY

Duplicate bridge at 7:30 p.m.

### WEDNESDAY

Happy Hour from 5:30 to 7 p.m. Dinner special: Spare ribs and sauerkraut. Toastmasters meet at 7:30 p.m.

### THURSDAY

Dance class at 8 p.m.

## 'Y' BOYS CAMP BEGINS AUG. 15

Honolulu's Central YMCA is sponsoring a one-week summer camp for boys from the ages of nine through 14.

Complete details may be obtained by contacting the "Y" at 996-681. It is located at 401 Atkinson Drive.

Dates for the camp are Aug. 15 through 22. Food, transportation and all other expenses are included in the camp fee of \$38.50.

Site for the vacation week is Camp Erdman, Mokulei, Oahu.

## KICK-OFF DINNER AT 'O' CLUB BEGINS HOSPITAL FUND DRIVE

Some 500 civilians from the surrounding communities will gather at the Commissioned Officers Mess, Lower Lanai, Aug. 11, for a "Kickoff Dinner," launching the fund raising campaign for the proposed Castle Memorial Hospital.

The Windward citizens are all volunteer workers who will staff the campaign organization.

The "Kickoff Dinner" will get underway at 6:15 p.m., with a concert given by the 1st Marine Brigade Band.

Campaign chairman and guest speakers will outline plans for the fund drive and assign responsibility to the volunteer workers.

The proposed hospital will occupy a 10 acre site at the intersection of the Pali Highway and Waimanalo turn off.

A program has been approved

by the hospital board to provide an 80-bed hospital on a 160 bed "chassis."

This building design is planned to meet present needs of Windward patients with the basic service and facilities planned to allow for economical expansion without disrupting service.

## AF Reveals USA Pay Tops USSR

(Editors note: The following was prepared by the Airborne Early Warning Squadron VW-13, Air Intelligence Office. It is based on an article in the Air Intelligence Bulletin, a publication of Continental Air Command, USAF.)

A study of the pay scales of the Soviet Navy shows clearly that in their society, everyone is equal but some are more equal than others.

Officers have the highest standards of living in the "Peace Loving" USSR, except for top Communist officials and experts in the various fields of Arts and Sciences.

The officer also receives free uniforms, rations, quarters allowances and commissary privileges which enhances his salary. According to a national magazine, the cash value of these extras is approximately equal to the officer's annual salary.

### ANNUAL BASIC PAY FOR ENLISTED

	Soviet	U.S.
E-7	\$180	\$4,308
E-6	\$120	\$3,864
E-5	\$ 90	\$2,664
E-4	\$ 72	\$1,848
E-3	\$ 48	\$1,326
E-2	\$ 36	\$1,081

### ANNUAL BASIC PAY FOR OFFICERS

	Soviet	U.S.
Major Gen.	\$2,400	\$16,200
Col.	\$1,920	\$11,052
Lt. Col.	\$1,140	\$ 8,800
Capt.	\$1,080	\$ 6,050
1st Lt.	\$ 840	\$ 4,310

## Armed Services Housing Office Asks Assistance

Incoming military families requiring temporary hotel accommodations are expected to reach a peak in August and the Armed Services Community Housing office has requested a helping hand from all military men.

Usually a unit will appoint a member of its command as sponsor for each incoming family and it is to these sponsors that the request is directed.

In a letter addressed to the Commanding General of the 1st Marine Brigade, the housing office asked that sponsors utilize the Armed Services Community Housing Office in making hotel reservations.

The office is located within Fort DeRussy near Waikiki Beach or may be contacted from K-Bay by dialing 16-663239.

This will allow the office to inventory available space in the limited number of hotels with multi-bedroom facilities.

### CHERRY POINT'S VMA-324 TESTS 'BULL-PUP'

Sixteen VMA-324 aircraft took off from Cherry Point recently for an off-shore bombing range carrying a radically different load attached to their under-pinnings. "Vagabond" pilots were getting the feel of the first "Bull-Pup" aviator-guided missiles issued to Second Wing attack squadrons.

### IWAKUNI FLOODED BY RAINS

Torrential rains that battered Southwestern Japan July 14, taking the lives of 18 persons and causing evacuation of 500 families from Hiroshima alone, inundated large sections of the Marine Corps Air Facility, Iwakuni, but caused no extensive damage or loss of life. By July 16, the waters receded as fast as they rose and the operation of the Facility returned to normal.

### COMMANDANT GIVEN UNIQUE BOTTLE

A unique addition has been made to the collection of saki bottles of Commandant Gen. David M. Shoup. The bottle, in the shape of a gourd with a hollowed-out place at its base for a built in heating unit, was given to the Commandant at the annual Generals Conference by Maj. Gen. Charles H. Hayes, deputy commander of the Pacific Fleet Marine Force.

# Progress: Colonel Magruder's Record

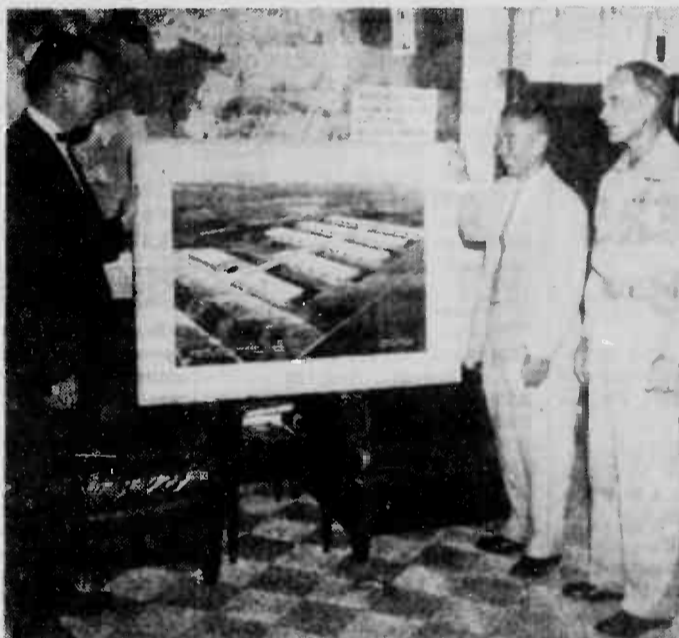

**SPACE AGE**—The Marine Corps Air Station, Kaneohe, entered the space age with the arrival here of two navy officers in September, 1958. They were the forerunners of the unit now known as the Hawaiian Pacific Missile Range Representative. Beginning in a Quonset hut, the unit now boasts 18 officers, 29 enlisted men and 38 contractor representatives. Their new \$280,000 building, shown above, will be completed this month.

**CAPEHART'S FIRST FAMILY** — Mrs. L. M. Foster smilingly accepts the keys for the first completed Capehart unit on Aug. 11, 1959, from Col. M. M. Magruder. Her husband, AMSgt. Foster, and children, Mary Jane and Leonard Jr., are equally pleased. Final home of the 650 unit Capehart project which considerably improved the housing picture for all K-Bayites was occupied July 1 of this year.

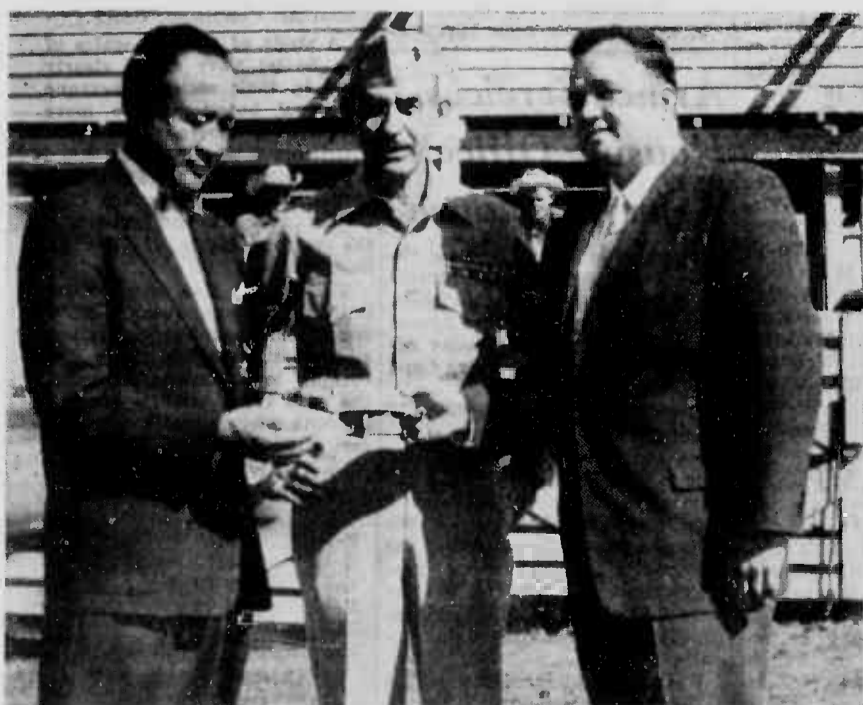

**FORE**—Col. Magruder swings and sends the first ball into the air when the Night Driving and Putting Range opened at the Klipper Course last Nov. 30. Others, left to right, are AMSgt. A. Greer, Jimmy Ukauka and Maj. D. H. Blanchard.

**YESTERDAY'S PLANNING** — Charles G. Clark, left, and Ralph Inouye, Honolulu City officials, present a water color painting of the new Mokapu Elementary School to Col. Magruder. The event occurred last September but concrete evidence of the school, scheduled to open for the new school semester, may be seen near the 4th Marines CP. After it opens, the older school structure will be closed.

**SOUND SUPPRESSOR**—Col. Magruder discusses the use of a new sound suppressor with four members of the Hawaii House of Representatives on Sept. 21, 1959. The odd-looking device relieved jet blast noise which formerly echoed across Kaneohe Bay.

**1959'S FIRST RODEO TICKET** — Hawaii Lieutenant Governor James Kealoha, left, purchases the first ticket to K-Bay's 1959 Hawaiian Roundup from Dal Potter, right, president of the Downtown Optimist Club which volunteered to handle off-Station ticket sales last year. After the rodeo, Col. Magruder announced that the Roundup would become a yearly event at K-Bay. This year's dates are Sept. 3, 4, 5.

**TOUR HIGHLIGHT** — President Dwight D. Eisenhower bids farewell to Col. and Mrs. Magruder at the conclusion of his six day visit to Kaneohe Bay. First Marine Brigade Commander Brig. Gen. and Mrs. R. G. Weede, are seen at left. The Nation's Chief Executive began his visit here June 20 and returned to the mainland June 25 leaving behind him warm-hearted impressions of his friendliness.

RECOGNITION OF SERVICE—LT. Col. C. H. Moore, executive officer, MCAS, presents Henry Y. C. Lung, (center) his Letter of Recognition and 20 year Navy service pin while Cameron Deal, (right) looks on after receiving his letter and 20 year pin.

Brigade Sponsored

# Shipwreck and Aloha Party Tomorrow Night at 'O' Club

Tomorrow's Aloha Party honoring the departure for Washington of Brig. Gen. and Mrs. P. J. Fontana will probably go down in the annals of revelry as the most unusual farewell ever bid a departing couple at Kaneohe Bay.

Sponsored by the 1st Marine Brigade, the occasion will revolve around the central theme of a shipwrecked crew making the most of things on a proverbial paradise island.

Dress has been designed as "whatever you had on—or off—at the time the ship went down." A prize awaits the designer with the most vivid imagination.

While most of the details involving the itinerary of the expected 500 "man" crew are being held secret by the powers-that-be, information has leaked out concerning a most unusual door prize.

It's to be a complete barbeque set, with heavy emphasis on adherence to the definition of that word "complete." With the set go all utensils, a table and chairs, tiki torches, charcoal and even beverages.

Many more prizes will be awarded for every conceivable accomplishment and coincidence.

The doomed ship's gangplank will lower for first passengers at 6:30 p.m., and for those who best the shark-infested waters, a buffet supper is to be available on a "serve yourself" basis from 7:30 through 9:30.

Though the ham and roast prime ribs of beef (with appropriate trimmings) are available through self-service only, exhausted survivors will find the native islanders compassionate. Beverages, including—among others—coffee, tea, and milk, will be served at the tables.

To help dispel the inevitable horror of being stranded on an island in the middle of nowhere, completely cut off from civilization, two bands will provide a soothing background of familiar melodies from the old country.

Various units of the Brigade will provide entertainment in the form of satirical skits which might be collectively entitled, "Main Street, Kaneohe Bay."

One final word to the ladies—this party's planned by experts, but it still has its bugs.

## CIVIL SERVICE NOTES

### ARE YOU A GOOD DRIVER? A Self-Testing Quiz

- Do you get upset when traffic is delayed for a short period because of congestion?
- Do you feel that accidents are due to bad luck?
- Do you believe in taking chances in attempting to pass other cars?
- Do you daydream when driving?
- Do you get annoyed when other drivers make minor mistakes?
- When approaching a yellow traffic light, do you speed up to beat the red light?
- When there is a line of other cars waiting at a red light, do you try to slip ahead of the line?
- When you see a no-passing zone or solid centerline ahead, do

you go ahead and pass another car?

- When you are in a line of cars moving at the speed limit of 45 mph, do you drive at 35?
- Do you get upset when someone criticizes your driving?
- When the speed limit is 45 mph, do you drive at 55 or 65?
- Do you double park, even though it is strictly forbidden by local regulations?
- When another car attempts to pass you, do you speed up to keep him from passing?
- Do you ignore stop signs when you see that there are no cars approaching?
- Do you "jump" traffic lights—start before the light has turned green?

If your answer is "no" to each question, you are a good driver.

### KNIT ONE, PURL TWO

If you happen to be in the Supply Department Bldg. 209 during lunch hour of break time, you will find an ambitious group of employees busily knitting socks.

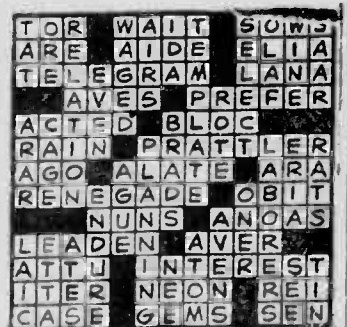

Organized by Molly Chung, who offered knitting instructions to the beginners, this recreational project began about two months ago and was sponsored in part by the Civilian Recreation and Welfare Association who made funds available to purchase knitting needles.

## New Camera Club Seeking Members

K-Bay Personnel interested in forming a camera club aboard the Station are requested to call 1st Lt. Thomas L. Jones at 72619.

According to the MACTU-62 officer, about six people have already shown an interest in forming a shutterbug unit here. It is hoped that many other photography enthusiasts will join with this nucleus in order that a constitution and by-laws may soon be drawn up.

Purpose of the proposed club will be to improve the caliber of photography of its members and to "learn by doing." It is also hoped that the club will eventually enter in photo contests with other Oahu clubs.

## Major Selection Board in Session

A board headed by Brig. Gen. John H. Masters met this week to select captains on active duty for promotion to major, Headquarters Marine Corps announced July 27.

The board, which is expected to be in session about three weeks, has been authorized to select 128 unrestricted officers, 17 LDO's, and eight SDO's for promotion. The unrestricted and SDO zone ends with Capt. Charles E. Kiser, number 365 on the 1960 Combined Lineal List. Captain James W. Wilson is anchor man of the LDO zone, with precedence number 25 on the LDO Lineal List.

### Col. Magruder

Continued from Page 1

gone extensive repairs. Planting of palm trees and widening of Mokapu road from the Main Gate to the broad curve added further beauty to K-Bay.

These are visible improvements but the vast majority of projects, such as repairs to steam and hot water lines, replacement of the underground power cable for Hilltop and Rainbow areas, are not visible to the eye but have brought direct or indirect benefits and conveniences to all K-Bayites.

### Rodeo Site

## Start Truan Arena Improvements; Construct 1,000 New Bleacher Seats

An extra 1,000 bleacher seats are being added to Truan Arena here at K-Bay to accommodate crowds anticipated for this year's three day Hawaiian Roundup and Rodeo scheduled for the Labor Day weekend, Sept. 3, 4, and 5.

The first annual Roundup and Rodeo held last year, drew 15,000 spectators in two days. This year's three-day event will be the first island rodeo given under the auspices of the Rodeo Cowboys Association, a national group composed of professional rodeo performers.

### NEW IMPROVEMENTS

New cattle pens are being built, as well as a new judges' stand. A new fence, using sawed off telephone poles for posts is also being constructed across from the chutes, to contain the fractious Brahma bulls used in the show. The fence, which was six feet high last year, is being raised to a height of seven feet.

## Roundup Cake Booth Volunteers Needed

K-Bay Navy Relief volunteer workers, headed by Mrs. Fran McMullen, are planning a cake booth for the forthcoming Hawaiian Roundup and Rodeo to be held Sept. 3, 4 and 5.

Additional volunteers are needed to bake the cakes, operate the cake booth on the rodeo grounds for a few hours, or act as block workers.

Volunteers for any of these tasks may get detailed information by calling Mrs. McMullen at 252-245. All proceeds from the cake booth will be added to Navy Relief funds.

### NEW STOCK

According to rodeo chairman Grover A. Godfrey, Jr., new stock has been purchased on the mainland for the Navy Relief benefit show. The new stock is expected to arrive in the islands in August.

### QUEEN ENTRIES

A queen and four princesses will be chosen again this year, and applicants should mail their entry to Horseman's Haven, 418-A Kuu- lei, Kailua, Oahu. Any girl up to 25 years of age, except a previous rodeo queen, may enter the contest, Godfrey said, but must be able to ride, and must wear western riding gear at the judging and at the subsequent roundup.

Judging will be on Aug. 14 at 3 p.m. at the Hawaiian Horseman's Association's Horsearama event at Saddle City, Waimanalo.

## STAFF CLUB

**TONIGHT**  
Happy Hour from 4 to 6 p.m.  
Dinner special: Seafood platter.  
**SATURDAY**  
Dance to the music of Jim Kyser and his orchestra from 9 p.m. to 1 a.m.

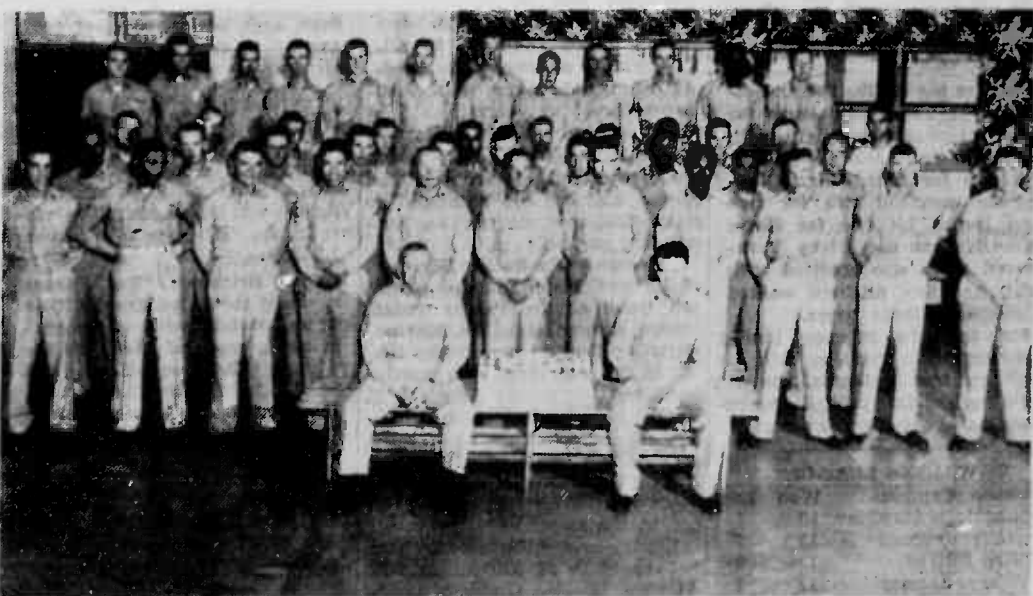

**SUNDAY**  
Dinner special: Swiss Steak.  
Adults \$1.50, children \$1.

**MONDAY**  
No scheduled activities.

**TUESDAY**  
Staff NCO Wives Committee meeting at 7:30 p.m.

**WEDNESDAY**  
Toastmasters meeting at 7:00 p.m.

**THURSDAY**  
Dance class at 8:15 p.m.

JULY BIRTHDAYS — Occupying the seats of the oldest and youngest to celebrate birthdays in July are AGySgt. N. L. Mull and Pvt. J. C. Menthes while the rest of 2/4's birthday celebrants look on wondering if there will be enough cake to go around. (Photo by ASSgt. G. L. Gill)

## ENLISTED CLUB

### TONIGHT

Happy Hour reigns and the hours go from 6 to 7:30 p.m., bring your friends and enjoy a popular dinner. By request your Club will offer that fabulous spaghetti and meatball dinner for one lonesome dollar. Bring your friends.

### SATURDAY

Tonight the Plainsmen will provide the musical phase of an enjoyable evening. Dancing starts at 8 p.m. but the juke box starts when you get there. The band will offer music that "twinkles" your toes.

### SUNDAY

A roast beef dinner and all the trimmings will be served today. Dinner will be served from noon until 9 p.m. For those who are interested in making an evening of it there will be a floor show starting at 8 p.m. The stars of the epic are from the well-known GINZA CLUB in Honolulu.

### MONDAY

While the name of the film remains unknown it is sure to be a thriller. It could be one of the best ever shown in the 50th State. Don't forget the Snack Bar is here for your convenience.

### TUESDAY

Tonight all the activity depends on you—for those attending the club there is the Snack Bar and TV room. Bring a friend, relax and enjoy an evening of comfort.

### WEDNESDAY

Movies tonight and seeing as how we are in the dark, you should be too. However, it should be a thriller as past films have always satisfied the viewers. Don't forget the Snack Bar is open for your convenience.

### THURSDAY

Well, tonight you have to dance to the juke box with your "ever loving" or give the Chef in the Snack Bar a busy time. We, the Management hope that you have an enjoyable evening.

JR. BOWLING

Children, 11-18, tryouts for Jr. League, Sat., 9 a.m.

H-M BOWLING

SPORTS *Windward Marine*

Army Wins Hawaii Inter-Service Golf Title; Marines 3rd

For the sixth straight year the Army won the Hawaii Inter-Service Golf Tournament. The eight-man soldier team beat out the Navy by 17 strokes in the 72-hole contest.

In the four-day competition, the Army carded 2,445 strokes, the Navy 2,462, the Marine 2,486, and the Air Force 2,630.

Army's Jerry Steelsmith replaced teammate Bob Ford as individual medalist in this year's contest. Steelsmith ended with a 288 while Ford and K-Bay's Al Greer tied for second place, each with 291. Despite the tie, Greer gave Ford the medallion prize.

Navy pro Buzz LeTourneau finished fourth with a 300.

Play in the Inter-Service Tournament began Tuesday on the Navy-Marine Course, moved to Schofield's Leilehua Wednesday, then to K-Bay's Klipper Course Thursday, with the final day's play back at Navy-Marine.

Greer's best day was spent on the Klipper Course when he carded a 67.

Here's a rundown on how the Marines shot in the four day tournament:

GREER: 74; 149, 216, and 291. R. WERNER: 78; 154; 228, and 307.

S. WHITTINGTON: 76; 155; 231, and 310.

E. K. ALLIS: 79; 156; 230, and 314

M. BUZZELLI: 78; 157; 235, and 319

R. LATIMER: 74; 154; 230, and 321.

E. BRUCE: 77; 158; 243, and 321.

M. J. FITZGERALD: 87; 181; 269, and 360

T. SPARKS: 78; 154; 241, and scratched. (When Sparks was scratched the final day due to injuries, R. C. Allen, alternate shot a 76 to bring the final score to 317).

K-Bay Indians Beat Red Sox in 10-7 Tilt

K-Bay's Indians defeated the Red Sox 10-7 last Sunday to get back on the victory trail in the Kailua Babe Ruth League.

Indian pitching honors were shared by Johnny McKee and Gerry Cody who allowed the Sox only four hits and walked two.

In the sixth inning the Indians caught the Sox on a double play. The play was Bucky Dupay to Pat Petko to McKee.

McKee led off the Indian battery department with three for four, followed by Wright with three for five. Johnny Chesley got two for four, Gary Glenwinkle managed two for five and Dupay hit two for three. Mike Keenan and Elcky Turnipseed were also credited with hits. Red Sox pitchers walked Turnipseed three times.

Indians scored in every inning, including three runs in both the third and fourth stanzas. The win over the Red Sox brought the Indians up to a 4-4 game record.

WAIHINE LEAGUE

Team	Captain	Won	Lost

3	Sue Van Beck	4½	15½

DOUBLE HOTSHOT—AGySgt. Michael Pietroforte at Camp Perry last week became the first and only shooter in history to be named to the nation's two most exclusive marksmanship clubs. He exceeded 2600 out of 2700 aggregate points with the pistol for the "2600 Club." The NRA also named Pietroforte to the newly-formed rifle marksman "250 Club." The latter has only six members. (Official USMC Photo)

MARINE MARKSMAN BECOMES MEMBER OF EXCLUSIVE CLUBS

A new era in the shooting world was opened at Camp Perry, Ohio, last Thursday. AGySgt. Michael Pietroforte became the first and only competitor to hold membership in both the most exclusive marksmanship clubs in the United States.

Pietroforte already belonged to the famous pistol shooters' "2600 Club." Then last week he was also named as one of six master riflemen who have fired a perfect score of 250 in competition with the shoulder weapon.

This makes the Marine "one of the most accomplished marksmen in target history," according to Frank Wyman, director, program division of the National Rifle Association.

Although the NRA formed the "250 Club" this spring, it did not inform members until the opening of the 43rd National Rifle and Pistol Matches last week at Camp Perry.

As a rifle competitor with the Marine Corps team, he holds the three most important national service rifle records open to Marine shooters. Pietroforte began concentrating on the pistol early this year and shot over the 2600 mark in June to qualify for a place on the coveted hand gun honor roll.

Place 450 Limit In Rifle Matches

A limit of 450 competitors was set by officials for the 1st Annual Inter-Service Rifle Championships held last weekend at Quantico. The action was necessitated after a deluge of entries from individual Armed Forces post and station teams were received.

Literally hundreds of entries were turned away by Match Headquarters due to limitations of Quantico range facilities.

Corps' Competition-in-Arms Reviewed

Results of the 1960 Marine Corps Competition-in-Arms are contained in Marine Corps Bulletin 3591 published July 11.

The program consisted of rifle and pistol matches fired in the Eastern, Western and Pacific Divisions and in the Marine Corps Rifle and Pistol Matches which ended June 11. In all, 24 separate matches were fired, 11 of which were won with record-breaking scores.

In these competitions, an excellent turnout of new shooters, and economical and efficient conduct of the matches all combined to make the competitions an outstanding success.

A recap of the Pacific Division Rifle and Pistol Matches fired on Oahu at the Puuloa Point range showed eight 1st Marine Brigade shooters among the top 25 in the individual rifle match.

Among these was ASgt. F. E. Hensel in second place and AGySgt. B. L. Harshman in third, each with a score of 579. A 3rd Marine Division shooter took first place with 581 to set a new record in the match.

Hensel and Harshman, each with a score of 579, along with AGySgt. E. G. Gunderson and 1st Lt. R. J. Maguire, also of the Brigade, with scores of 577 and 575 respectively, broke the old record of 574 set last year. A total

of 184 shooters competed in the match.

In the Pacific Division individual pistol match, the Brigade placed five shooters among the highest 16 scores. These included AGySgt. H. D. Levesque in fourth place and ASgt. A. Vitarbo in fifth, each with a score of 547. AMSgt. F. W. Chadwick of the MCAS team was ninth with 541.

Award winners in the 2700 aggregate included two Brigade shooters. AGySgt. B. W. Collier, in the "A" class, placed third with a score of 2528. ASgt. A. Vitarbo, was the second place winner in the "B" class with a score of 2490.

The Brigade's "Red" team captured the Lloyd Trophy Rifle Team Match with a record-breaking score of 1160. On the winning "Red" squad were 1st Lt. R. J. Maguire, AGySgt. E. G. Gunderson, AGySgt. B. L. Harshman and ASgt. F. E. Hensel. AGySgt. M. C. Lange was the coach of the winning team that broke the old record of 1092.

Although the 1st Marine Aircraft Wing's "Red" team took the Shively Trophy Pistol Team Match with a new record of 1110, the Brigade's No. 2 team came in second with 1094 to also pass the former mark of 1092. The Brigade's

Perry Pistol Matches Attract 112 Marines

Marine pistol marksmen began sighting in on the "big money" Monday at Camp Perry, Ohio, at the start of the 1960 National Pistol Matches.

Slimmed to a final 35, the Marine Corps Pistol Team is competing with some 2151 military and civilian shooters for top honors. In all, 112 Marines, including reservists, post and station representatives and other individual competitors, are entered in the pistol phase of the meet.

Capt. Thomas R. Mitchell, Marine Pistol Team captain, predicted a good showing by his handgun experts.

"We've brought to Perry this year the strongest team—in depth—in my experience," he said. "We haven't a lot of big names, but we have 13 Marines who shoot in the 2600's, just for a start."

Enroute to Perry, the Marine Pistol Team competed in three matches, including the Perry warm-up competition at South Bend, Ind. 1st Sgt. R. O. Jones of the Marksmanship Training Unit, San Diego, set a new national record for the center fire-time at South Bend with a possible 200x200-18x.

The record was previously held by ASgt. L. D. Hauseman of the same unit. He fired a 200x200-17x in San Diego last year.

Expected to number just over 100, the Corps' rifle team is scheduled to arrive at Perry next Friday. Major high-powered rifle competition begins Thursday, Aug. 18.

Marine infantry trophy teams are expected to arrive at Perry from Quantico about Aug. 20. The Infantry Trophy Match will be conducted Aug. 28, the final day of the 1960 "world series of shooting."

AKU Marines

By RON HAMILTON

To start off with, Joe Blackshaw won the individual trophy in the recent inter-service scuba diving contest here by spearing a 29½-inch ulua.

LIFE MAGAZINE, in the July 11 issue, carries an excellent article on sharks that should be of interest to all members, especially J. D. Douglas and F. D. Bennett.

AMSgt. Billy Nelson is again the president of the Aku Marines. He replaces ASgt. H. E. Dowling who had to resign because of his wife's illness. All Aku's wish Mrs. Dowling a speedy recovery.

The Aku Marines meet every Monday at 7:30 p.m. in the Aku Marine club house near the boat dock. Because the Club is sponsored by Special Services, there are no dues or fees.

At present there are 57 active members in the Aku Marines. Guests are welcome to attend the meetings.

Hoover, Savas Plan P.H. Bowling Show

K-Bay Marines and their dependents have been invited to attend an All-Star Bowling show Monday at Pearl Harbor's Bloch Arena bowling alley. Starting time is 6 p.m.

Dick Hoover and Al Savas of the Falstaffs St. Louis Bowling Team will highlight the kegler show.

Hoover, heralded as the "Boy Wonder" of bowling because of a tremendous 847 series he rolled at the age of 16, is a two-time Masters Champion and former National Match Game title holder. His tournaments, exhibitions and TV appearances have netted him more than \$100.00.

Al Savas, who joined the Falstaffs in 1959, has rolled 21 "300" games. Seven of these games were in sanctioned competition. Last year he was the individual sensation of the Bowling Proprietors Association of America Tournament, averaging 214 in the eliminations and 234 in the finals.

500 Marines Aid Shooters

More than 500 Marines at Camp Perry, Ohio, for the 1960 National Rifle and Pistol Matches are doing just about everything but shooting.

A composite organization from Camp LeJeune, N.C., the Marine range battalion, has assumed a major share of the support for this year's biggest marksmanship event.

A self-sufficient unit, the battalion has the primary mission of providing rations and emergency support for all Marine, Navy, and Coast Guard shooters, regulars and reserve. The Marines man one 99-target rifle range, two 100-point pistol ranges, and a small-bore range.

Additionally, the battalion is providing military police to man the main gates and critical traffic points. Three Marines are in a sea-going status. They are the crew on an assault craft which patrols the impact area in Lake Erie just north of the firing ranges. Their job is to warn off stray civilian craft entering the danger zone.

# MCAS L-L ALL STARS BEAT KANEHOE, 5-0

It was a grand day at K-Bay Wednesday. It was a day the sun shone. It was a day the Station Little League All Star defeated the All Star team from Kaneohe town 5-0.

Standing-room-only crowds watched the thriller as K-Bay pitcher Dusty Rhoades hurled against the opposition in big league fashion, keeping the enemy hitless until caught by a blooper single in the top of the sixth.

The victory placed the K-Bay nine a giant step closer to its dream of playing in the Little League "World Series" at Williamsport, Pennsylvania. If they can win the next two games on the island it will mean a trip to the Keystone State and the thrill of a lifetime. If they lose a game, they will be out of the running in the "sudden death" All Star playoffs.

In the Wednesday victory at K-Bay's Jerry Coleman field, the first run for the Station Little League All Stars came in the bottom of the third inning as Rhoades scored on Tommy Sheehan's sacrifice.

The single tally whetted the appetites of the K-Bay nine as they took over the big action of the game in the following inning. With two Marine Little Leaguers out, Jimmy Prince, with two strikes against him, connected for a double.

Rhoades came to bat. It was one-and-one on the K-Bay pitcher. Then he hit the ball over the fence to blast his 19th home run of the season, to make the score 3-0.

The K-Bay fans cheered, thinking this was enough to clinch the game and make the local nine happy with this victory insurance. As it turned out the Marine rooters were in for more of a treat.

It was still the fourth and still two outs. K-Bay Little Leaguer Bruce Williams tapped one and got to first on an error charged to

the first baseman. Next man up was Phil Buzzelli, who had been giving Rhoades a run for the money in batting averages all season.

Young Phil didn't waste any time. He took the first pitch and put the ball over the right field fence for the round trip, and of course scoring Williams with it. It was Phil's sixth homer of the season.

Jim Delaney was downed by the Kaneohe pitcher to make the final out of the fourth inning. The fifth inning saw the locals get no hits and no runs.

There was a happy team as Rhoades put the finishing touches on the game in the sixth by putting the last visitor away. Rhoades had pitched a one-hitter, backed up by an All Star team that lived up to its name with errorless play.

In addition to the players and the Marine fans, two of the happiest people at K-Bay Tuesday were Maj. E. R. Reid and MSgt. Lee R. Wortham, manager and coach of the L-L All Stars.

Tomorrow, Saturday, the local nine take on the Wailua All Stars to decide the champions of the L-L District 1. The game will be played at 2 p.m. in Kaneohe town at the City Recreation Park (turn left at the Bank of Hawaii). All are encouraged to attend to cheer the K-Bay All Stars on to another victory.

The winner of tomorrow's game in Kaneohe will play the victors of the Districts 2 and 3 game for the Pacific Regional Championship.

Winners of the Regional Championship game, slated Aug. 13, will go to Williamsport.

## Bob Gutowski Killed

1st Lt. Bob Gutowski, official holder of the world outdoor pole vaulting record, was killed in a head-on automobile collision Tuesday at Camp Pendleton. A Marine was also killed in the second car during the Las Pulgas Road accident.

## 'General's Perpetual Trophy' Goes To Service Battalion on 248 Points

At a banquet in Messhall No. 2 July 28, Service Battalion was awarded the "General's Perpetual Trophy" by BrigGen. R. G. Weede 1st Marine Brigade commander. LtCol. G. E. Glick, ServBn CO., accepted the trophy for his unit which scored a total of 248 points to win the honor.

Points were compiled through intramural competition in basketball, rifle and pistol and softball. Second place honors went to 3rd Battalion, 12th Marines with 197 points, while 1st Battalion, 4th Marines was third with 188 points.

ServBn garnered its winning total with 70 points in basketball, 68 in rifle and pistol competition, and 110 in softball.

Col. Glick also accepted softball, basketball and rifle plaques for his battalion. Col. William G. Thrash, Marine Aircraft Group 13 CO., presented the plaques.

LtCol. C. H. Moore, MCAS executive officer, presented the pistol plaque to LtCol. P. H. McArdle 1/4 CO., for his unit's top shooting.

"Coach of the Year" awards went to Capt. C. E. Kilduff of ServBn (softball) and 1stLt. P. Kieselbach (basketball) of Marine Barracks, Pearl Harbor.

Col. J. W. Antonelli presented certificates of achievement to members of the softball and basketball "All Star" teams.

Softball All Stars were: Pfc C. W. Wise (MAG-13), pitcher; Cpl. R. Lane (1stRadioCo), catcher; 1stLt. D. P. Smalley (3/12), 1st base; Pfc. J. Diaz (MB, PH), 2nd base; Capt. T. K. Jefferson (Serv-

Bn), short stop; ASgt. R. F. Lombrek (ServBn), 3rd base; Pfc T. D. Gallagher (3/12), right field; ASgt. D. F. Santenello (MAG-13), center field, and Pfc. C. R. Legg (ServBn), left field.

Named to the All Star basketball team were: 1stLt. P. J. Kieselbach (MB, PH); Pfc R.W. Kocot (MB, PH); Pfc. R. W. Kocot (MB,PH); ACpl. L. Hamilton (MAG-13); Pfc. D. Albrecht (3/12), and Pfc. W. H. Barrett (1/4).

Maj. R. A. McMullen, Brigade Special Services Officer, was toastmaster of the event at which nearly 275 attended.

## Aku Marines Claim Shark Incident Actually Happened; No 'Fish Story'

Members of K-Bay's Aku Marines, a skin diving club, report that the following incident actually took place; they say it is not a "fish story."

Last Saturday eight members of the club boarded their boat, "The Aku," for a skin diving session. Because the water was too rough in their normal K-Bay diving areas, they anchored in calmer waters near Coconut Island.

Two members, ASSgt. F. D. Bennett and LCpl. J. D. Douglas, went into the water with their face masks to make qualification dives.

From the surface, Douglas spotted a shark about 10 feet

## H-M KEGLER ENTRIES DUE TODAY AT 4

All K-Bay entries in the 1960 Hawaii Marine Bowling Tournament must be turned into the bowling alley office by 4 p.m. today. The deadline had been extended from Wednesday to give as many qualified bowlers as possible an opportunity to enter.

As of Tuesday afternoon, 50 local bowlers had signed up for the tournament.

The Tournament will be conducted next Monday, Tuesday, Thursday and Friday, beginning at 6 p.m. at the K-Bay alleys. Marine bowlers who are not stationed at K-Bay will bowl on the same days on the Camp Smith alleys.

All K-Bay lanes will be closed at 5:30 p.m. on tournament days in order that they may be readied for the competition.

No handicaps will be authorized for the tournament. The contest will be a singles and doubles event with contestants bowling a total of 12 games each.

Winners in the singles events will be determined by the total pinfall for 12 games. The doubles winner will be determined by the combined totals for 12 games of the two persons comprising the doubles team.

Suitable awards will be presented for winners of the singles flights and the doubles event.

## RIFLE - PISTOL CLUB

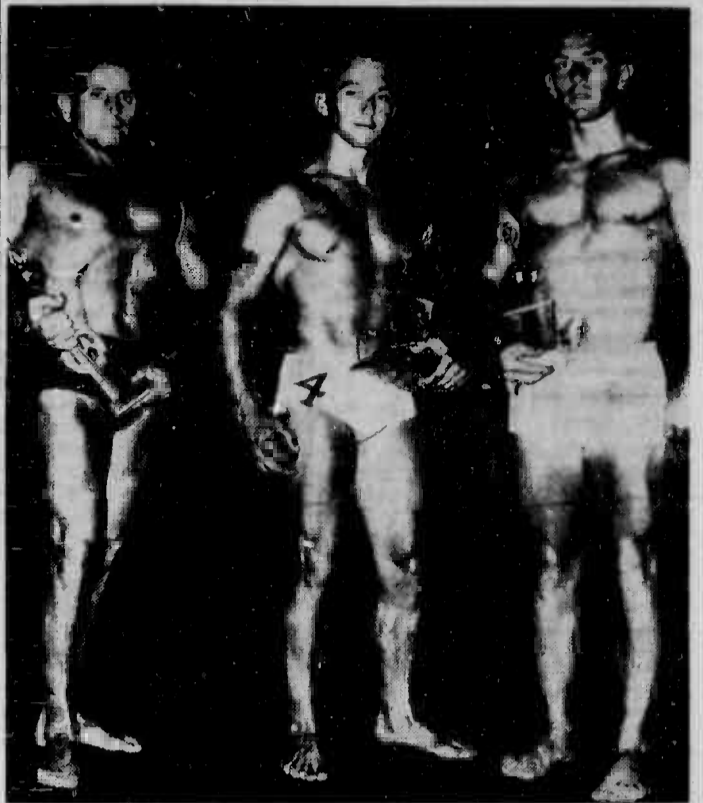

The next meeting of the Kaneohe Marine Rifle and Pistol Club will be held Tuesday in the club room, Bldg. 575, at 7:30 p.m. It is requested that all members be present if possible, as one of the major items on the agenda is of personal interest to each member.

The Club wishes to express its appreciation for the outstanding cooperation given to the recreational shooters by the permanent range personnel. Without their kind assistance, our task as sponsors would be extremely difficult. Thanks are also extended to the hospital corpsmen who always patiently stand by.

Last Saturday the pistol range had a shooter on every target and some big bore shooters were also out. This is the type of participation we would like to see every Saturday. Remember, shooting goes from 1 to 4 p.m.

The NRA-sanctioned classification program now being advanced by Capt. Cain is the one good opportunity to get classified without having to enter a big match. Capt. Cain will be pleased to mark and certify targets any Saturday afternoon during recreational shooting.

Shooters' thought for the week, "Well, Coroner, he looked like a goat!"

MR. ARMED FORCES—Cpl. Jack Solgat (center) of MAG-13's VMA-212 was named winner of the "1960 Mr. Armed Forces, Hawaii" contest recently held at McKinley high school auditorium in Honolulu. Boatswain Mate IC Edward S. Karwoski of 14ND Staff Headquarters was second while Pfc Joseph Fiegel (right) of the 1st Marine Brigade's Pioneer Co. was third. The annual contest is held to choose the best physiques in the Armed Forces of Hawaii. (Official USN Photo)

## HAWAII NINE AT CAMP LEJEUNE FOR ALMAR BASEBALL TILTS

By SGT. BILL STUCKEY  
The Hawaii Marines Baseball Team climaxed its 1960 season on the same step as they started; losing to the SubPac Raiders at Millican Field.

Saturday night the Leathernecks were trounced by the Submariners, 6-0, after having defeated the Hickam Flyers the preceding night 11-3.

Last Sunday evening the entire contingent, comprising this year's runner-up to the Hawaii Major Baseball League Title, boarded a plane at NAS, Barber's Point and winged out for Camp Lejeune, N. C. On Tuesday they will participate in the 1960 All-Marine Baseball Championships at the North Carolina base.

Camp Lejeune, last year's winner when the tourney was held here in the 50th state, will reign as the heavy favorite for the double-elimination meet which will also see MCRD, San Diego, Calif., battling for the top spot in U.S. Marine Corps baseball.

Listed as the dark-horse however, of this event will be our own Hawaii Marines.

Winner of seven of their last eight engagements the local 'Necks, upon leaving the isles Sunday for the East Coast, were in the peak physical and psychological condition needed to win an event of such tremendous importance.

MARINES 11, HICKAM 3  
Friday evening at Hickam it was the case of the untested and untried hurlers.

Tom Mazzolini, Marine pitcher, was successful in his initial start-

ing assignment while Stan Murata and Tiny Harrison felt the power of the Leatherneck bats throughout the two-and-a-half hour contest.

The locals clubbed starter and loser Murata for four runs in the first in one-third of an inning, and hanged his reliever Harrison for three more in the second to breeze to an 11-3 victory.

Mazzolini, making his first start of the campaign, scattered nine hits in going the route. He was touched for a solo homer by pinch-hitter Frank Daniels in the sixth. Dick Young, star infielder for the 'Necks, drove in three runs on a pair of singles and a two-run blow in the second.

SUBPAC 6, MARINES 0  
SubPac ended the Marines' 1960 season on a dismal note by whipping the locals, 6-0, Saturday at Millican Field on the four-hit hurling of Jerry Burcher.

The victory gave the champion Raiders a 9-3 series edge over the Leathernecks, last year's league champion.

Burcher notched his eighth win against one loss in scattering four hits.

SubPac scored twice in the third on Jim Tracy's two-run single and knocked out Marine starter Bob Wolfenden in the fifth with three runs.

## 72-Hole Tourney Begins Saturday

The 72 Medal Play Championship, with full handicap, gets underway tomorrow at the K-Bay Course.

According to Maj. B. E. Rouché, tournament chairman, this contest is a good one for people to see just how their handicaps will hold up over a period of 72 holes.

Competitors will have an opportunity of winning one of six trophies. Awards will be made for the best low gross, as well as the five best net scores.

The 72 holes must be played before August 31 and each round is to be played with another member who is an entrant.

Entrance fee for the 72 medal play tournament is \$2.

## Lady Keglers

By LOUISE OGDEN

Here are the standings midway in the Staff NCO Wives Handicap TEAM—(CAPTAIN) W L Bowling League.

Go Getters	(Evelyn Trexler)	16	4

Go Fours	(Louise McIntyre)	10	10
Browns	(Edna Sparks)	8	12
Untouchables	(Delorice Clapsaddle)	7	3
High Lights	(Jean Tucker)	6	14

# Money Business: K-Bay's Credit Union

Interested in money? If so, K-Bay's Federal Credit Union demands attention whether you are a potential investor or whenever you seek a loan.

Staunchly secure financially, the Credit Union is authorized by the Department of Defense and approved by Headquarters Marine Corps and the Station commanding officer.

On the investment side, the Credit Union's dividends have averaged five per cent per year for the past 18 months, a rate higher than most savings institutions.

On the loan side, interest is one per cent per month on the unpaid balance of the loan. Investors, with enough shares deposited to cover the amount of the loan, pay only 3/4 of one per cent interest. Both rates challenge comparison with commercial institutions.

### ACCOUNTS

A look at the figures reveals that 1,607 K-Bayites have savings invested in the Credit Union totaling \$250,855.68. There are 964 loan

accounts outstanding totaling \$311,028. To meet the demand for loans, the Credit Union borrowed \$70,000 from another Federal credit union.

It is obvious from the figures that it takes a ratio of two investors for each borrower to keep the local credit union balance—that is, have enough investors to meet the local demand for loans.

Most loans are for short terms, from six months to a year for repayment. Generally, about \$100,000 per month revolves through the Credit Union bank account.

During 1959, K-Bay's Federal Credit Union processed 1,333 loans with a value of almost one-half million dollars. Loans made since the Credit Union was established in March 1953 add up to \$1,566,858.

### HOURS

Located in Bldg. 290 near the Station Medical Department, the Credit Union is open from 9 a.m. to 2 p.m. on Monday, Tuesday, Wednesday and Friday;

from 9 a.m. to 5 p.m. on Thursday. It is closed on Saturday.

All K-Bay military personnel, Federal employees and members of their immediate families are eligible for membership in the Credit Union.

### SAVINGS

Opening a savings account is a simple matter, very similar to opening a bank savings account. The potential new member may open an account by depositing \$5, the value of one share. There is a 25 cent membership fee whenever a new account is opened.

### LOAN APPLICATIONS

To open a loan account, an individual must first join as a shareholder of at least one share. Then the following steps must be taken:

- Submit loan application on the form furnished by the Credit Union.

- Loan application is then reviewed, information checked and verified for accuracy.

- Application sent to Credit Committee or loan officer for approval.

- Through his parent unit, the individual then sets up an allotment for repayment. Repayment schedule includes a \$5 addition to be paid into a savings account.

- Allotment request is delivered to the Disbursing Officer who notifies the borrower when the allotment has been registered. The individual then notifies the Credit Union that the allotment has been approved.

- Final papers are completed and signed. Checks are made out to the company or activity designated by the borrower.

### MISCONCEPTIONS

Individuals making loans for the first time are often concerned about the detailed investigation of their financial background. Many do not understand that K-Bay's Federal Credit Union operates only with funds deposited by K-Bay investors, no government funds are involved. All investigations are made to insure that the borrower has the ability to repay the loan and has a record of financial responsibility.

All loans carry free life insurance protection which pays them in full in the event of death or total disablement of the borrower. Investors also receive free insurance protection up to the value of their deposits or \$1,000.

Since loan volume is greater than current Credit Union ability to meet requests, loans on cars over five years old will be curtailed.

Requests for loans to be used as leave funds will also be curtailed. Approval will be granted to members with half of such amounts deposited in a Credit Union savings account. To meet this requirement, now is the time to plan and save for Christmas leave.

### LOAN LIMITS

In a general policy established by the Credit Committee, pay grades E-1 and E-2 may borrow up to \$300 with repayments up to \$30 per month; E-3 and E-4 may borrow up to \$750 with repayments up to \$50 per month; E-5 and above have no loan limit with repayment up to \$100 per month.

Loans may be made for consolidation of debts, to buy goods or services on time, or for emergency expenditures providing such loans meet requirements and are approved by the Credit Committee or the Loan Officer.

K-Bay's Federal Credit Union is governed by a board of seven directors elected yearly by Credit Union members during their annual meetings generally held in January. The Credit Committee, currently consisting of five members, are elected at the same time.

CREDIT COMMITTEE REVIEWS LOAN APPLICATIONS  
Sgt. Maj. E. E. Hawkins, Thomas Tam, Mrs. Belle Anderson

## THEATER SCHEDULE

NOTE: Show Times at Theater No. 1 are 6:05 and 8:20 p.m. daily. Only one feature will be shown at Theater No.2 at 7:30 p.m. daily. Matinees begin at 1 p.m. on Saturday and Sunday at Theater No. 1 only.

### TONIGHT

THIS REBEL BREED—Starring Mark Damon. No story plot available but the flick is rated as excellent, for adults only. Running time is 92 minutes.

### SATURDAY MATINEE

THE ROOKIE — The relatively new comedy team of Tommy Noonan and Pete Marshal are drafted into a zany farce of army protocol and training for their film debut. It's in CinemaScope and runs for 85 minutes. Also selected short subjects.

### SATURDAY

OPERATION PETTICOAT—The "Pink Submarine" and her officers, Cary Grant and Tony Curtis, welcome you aboard for a mirth-filled two hours of laughter. Curtis, the supply officer, manages to procure any and everything, including five stranded Army nurses from a Pacific Island. Rated excellent for the entire family.

### SUNDAY MATINEE

APRIL LOVE—A sure hit with the teen set starring Pat Boone and Shirley Jones. It's in CinemaScope, runs 99 minutes with selected short subjects. If you're young in heart and haven't seen this yet, now is a golden opportunity.

### SUNDAY

GIANT OF MARATHON—Steve Reeves of Hercules fame, plays Phillipides, an Athenian Olympic champion who embodies pride, strength and intelligent nationalism to help defend his country. The film is rated good for the entire family. Running time is 88 minutes.

### MONDAY

MONSTER OF PIEDRAS BLANCAS—The only information available on this epic is that the

star will be L. Tramayne. Running time is 86 minutes. There will be short subjects. No rating or recommendation on the feature film.

### TUESDAY

GUNS OF TIMBERLAND—While no rating is available, Alan Ladd can always be depended upon to turn in a stirring performance. Running time for this celluloid western is 91 minutes. Recommended for youths and adults.

### WEDNESDAY

BIG NIGHT—Diek Foran and Randy Sparks take the lead in this fun-maker. Running time, including the short subjects will be 72 minutes. Recommended for youths and adults.

### THURSDAY

THE GAZEBO—While there was no review at press time it has come via the grape vine that this is an exciting adventure. Glenn Ford takes the lead in this flick that will run for 101 minutes. Recommendation: Adults and youths.

## Improved Marker Developed for Pilots

Downed-pilots who have watched their dye markers more or less evaporate before their eyes in a matter of minutes, should be heartened at a recent announcement by a New York chemical firm.

According to the statement, a new fluorescent marker dye which lasts up to 24 hours has been developed for rescues at sea.

A similar type of marker has been in use for some time, but it lasts only a few minutes. The new dye is contained in tiny particles of wax that will not dissolve in water and, therefore, last for a longer time.

LOAN OFFICER MRS. BELLE ANDERSON Assists New Member in Filling Out Forms

## Coast Guard Boarding Program To Enforce Federal Boating Laws

The Coast Guard motorboat boarding program was intensified beginning last Monday according to an announcement from the 14th Coast Guard District Honolulu office.

The purpose of the program is to promote boating safety through compliance with Federal laws.

Boarding officers will issue citations to motorboat operators who have failed to apply for boat numbers in accordance with the new Federal Motorboat Registration

System which went into effect April 1 of this year.

The new law requires all undocumented motorboats of over 10 horsepower (including outboards) to obtain a Federal registration number. Applications may be obtained from any first or second class Post Office.

Additional information may be obtained by calling the 14th Coast Guard District, 58831, extension 455.

MAC TO MAG—Maj. R. A. McMullen, Brigade Special Services officer, reported Aug. 1 to MAG-13's operations office for duty. The infantry officer, shown here bidding a fond farewell to his old job, is being assigned duty with the Air Group under the Brigade officer exchange program. Maj. N. E. Brown has been named as the new Brigade SSO.
