SAFETY CORNER

Welcome Back From Holiday Break/Exodus

by James Zillweger,

82nd Training Wing Safety Office

As we welcome in the New Year let us take a moment to think safety. Winter has finally arrived here at Sheppard and if you had problems driving in the snow/ice maybe it's time to check your vehicles tires. Do they have adequate tread? In addition, do you have any emergency items stored in case you get stuck? Something warm to cover up with, water, maybe a couple of nutrition bars. What about maintenance...is your vehicle fully road worthy? What type of fluid do you put in your window washer reservoir? It should be freeze proof in the winter otherwise, it could damage your car and not be available when you need it. Let us be safe out there and here's to a great 2019!
