CAMP LEJEUNE GLOBE

OL. 17 CAMP LEJEUNE, N. C., THURSDAY, FEBRUARY 9, 1961 NO. 6

Exchange To Feature New Display Area

A combined Hardware and Sporting Department will open tomorrow at the Marine Exchange. This new offering is being provided due to the increased demand for articles of this type. According to Master Sergeant H. R. Brown, store manager, the new department is opening to provide more convenient and efficient increased display space for sporting and hardware goods.

The hardware and sporting goods department will be located in the rear of the Houseware Department. Cash registers will be provided for this self-service department to insure quick service.

Guns, lures, decoys, reels, tackle boxes, camping equipment, athletic gear, archery, water sports, golf equipment, and tennis gear, are some of the types of equipment that will be available. The general sections under which equipment can be purchased in the hardware section are: lawn and garden, paint, ladders, brushes, hand tools, and home hardware. MSgt. Brown said that there had been a 35 per cent increase in equipment offered in the Hardware section.

There will always be attendants on the floor, but on opening day there will be a factory representative from the various companies which have equipment in this department. They will answer questions and further assist the customers. Another opening day special will be reduced prices on baseball and tennis equipment.

Col. Lucas Receives Orders; New G-4 Is Col. Atkinson

Col. Albert F. Lucas, Base Assistant Chief of Staff, G-4, since July of 1959, leaves Camp Lejeune Feb. 12 for duty with the 3rd Marine Division on Okinawa. Col. William H. Atkinson, present commanding officer of Marine Corps Engineer Schools, Courthouse Bay, will replace Colonel Lucas this month. Lt. Col. D. V. Nahrgang will assume command of the Engineer Schools. He is currently assigned as the Schools' executive officer.

Colonel Lucas came to Camp Lejeune in July, 1959. Before being assigned to the logistics post he was commanding officer of Headquarters Bn., MCB, for one year. During his former tour at Camp Lejeune he served for three years with the Second Combat Service Group, now redesignated Service Regiment.

During World War II, he served with the Third Amphibious Corps at Guadalcanal, New Georgia, Peleliu, Guam and Okinawa, and with Occupational Forces in North China. He won the Bronze Star Medal and two Navy Commendation Ribbons during these engagements.

Colonel Atkinson is from Tuscaloosa, Ala. A combat veteran of Guadalcanal, Russell Islands, New Georgia and Okinawa, Atkinson wears among his decorations the Bronze Star Medal, the Navy Commendation Ribbons and the Navy Unit Citation Ribbon.

Argentine CMC Observes Camp Activities On Visit

A nine-gun salute welcomed the Commandant of the Argentine Marine Corps, Contraalmirante (Rear Admiral) Guillermo Perez, to Camp Lejeune Monday. The admiral was accompanied by Capitan de Navio (Captain) Jorge Collaso, Director of the Argentine Marine War College, and U. S. Marine Corps Col. T. A. Culhane from Headquarters Marine Corps.

Dental Week Participation Active Here

Children's Dental Health Week is being actively observed here this week, marking the second straight year Camp Lejeune has participated in the national observance.

Maj. Gen. R. B. Luckey, commanding general of the Base, officially opened the campaign by issuing a proclamation Feb. 1, calling on all parents and school children to participate in children's dental health observances during the week of Feb. 5-11. Capt. C. T. Pridgeon, Base Dental Officer, and a group of volunteer dental officers are responsible for the local activity.

Captain Pridgeon and his volunteers this week are visiting all classrooms of Camp Lejeune schools to speak to the students and demonstrate the need for dental health.

Highlight of the week's activities will be free dental check-ups for all children of Camp Lejeune personnel to be conducted Saturday from 8:30 to 12 noon at Bldg. 15, Hadnot Point, and Bldg. M128, Montford Point. Captain Pridgeon said every child who reports to the dispensary will be examined and recommendations for care and treatment, if necessary, will be made to the parents. He pointed out, however, that no dental work will be accomplished during the examinations.

Featured throughout the schools this week was the opening of the special essay and art contest in conjunction with dental health. Cash prizes, donated by the Officers Wives Club, will be awarded to the first four place winners in the essay contest as well as in the

The admiral is visiting this country to observe military training, supply and service activities and the latest tactical and organizational concepts. He departed for the Marine Corps Air Station, Beaufort, S. C., yesterday.

Admiral Perez was met at the Marine Corps Air Facility Monday morning by Maj. Gen. Robert B. Luckey, Base commander. The dignitaries were then held-lifted to the Hadnot Point Parade Ground for the honors ceremony. A briefing by the Base staff followed and then the party departed for the Marine Corps Supply Schools at Montford Point.

Following a short briefing and a luncheon hosted by General Luckey and Col. Richard Quigley, MCSS commanding officer, the group began a tour of school activities. The admiral first toured the Food Service School and witnessed the operation of a mobile field bakery by MSgt. H. H. Frie, the NCO-in-charge.

A tour of a Motor Transport School classroom preceded the trip back to Hadnot Point and a tour through the 2nd Force Service Regiment. Utilizing 2nd FSR's VIP tractor train, the admiral and his party toured the many supply and maintenance facilities in the Industrial Area.

The admiral concluded the first day's visit with lectures and demonstrations by the staff of the Naval Field Medical Research Laboratory. Tuesday, the admiral was a guest of the 2nd Marine Division. He witnessed a firing demonstration by a 106mm recoilless rifle team from the Sixth Marines, demolitions demonstration by the 2nd Pioneer Battalion and observed firings of the 3.5" rocket launcher and the 4.2" mortar. The day's activities ended at the NCO Leadership School at Montford Point.

Escort officer for the admiral and his party during their stay at Lejeune was Lt. Col. L. M. Rogers, assistant Base Special Services Officer.

Joint Crusade Drive Begins Final Session

The Federal Services Joint Crusade, second phase of a two-part drive being conducted here, began this week on the heels of the National Health Agency Campaign.

Prior to payday next week, just like last week, envelopes will be distributed to every military and civilian man and woman at Camp Lejeune and a contribution to the Federal Services Joint Crusade will be asked of them.

The Federal Services Joint Crusade is conducted in behalf of three international welfare agencies: the American-Korean Foundation, Radio Free Europe, and CARE.

The oldest of the three agencies is CARE, a non-governmental, non-profit organization that collects food and other necessities for distribution to the hungry and underprivileged throughout the world.

Radio Free Europe transmits around-the-clock news, educational and entertainment programs to about 79 million people behind the Iron Curtain.

The American-Korean Foundation helps millions of South Koreans obtain food, shelter and clothing.

CONTRIBUTION—Maj. Gen. Robert B. Luckey, commanding general, Marine Corps Base, presents Camp Lejeune's first contribution for the National Health Agencies to Mrs. James Willis, chairman of the Onslow County coordinating committee, during ceremonies in the general's office last week. Mr. Carl Milsted, treasurer of the civilian committee, looks on. (Photo by Cpl. R. I. Lappeus)

FIRST SKIPPER—Lt. Col. H. I. Dunlap, Capt. R. R. Anderson, MSgt. Louis LeBlanc, Capt. H. I. Hart, left to right, and Maj. Gen. Clayton B. Vogel, USMC (Ret.), talk over "old times" during festivities on the 2nd Marine Division's 20th anniversary here last week. General Vogel activated the Division at San Diego, Calif., on Feb. 1, 1941, and was the unit's first commanding general. The officers and men were serving in the unit on the day the Division was activated and are currently serving in the Division at Camp Lejeune.

Former Commanders Return For Division's Anniversary

Seven former 2nd Marine Division commanding generals reminisced here last week as they participated in the Division's 20th anniversary celebration on Feb. 1. Included in the day-long schedule of events was a parade by more than 15,000 Division troops, a luncheon with the present commanding

Corps Winner To Take Post As President

Marine Medal of Honor winner Luther Skaggs Jr. was elected president of the Congressional Medal of Honor Society of the United States during its recent national conclave in Washington.

Mr. Skaggs, now the budget officer with the Armed Forces Supply Support Center in Washington, will serve as the society's fourth president. He is the second Marine to hold the post. The other is the present Commandant of the Marine Corps, Gen. David M. Shoup.

The Medal of Honor was awarded Mr. Skaggs for his "heroic example of courage and fortitude to other men" during the battle for Guam in July, 1944. Although critically wounded by an enemy grenade which exploded in his foxhole, he continued to defend his vital position through the night and sought medical aid only after the enemy had been wiped out in his area. He lost a leg as the result of the wound.

Discharged from the Corps in 1946, he was employed for several years as a contact representative with the Veterans Administration in Philadelphia, Pa. He then transferred to the Department of Defense with which he has held various positions for the past 12 years.

Prior to being elected to the top post, Mr. Skaggs served as secretary-treasurer of the distinguished society. He has also served as a regional vice-president.

general, Maj. Gen. James P. Berkeley, and a demonstration of the Division's role as a force-in-readiness with a display of weapons on the parade ground.

Attending the ceremonies as guests of General Berkeley were: Maj. Gen. Clayton B. Vogel, the Division's first CO (Feb. 1, 1941-Oct. 31, 1941); Lt. Gen. Julian C. Smith (April 29, 1943-April 9, 1944); Lt. Gen. Thomas E. Watson (April 10, 1944-June 21, 1945 and July 20, 1946-Dec. 31, 1947); Gen. Franklin A. Hart (Feb. 2, 1948-June 29, 1950); Gen. Edwin A. Pollock (Dec. 11, 1951-Aug. 14, 1952); Lt. Gen. Lewis B. Puller (July 13, 1954-Feb. 7, 1955); and Lt. Gen. J. C. Burgen (July 2, 1957-Oct. 23, 1959).

Joining the visiting former commanders for ceremonies were Maj. Gen. Robert B. Luckey, commanding general, Marine Corps Base, Cherry Point; Brig. Gen. Leonard F. Chapman Jr., commanding general, Force Troops; Brig. Gen. Odell M. Conoley, assistant Division commander, and Col. J. R. Little, commanding officer, Marine Corps Air Facility, New River.

The day's initial festivities began on the Camp parade ground. With the former Division commanders at attention in front of the reviewing stand, the massed troops carried out the manual of arms. Following this, the generals boarded a specially designed jeep and trailer and reviewed the troops.

Next, General Vogel, assisted by General Berkeley, presented the 2nd Marine Division Association Drill Trophy to Capt. Frank Zimolzak, commanding officer of "C" Co., 1st Bn., Eighth Marines.

The trophy is awarded annually to the Division company of battery exhibiting over-all excellence in drill. "C" Co., 1st Bn., Eighth Marines, was judged this year's winner by a panel of field grade officers and senior staff NCO's at an intra-Division contest on Jan. 26.

After the massed colors had been presented to the reviewing officers, the 2nd Marine Division passed in review. The command of "eyes right" echoed time and again as each unit passed the reviewing stand and saluted the men who had led the "Follow Me" Division throughout its glorious history.

Following the parade, the entire Division enjoyed a birthday dinner with cake and ice cream. In honor of the occasion, General Berkeley declared "holiday routine."

Headquarters Gives Time Statistics For E-7 Gunnys

Average time-in-grade figures used by the Gunnery Sergeant (E-7) selection board which completed its findings in December, 1960, were released last week by Headquarters Marine Corps. The board was guided by the Commandant's desire to promote the most senior Marines in each occupational

art competition.

First prize winners in each contest will receive \$10 cash. Three other prizes will be awarded in each contest—second place, \$7.50, third place \$5, and fourth place \$2.50.

Dental Health is the theme for each contest. Essay contest entries must be neatly written in ink and must be original. A minimum of 250 words are required, but the essays can be as lengthy as 500 words.

In the art contest, both posters and displays will be accepted. Each must tell a story of dental health. No size requirements for posters has been established.

Two committees from the Officers Wives Club have been appointed to judge the contests. Judging and announcement of the winning entries in each contest will be at the Stone Street School on Feb. 24.

Sponsored by the American Dental Association, the annual effort is designed to focus the country's attention on the importance of dental health in children. Camp Lejeune's participation in last year's observance resulted in national recognition by the ADA.

Working on the theory that the only genuine solution of the nation's dental health problem lies in controlling dental diseases in children, a special educational program has been designed.

Holiday Routine

Holiday routine will prevail Feb. 22 in celebration of George Washington's birthday, according to Base Bulletin 5330. In recognition of this day, the Tenth Marines, 2nd Division, has been requested to furnish a national salute of 21 guns, commencing at 12 noon.

Notice

All organizations, officers, E-7's and above are asked to check the November 1960 issue of the Telephone Directory. If names are not listed or incorrectly listed, send in Telephone Directory report MCBCL 109 or call Base extension 7-5313.

Personnel are reminded to notify the directory service every time an organization or residence is changed. If leaving the base, either by transfer, discharge, etc., call to be deleted from the service. This cooperation will provide a better and more up to date publication.

MAG-26 Marines Help Unload Food In Congo

MATADI, CONGO—Amity rather than enmity was the by-word used by the Congolese towards Americans last week as the Marines from Sub-Unit No. 1, HMRL(264, began to unload 550 tons of foodstuff from the USS Hermitage LSD-34 for the starving population. The Sub-Unit, one of the globe-hopping helicopter squadrons of Marine Aircraft Group-26, MCAF, New River, is presently detached to the Landing Force SOLANT AMITY aboard the USS Hermitage on a South Atlantic Good Will Tour.

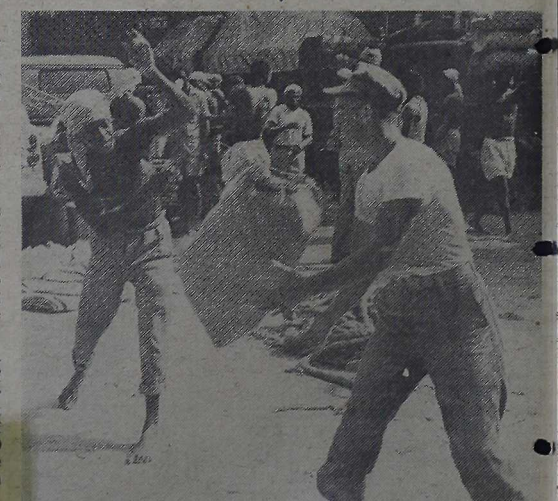

The Hermitage, flag ship of operation "SOLANT AMITY" Task Force Group, under the command of Admiral Allan L. Reed, was called upon last month by the United Nations to evacuate Guinea troops from here. At that time the task force was at Bathurst, Gambia.

In a matter of hours the ships were on their way. Upon reaching the coast of Point Noire, in the Congo Republic, they received orders to proceed to Lome, Togo, to pick up foodstuffs for the starving population in the Republic of the Congo, the trouble spot.

On 19 January, the USS Hermitage pulled into the harbor, of Lome, Togo, and dropped anchor 500 yards off shore. The next morning they began the task of loading 500 tons of grain and 50 tons of milk. "Mike Boats" were used to carry the bags of grain from the shore to the ship.

Through the combined efforts of Marines and Navy personnel and native stevedores a record for load-

ing was broken in Lome. The job had been predicted to have taken a week. On the afternoon of the 22nd the Hermitage set sail with a full load.

MAMBO IN CONGO—Congolese stevedore and HMR-264 Marine work side by side as part of a human chain used to unload the 550 tons of foodstuffs from the USS HERMITAGE to waiting boxcars.

FRED WARING

Waring's Pennsylvanians To Perform Here February 28

Music lovers have a rare treat in store for them when Fred Waring's all-New "Stereo Festival" returns to Camp Lejeune's Goettge Memorial Field House. With this brand-new show, the famous orchestra leader presents the latest and most sensational achievement in modern theater acoustics

... live performance combined with the thrilling effects of stereophonic sound. In Fred's words, "we have at last added a third dimension to music."

Two thousand reserved seats for this show that thrilled the thousands last year are on sale now at the Field House and the Marine Corps Exchange. Seats are from \$1.50 to \$2.25. General admission is one dollar. The public is invited to attend this big attraction. For reservations call base ext. 7-3794. Show time is 8:30 p.m.

This new concept of music-creating originated with the Pennsylvanians' previous tour, the widely acclaimed "Hi Fi Holiday." When planning that series of concerts, Waring was determined once and for all to solve the problems of musical balance and perspective presented by so many theaters and concert halls whose acoustics leave much to be desired.

He solved the problem with a specialized electronic sound system that utilized a number of high fidelity speakers, all under the sensitive control of a skilled engineer at a master console.

Designed by one of the foremost authorities on high fidelity, the system achieved Fred's goal... to make every seat the best seat in the house. No longer would anyone's fullest enjoyment of Fred Waring's inimitable music be affected by where he happened to be sitting.

United Services Organization Celebrates 20th Anniversary

The 20th Anniversary of the United Services Organization, Inc., and the 19th Anniversary of the Jacksonville USO chapter were celebrated by cutting two 50-pound birthday cakes at an informal reception last Sunday afternoon. Maj. Gen. R. B. Luckey, commanding general, Marine Corps Base, presided at the cake-cutting.

Since its opening on Feb. 15, 1942, the Jacksonville USO has never closed its doors.

The USO is a federation of voluntary civilian agencies whose purpose is to provide religious, spiritual, social, welfare, recreational, and educational services to the members of America's Armed Forces and their families. The six agencies which comprise USO are: Young Men's Christian Association, National Catholic Community Service, National Jewish Welfare Board, Young Women's Christian Association, Salvation Army, and National Travelers Aid Association. The agency responsible for the Jacksonville and Wilmington USO is the National Catholic Community Service.

Over a quarter of a million servicemen enjoyed the hospitality of the Jacksonville USO during the past year.

Its slogan, "A Home Away from Home," aptly describes the club. Writing desks with USO stationery, a library, snack bar, ping pong and pool tables, shuffle board, nine-hole miniature golf course, and a hi-fi set with over 400 albums are some of the facilities offered to Lejeune servicemen. Free movies, an opportunity to win a free phone call home, coffee and hospitality hours are the programs offered on the weekends. These hospitality hours are sponsored by the Jacksonville and Camp Lejeune church and women's groups and the Camp Lejeune-Onslow County United Fund.

Because the USO is also concerned with military families, three wives clubs in the areas have been organized by the USO. Geiger Trailer Park and Midway Park each have their own wives clubs. A new club for foreign-born wives is now being formed.

Personal Info Book Listing Is Published

A list of current personal affairs informational material ranging from such subjects as "Going Back to Civilian Life" to "Medicare Program for Dependents" has been released by Headquarters Marine Corps.

Marine Corps Order 1740.10B furnishes complete information regarding the source where material can be requisitioned by those desiring it.

The complete list of the personal affairs pamphlets for the administration of the Personal Affairs Program within the Marine Corps is as follows:

- "Going Back to Civilian Life,"
- "Federal Benefits for Veterans and Dependents,"
- "If You Become Disabled,"
- "Your Social Security,"
- "United States Government Life Insurance,"
- "National Service Life Insurance,"
- "Your Personal Affairs,"
- "Disability Separation,"
- "Contingency Option Benefits for Service Dependents,"
- "Handbook for Retired Marines,"
- "Questions and Answers on Guaranteed and Direct Loans for Veterans."

Also included on the list are: "Pointers for the Veteran," "Home Owner," "Home-Buying Veterans," "Information for the Home-Buying Serviceman," "Medicare Program for Dependents," "Your New Career," "Careers for the College Man," "College Placement - Annual," and "So You're Leaving?"

General David M. Shoup, 22nd Commandant of the Marine Corps, is the second Medal of Honor holder and the first native of Indiana to become CMC. General Alexander A. Vandegrift, 18th Commandant, was the first Medal of Honor man to hold the office of CMC.

New Radio Can Span The World

The Marine Corps' new, single-sideband radio, the AN/MRC-83, spanned the 296 air miles from Camp Lejeune to Quantico with ease Monday in a demonstration for the Commandant.

Gen. David M. Shoup, Commandant of the Marine Corps, viewed a demonstration at Quantico designed to familiarize him with various new Marine Corps equipment which included the new radio.

Civilian technicians and radio operators from 8th Communication Battalion set up and operated the new radio at the Force Troops Communication School at Montford Point.

Brig. Gen. Leonard F. Chapman Jr., commanding general of Force Troops, and Lt. Col. H. H. Hawkins, commanding officer of 8th Comm, viewed the operation at the school.

The AN/MRC-83, currently being used only on the Division, Wing, Force Troops level, is capable of communicating around the world. It has two and a half times the power output of the radio-it will replace, the AN/MRC-30.

Although it has a longer range, the AN/MRC-83 is a smaller piece of equipment and more simple to operate than the AN/MRC-30. The problems of being on frequency and in loading the antenna have been greatly reduced.

The AN/MRC-83 nets with the better current Marine Corps AM receiver and can be mounted in motorized vehicles.

First MARCAD Graduate Now Attached To MCAF

Lt. Clyde "O" Childress, who has the distinction of being the first man to receive his commission and "Wings of Gold" through the new Marine Corps Aviation Cadet program, is currently serving with the Marine Transport Squadron(light)-262, under the command of Lt. Col. R. L. Nickerson. Lieutenant Childress received his flight training and commission as a second lieutenant, U. S. Marine Corps Reserve, at the Naval Air Station, Pensacola, Fla.

In the past, prospective Marine aviators were required to enlist in the Navy and complete the primary phases of training as Naval Aviation Cadets. When eligible for advanced flight training, Naval Aviation Cadets were given the opportunity to state their preference regarding ultimate commissioning as a second lieutenant in the U. S. Marine Corps Reserve or as an ensign, U. S. Naval Reserve.

The Marine Aviation Cadet program is available to all enlisted Marines who meet certain physical and intelligence standards. Qualified applicants will receive their flight training as Marine Aviation Cadets. Approximately 15 to 18 months of this training, with ample Marine Corps indoctrination, produces a well-grounded Marine second lieutenant as well as an excellent pilot.

Lieutenant Childress joined the Marine Corps as a private in March 1957. Following a tour with the Marine Detachment, Naval Air Station, Port Lyautey, Morocco, he entered flight training as a Marine Aviation Cadet in July 1959. Upon completion of 17 months of flight and ground training he received his commission and Naval Aviator's "Wings of Gold." He is the first ex-Marine enlisted man to complete the Marine Aviation Cadet training program.

WELCOME ABOARD—Col. Paul T. Johnston, left, commanding officer, Marine Aircraft Group-26, at Marine Corps Air Facility, welcomes 2nd Lt. Clyde "O" Childress to his command. Lieutenant Childress is the first Marine to report here after completing the new Marine Corps Aviation Cadet program.

Reminder

Tenants of the Midway Park, Knox and Geiger housing areas are reminded that their rent is due on the first day of each month with a grace period until the 10th day of the month. Those who do not pay their rent by the 10th day will be reported to their commanding officer on the next working day after the 10th.

Failure to pay rent when due may result in eviction from the government housing.

Responsibility For Dental Care Begins In The Home

Once every year a special effort is made to focus this country's attention on the importance of dental health, and it was for this reason that National Children's Dental Health Week had its origin. This project sponsored by the American Dental Association is being observed for the 13th time this week and for the second time at Camp Lejeune.

Camp, Onslow Salute Scouts

The Boys Scouts of America is an organization which was founded 51 years ago. 1961 is especially significant to the Onslow District because it marks the rich dividends of a year of progress. As the leaders and their units prepare to observe Boy Scout Week (Feb. 7-14) it is fitting that we should trace the history of Scouting in Onslow County.

Twenty-eight years ago Jacksonville was only a crossroads community with the principal importance of being the county seat of Onslow County. At this time, in 1933, a Boy Scout Troop was organized. Rev. Victor L. Andrews of the First Baptist Church, Raymond Marshall, and Z. E. Murrell were the first leaders of this troop. The first scout camp was at Montford Point. The scouts from Jacksonville and Kenansville used the resort and recreational area owned by Mr. Murrell. Lagging interest of the adults and professional scouters caused the fire of scouting to die. However, a few sparks remained and Mr. Murrell served as an advisor for two "Lone Scouts," who managed to make some progress without an official unit or troop. These scouts traveled as far as 110 miles to attend a Court of Honor to receive hard-earned awards.

Finally, Troop 20 was revived and organized under the sponsorship of the Jacksonville Kiwanis Club through the efforts of Mr. Murrell. Camp Lejeune was established in 1941 and through the intense interest of the military personnel scouting began to grow in Onslow County. Mr. Z. E. Murrell, the dean of scouting in this area, received the Silver Beaver Award for long and distinguished service to boys.

At the present time, well over 80% of the adult leadership in scouting is volunteered by Marine Corps personnel serving all of the boys in Onslow County in spite of the fact that only 20% of these boys are military dependents.

At the recent annual recognition banquet, the Onslow District won top honors as the most outstanding area in the East Carolina Council. Here are the reasons: the Onslow District organized the most new units, trained more adult leaders, and was the most active in all phases of scout activity. All of the scouts and scouters of this area richly deserve special recognition as they combine their efforts in this very worthwhile activity.

The importance of recognizing the value of dental health is driven home when the youth of America joins the service of their country. Through data obtained from Capt. Charles T. Pridgeon, Base Dental Officer, it was determined that 79 per cent of the recruits had recognized gum disease, an average of 13 decayed tooth surfaces, 5 per cent required dentures, and an average 1.5 had to have teeth extracted. The average age of the recruits was 18.5 years, and less than 45 per cent received proper dental care prior to induction. Although these are recruiting statistics, they are in every sense representative of American youth.

Recent surveys on the country as a whole report that 50 per cent of two-year-old children have one or more decayed teeth; three or more teeth are decayed at school age, and at the age of 16, seven or more teeth are decayed, missing or filled, with an average of five teeth lost from decay when age 21 is reached.

Thus it has become clear that the solution lies with preventive dentistry, and preventive dentistry is the responsibility of parents. Preventive dentistry refers to all activities and methods which have or promise to have the effect of preventing dental ills from occurring. The possibilities of preventive dentistry are unlimited, and the results could be both gratifying and rewarding.

"Unquestionably the appalling low standard of dental health in children and young adults is due in part to economic and social reasons," Captain Pridgeon said. "but on the other hand, we cannot deny the fact that this problem has been compounded by reason of carelessness and indifference of the parent towards children's dental health."

If today's parents take the time and effort to provide for future generations' improved dental health, by setting a proper example for the children, then we will have a true measure of our success in our children's dental health and, in turn, their children's children.

Chaplain's Corner

What does it mean to be a "Christian?" Perhaps a few wrong impressions can be erased by indicating what Christianity is not. Christianity, for example, is not just living according to an established set of rules or ethical principles. To be a Christian involves more than belonging to a certain Church or being part of a "Christian" society and culture. It involves more than attending church services on Sunday and partaking of the sacraments or ordinances of the Church. A Christian certainly should have a lofty ethical standard; he should belong to the Church of his choice; he should attend the services of his local church regularly and partake of the holy ordinances as Christ commanded. But none nor all of these things provide the essence of Christianity. Christianity is essentially and above all, a vital, living relationship with Jesus Christ. It is coming into the right relationship with God through Christ and then allowing Christ to control our entire existence—on weekdays as well as Sundays.

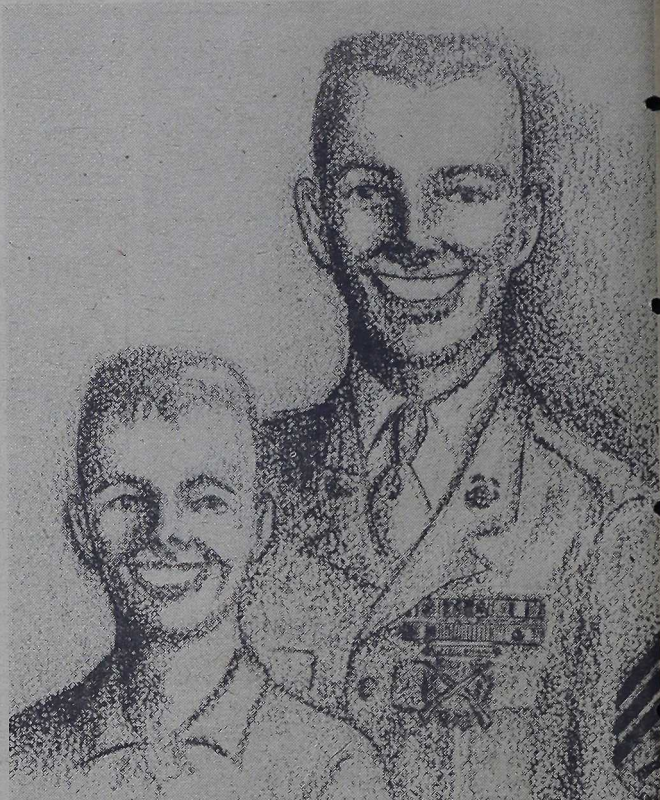

Yes, indeed, Christianity is more than a pattern of living, it is Life itself. A one-time enemy of Christ (who had always been "religious") wrote concerning his life after his conversion to Christianity in these words:

"Old things are passed away, behold all things are become new." II Corinthians 5:17.

Christ will revolutionize your life if you will allow him to. But don't take my word for it. Give Christ Himself a chance to prove what Christianity really is.

A SMILE IS TO KEEP

DO YOU THINK VALENTINE'S DAY SHOULD BE TREATED AS A SERIOUS OCCASION?
(Asked of Students at Camp High School.)

If You Ask Me:

MIKE J. FASER, Freshman — I don't think Valentine's Day should be taken seriously. It should be a day that you can have a lot of fun. If you give a Valentine or send one you should not take it seriously. It's just a nice gesture of friendship. It's a day you should acknowledge your friends and show them you're thinking of them.

If I think somebody is a good friend of mine, I'll send them a Valentine. Another thing that happens on Valentine's Day is when lovers have had quarrels, they usually make up by sending each other Valentines. I don't give my folks a Valentine because I usually don't think of it, and when I do, I feel I can say it myself instead of with a card. If you've got a special friend, send her a Valentine to show you're thinking of her on that day.

DAVID H. DEMAREE, Freshman — I think when you're going to high school you shouldn't take Valentine's Day seriously.

You should just play the field and not go with any one girl in particular. It's a holiday when you can let yourself go, make amends, and maybe find a new girl if you haven't already got one. As far as being serious, I don't think Valentine's Day should be. You can give a Valentine to someone to show how much you care about them, or that you're thinking about them. But at my age or let's say at any high school age, you shouldn't take Valentine's Day seriously. You have plenty of time in the future to think of it that way.

CAROL V. SKINNER, Sophomore — No, I don't think Valentine's Day should be taken seriously. But some might, or might not take it seriously, it all depends on the individual. I don't think it's childish to give Valentines while you're in high school because if you have a friend or maybe a special friend, you'll want to show your thoughtfulness by sending him a Valentine. If it was required to send Valentines,

I would send everyone one, but since it isn't required, I just don't even think of sending Valentines. Sending Valentines now has gone out of style since a few years ago. The teen-agers don't usually think of sending Valentines as do the older folks, who are the more serious type.

JUDY E. LEOPOLD, Senior — Valentine's Day is not to be taken seriously. You give Valentines to your parents because you're thinking of them but that doesn't mean if you don't give them a Valentine, you're not thinking of them. You can tell them in your own words how much you care. The older you get the more meaning Valentine's Day has for you. When you're just a child, you send Valentines just for the fun of sending them. People now should take more interest in the meaning of Valentine's Day. Today, it has lost its significance. For instance, the crazy humorous contemporary cards they have now. Sure, people like to receive them once in awhile but the words aren't meaningful to them. You should get a card that has words to show your feelings.

Local Kegler Sets Sights On 300 Game

"Probably one of the best league bowlers around," is a comment often heard among kegglers in the Jacksonville and Camp Lejeune area when talking about Lewis Nicoletta, HM1, USN, hospital corpsman, father, and bowling enthusiast.

Nick, at the present time, is Secretary-treasurer for the Jacksonville Bowling Association and Team Captain of the Jacksonville Traveling League, as well as being active in three other leagues at the Hadnot Point Staff Club.

Nicoletta started bowling at the age of 15 in his home town of Rochester, New York. During the last 20 years he has won over 65 trophies and plaques. When asked what he considered to be his most prized trophy, Nick said, "The three All-Navy plaques I won during the All-Navy Bowling Tournament in 1957." The tournament was held in San Francisco, and Nick entered in all three events (team, singles, and doubles). Rolling five games in each event Nicoletta finished the tournament with a 197 average.

Other great thrills in the sport of bowling came to Nick in the 1956 North Carolina State Tournament, when he rolled a 764 series in the singles events and again in 1960 when he rolled a 279 game in tournament play at the Bowlerena here.

Paid Own Expenses

Being the true kegler that he is, Nick does not always bowl for his own personal gain. For-10 out of the last 11 years he has traveled to Charleston, S. C., and in most cases paid his own expenses, to compete in the Charleston Rod and Gun Club's March of Dimes Tournament, with all proceeds going to the March of Dimes. In 1957, Nick was stationed in Cuba when it came time for the March of Dimes tournament. He requested permission from his Commanding Officer to fly to Charleston so he could compete. His request was granted.

Three other trophies that Nick is very proud of are the two received from Bureau of Personnel, in 1957 and 1960, for having two series over 700 and the trophy he won in 1956 when he took second place in the All-Marine tournament at Parris Island.

Nick has competed in three previous National Bowling tournaments and his plans are to compete again this year.

Like all active bowlers, he hopes some day to put together a 300 game.

Devilpups To Close Home Play Tonight

Camp Lejeune's High School basketballers, who are having their best season in several years, will close out their home schedule tonight against Havenlock at Goettge Memorial Field House.

Winners over White Oak, 75-66, last Friday night and Jasper by a score of 47-39 on Monday night, the Devilpups will wind up their regular season on Saturday against Quantico High at Quantico.

Sporting a 11-2 record so far this year and second place in the conference, Lejeune hopes to avenge the only blots on its record during the Onslow County tournament which will be held Feb. 13, 15, 16, and 18, in Jacksonville. Both defeats came at the hands of the Swansboro Pirates by narrow margins.

Camp Lejeune High is led by David Kelley, 6'1" senior forward, who is averaging 17 points per game for the season.

ALL MINE—Lewis Nicoletta proudly displays bowling trophies he has won in the past 20 years. Nick has won over 65 trophies and plaques. In 1957 he won the All-Navy Bowling Tournament held in San Francisco, and in 1956 he took second place honors in the All-Marine Tournament at Parris Island.

Camp Lejeune Boxing Team Loses Second Home Match

Ring-wise, Ft. Bragg fighters made the most of their experience last Thursday night, taking the measure of Camp Lejeune's boxing stable 8-2 at Goettge Memorial Field House. The Lejeune fighters took on Quantico last night at Quantico in their first contest with the Virginians this year, and will return home to meet Langley AFB in a return match next Friday night. Before an estimated 1,000 fans, the Lejeune sluggers put on their best boxing show of the season, according to Base Special Services' personnel. Despite the final count, the matches were very close with two points deciding six of the contests.

Try-Out Dates Confirmed By Head Mentor

Coach Dave Petros of the 1961 Camp Lejeune baseball team has confirmed the dates set for screening of squad candidates. Screening sessions will get under way Monday with candidates reporting to Goettge Memorial Field House at 2 p.m.

Personnel desiring to try out for the team are requested to report to the athletic office today or tomorrow for the purpose of completing a personal questionnaire.

The sessions will be as last year's with the pitchers and catchers reporting Monday, and infielders and outfielders the following week.

Candidates must be equipped with sweatshirts, gym shoes, towels and gloves from their unit Special Services office.

The 1961 schedule has not been confirmed as yet, but will be announced upon its completion. However, the pre-season college round-robin tournament hosted here in the past will get under way at Agganis Field March 20.

Taking part in the college-Camp Lejeune event are: Camp Lejeune, Springfield College, Michigan State University, American International College, University of Conn., Ithaca College, East Carolina College, and West Virginia Tech.

Also entering the event will be Bowling Green State U. of Ohio, University of Mass., University of Delaware, and South Conn. State.

Lejeune took a unanimous decision over Ft. Bragg's Alvin Lewis.

Lewis, 1959 82nd Airborne Division flyweight champ, started fast, dropping Santos with a hard left hook early in the first round, but saw it all for naught as Santos came back strong in the second and third rounds. Scoring with both hands, Santos had Lewis wobbling at the finish and might have put his man away if he hadn't been arm-wrenched from using Lewis as a punching bag in the closing rounds.

The only other bright spot for Lejeune boxing buffs came in the seventh event of the evening as Ray Phillips scored a unanimous decision over Eddie Hunter, 1959 Florida AAU runner-up in the light middleweight class.

The Bragg fighters started their winning ways in the second bout of the night as Bantamweight Gilbert Janez staved off a closing

Middies List Grid Schedule

ANNAPOLIS, MD. (AFPS)—The U.S. Naval Academy has announced that only two games—William and Mary and Virginia—of its 10-game 1961 grid schedule will be played at home.

Newcomers to the Middies' slate are such perennial eastern powers as Penn State and the University of Pittsburgh. Other additions are Cornell, Detroit and Miami.

Returns on Navy's football agenda are Notre Dame, Duke, Virginia and West Point.

Dropped to make room for the new opponents were Boston College, Villanova, Southern Methodist University, Penn. Air Force Academy and the University of Washington.

The schedule: Sept. 23, Penn State; Sept. 30, William and Mary at Annapolis.

Oct. 6, at Miami; Oct. 14, at Cornell; Oct. 21, at Detroit; Oct. 28, at Pittsburgh.

Nov. 4, at Notre Dame; Nov. 11, Duke at Norfolk; Nov. 18, Virginia at Annapolis.

Dec. 2, Army at Philadelphia.

Cagers End Home Season, Depart For Fleet Tourney

Carrying a 28-9 record, the Camp Lejeune quintet departed late Tuesday night for Newport, R. I., where they will participate in the Atlantic Fleet Basketball Tournament Feb. 13-18. Winning the Fleet title for two consecutive seasons, the locals need a victory this season to gain permanent possession of the rotating trophy. While

on the northern trip and in addition to the tournament the Marines will close out their 1960-61 season against Ft. Monmouth and Maguire AFB in New Jersey, the Army Chemical Center in Maryland and Mitchel AFB in New York.

Road Trip

During last week's road trip into Georgia, Lejeune's scoring ace, Jack Sullivan, paced the local cagers to five consecutive wins with 142 points. Meeting the Marine cagers of the Marine Corps Supply Center, Albany, for the first time on the host's home court, the locals scored a twin victory, 96-87 and 69-59. The victories made wins No. 3 and 4 for the Marines this season against Albany without a loss.

Following the Albany twin-bill,

Lejeune traveled to Georgia Southern College where they handed the collegians an 87-82 setback.

Picking up their fourth win of the trip, Lejeune avenged an earlier loss, defeating Ft. Gordon Signal, 96-79. Lejeune earlier lost a two-set to the Signalers, 85-72 and 96-91, here.

Closing out the trip, Camp Lejeune smothered Ft. Gordon Provost, 99-87, with Jack Sullivan hitting his highest point total of the trip, 46 points.

In the final home game of the 1960-61 season Tuesday night at Goettge Memorial Field House, Camp Lejeune overcame a ragged start in the first half and went on to take a 108-94 victory over the soldiers from Ft. Lee, Va.

Ft. Lee jumped off to an early 4-1 lead and Camp Lejeune spent most of the first half playing catch-up. Although the game was tied eight times during the first half, Lejeune seemed to be struggling, while the Ft. Lee offense was rolling in high gear on the strength of some deadly outside shooting by Lee's Larry Wood and the board work of Carl Smith. Ft. Lee took a 46-44 advantage into the dressing room at the half.

In the second half Ft. Lee started fast, working a beautiful fast break and more outside shooting by Larry Wood to a 60-54 lead. Then Lejeune started to work using its height advantage to control the boards. Sullivan hit for two quick buckets and a brace of three throws and Lejeune went in front 61-60. The two squads traded baskets for a brief period then Lejeune started to pull away as Sullivan got red hot hitting for 10 straight points.

Ft. Lee lost one-half of its most effective weapon when Larry Wood fouled out with six minutes gone in the half and from that point the issue was never in doubt.

Coach Norfolk substituted freely in the last five minutes with all of the Lejeune starters except Sullivan sitting the rest of the game out on the bench. Even so, the second teamers kept up the pressure, increasing the final margin to 14 and winning going away. High man for Lejeune and the game was "gunner" Jack Sullivan with 38 points while Bill Pickens, who also played a strong game on the boards, chipped in 13. Ft. Lee had four men in double figures with Carl Smith leading the way with 26. Wood had 20 before his forced departure from the game.

Force Troops Bowlers Roll Three Blanks

Three shut-outs highlighted the action in the Force Troops Bowling League last week. First place Second Separate Surgical Company scored a 4-0 win over Headquarters Company, Force Troops, with Second Field Artillery Group and Eighth Engineer Battalion both bowling 4-0 victories over Second ANGLICO and Eighth Motor Transport Battalion respectively. In other action, Eighth Communication Battalion downed Second Hospital Company 3-1.

Cagers

Last weeks action in the Force Troops Intramural Basketball League saw only two contests with Eighth Motor Transport Battalion defeating Headquarters Company, Force Troops 69-52, and Eighth Communication Battalion running up a decisive victory over 2nd ANGLICO, 90-64.

Upset Leads Cage Action For Division

The 1st Battalion, Tenth Marines, provided the big upset in last week's 2nd Marine Division basketball play by gaining a solid 70-62 win over Two-League leader, 2nd Bn., Sixth Marines. Meanwhile, the 3rd Bn., 8th Marines, ran their undefeated streak to 15 games and maintained their five-game lead in the One-Star League.

The loss by 2/6 enabled the 3rd Bn., Tenth Marines, to gain a share of the Two-Star lead. The Cannoners had their best week of the season, sweeping to three victories. They walloped Medical Battalion, 86-48, came back to edge 3rd Bn., Eighth Marines, 59-56, and then took a neighborhood battle from 1/10, 76-67.

In other Two-Star action, 3/8 rebounded with two victories, trouncing Motor Transport, 96-38, and Service Battalion, 52-49. Service Battalion, which is experiencing second-half difficulties after a fine start, edged 1/10, 74-68, and 2/6 walloped Recon, 90-56.

Action in the One-Star League was slim last week with only five games on the agenda. Leading 3/6 received a scare from a hustling Pioneer five, but a late drive for a 72-60 win protected their unblemished record. The infantrymen also took 1st Bn., Eighth Marines, into camp, 77-56.

Surging Headquarters Battalion went over the century mark for the fifth time this season in blasting Anti-Tank, 101-69. Other action saw 2/10 edge 1/6, 72-69, and 1/8 nip AT's, 80-79.

Lady Golfers Hold Tourney

Peggy Anderson scored a 77 to take "A" Flight honors in the Camp Lejeune Women's Golf Association Blind Boogy tournament held at the Paradise Point Course, Tuesday, Jan. 31.

Also coming in with a 77, Julia Cowling led "B" Flight to take top honors in that division. In the "C" Flight, Della Koyiades blasted out an 83 to post the best score in her flight.

Top spot in "D" Flight went to Joan Derrig, who fired an 85 for the win.

Postponement

Base Special Services has announced the Professional Wrestling matches previously scheduled for Feb. 16, have been tentatively postponed.

Wrestling promoters in Charlotte, N. C., were unable to obtain top-flight performers for the Feb. 16 date.

However, the promoters have assured Base Special Services officials that a top card performance will be available during the month of March.

Second Division Bobsledders To Compete For World Title

Two members of the 2nd Marine Division Security Platoon have won the right to represent the United States in the two-man world bobsled championships. Cpls. Gary Sheffield and Jerry Tennant will be piloting their two-man bobsled down the rough Lake Placid, N. Y., course this weekend against top competition from all over the world. Sheffield, of Lake Placid, and Tennant, of Prince-W. Va., finished third in the National AAU two-man race after winning the Adirondack AAU two-man event last week. Their eight-point total in the two races gave them the designation as No. 1 team in the World Championships.

Both Sheffield and Tennant are also passengers on the No. 1 U. S. four-man bobsled team, and will be competing for top honors in that class in the championships.

What makes their feat more outstanding is that up until two years ago, Tennant had never even seen a bobsled. He became interested in the sport after talking with Sheffield and last year both Marines spent three months on the world bobsled tour—bringing back four medals and a winning trophy. Sheffield is as at home on a bob-

sled as the average Marine is in an automobile. Born and brought up deep in the heart of the winter sports country at Lake Placid, he has had six years' experience in competition in both the two and four-man events.

Besides competing with Tennant in the World Championships at Cortina, Italy, last year, Sheffield also rode with the four-man team captained by Zergio Zardini. This team finished second to that of the great Italian bobsledder, Eugenio Monti.

Last year, the Marine twosome was beaten by 22/100th of a second in the trial runs to see who would represent the United States. This year, they won the trials with second to spare to gain the top spot.

Both Sheffield and Tennant are on Temporary Additional Duty from Hq. Co., Hq. Bn., for the duration of the races.

New Staff Wives League Led By Hi-Hopes' Shut-Out

The newly formed Monday night Staff NCO's Wives Club Bowling League started out their first nights action with one shutout as the Hi-Hopes blanked the Rocketts, 4-0. Lots of luck, gals, on your next 14 weeks of bowling. The Nite-Owls, took a 3-1 win from the Alley Kats rounding out the night's action was a 3-1 win for The Sleepers over The Positives.

His & Her Bowling League

In the His and Her's Bowling League last week there was one shutout and four teams winning three games with one loss. Western Auto blanked the Marine Chevrolet five, 4-0. It was Hoyt's Bar & Grill, 3, Stuts Body Shop, 1; Whistle'n Pig Drive Inn, 3; WJNC, 1; New River Cleaners, 3; Major Appliance, 1; Southern Cleaners, 3; Team No. 2, 1. In a make up game Stuts Body Shop took a 3-1 win from Hoyt's Bar & Grill.

Paradise Point Women's League

In last week's action of the Paradise Point Women's Bowling League the Sun Shine Gals scored a 4-0 win over the Navmars, as the Lacy Aces, set a blistering pace with a high game of 911 and had a 2474 series with handicap for the highest in the league this year. In other action The Pin Poppers, 3, Guidons, 1; Lacey Aces, 3, Guterdusters, 1; Bowleggers, 1, Safety Pins, 3; Blanks, 3, Exploders, 1; Underdogs, 3, Echoes, 1.

Qualified Shooters Eligible For '61 Interservice Events

Marines with "A" or "AA" classifications in the Amateur Trap-shooting Association or the National Skeet Shooting Association have been asked by MCBul 3591 to submit requests for designation as a competitor in the 1961 Interservice International-type Matches to be held March 26-April 2, 1961, at Ft. Benning, Ga. Headquarters Marine Corps is also looking for men with experience in the running-deer events for rifle shooters in these international-type matches.

All requests should be submitted to the Commandant of the Marine Corps (Code AO3M) and must arrive at Headquarters prior to Feb. 24, 1961. Interested personnel should check MCBul 3591 for further details.

The Camp Lejeune Rod and Gun Club will not submit requests as an organization for these events, according to the club president, Maj. Charles E. Westbrook. However, individual members of the club are urged to submit requests and anyone not a member of the club interested in applying, can receive counseling and advice by calling either Major Westbrook,

ext. 7-5468, or Captain Clark, ext. 9-8161.

Due to the short period of time available for preparation, the Marine Corps will not accept requests from Marines for entry in the rifle and pistol events. Experienced competitors in these events will be selected by Headquarters Marine Corps from post and station personnel and the Marksmanship Training Unit.

Rod-Gun Club Sets Date For Raccoon Hunt

Camp Lejeune's Rod and Gun Club will hold its next regularly scheduled meeting at Marston Pavilion Tuesday night, Feb. 14, starting at 7:30 p.m. Formulation of Club recommendations for a long-range wildlife food program and improvements in hunting procedures and regulations will be discussed.

Plans for predatory animal control will also be covered during the meeting. Initiation of this control program, beginning with a wildcat hunt, will get under way in the near future, when trained dogs are available.

The final raccoon hunt for the club is scheduled for tomorrow, weather permitting. Those interested should assemble at the French Creek building, No. FC-6, at 7 p.m.

All members and personnel interested in the club are encouraged to attend Tuesday night's meeting and take an active part in the discussions, according to Maj. Charles E. Westbrook, newly elected club president.

FT Volleyball

Seven teams from Force Troops units will make up the new Force Troops intramural volleyball league set to get under way this week.

The schedule gets under way today with 2nd Com. Radio meeting 8th Engr. Bn. and 8th Comm Bn. playing 2nd Hospital Co. Other teams in the league are Hq. Co., 2nd ANGLICO, 2nd FAG, and 2nd Tank Bn.

On December 28, 1867, Marines participated in the first flag raising ceremony on Midway Island.

HIPSTERS FIVE—Finishing first in the Staff NCO Wives Monday night Bowling League was the Hipsters with a 44-16 record. Team members are, left to right: Dolly Flick, 137 average; Jo McCape, 138 average; Grace Druckley, 136 average; Cathy Diaz, 118 average, and Betty Krache, 131 average. The Hipster keglers lead the second-place Caterpillars by 10 games. (Photo by Pfc P. W. Freeland)

Career Advisory Highlights

Career Question

The GLOBE recently ran a notice to the effect that Camp Personnel could send in questions to the editor regarding career matters. Here is one of the first questions: "I was recently promoted to E-8. Will I receive new base stickers for my car or will I have to keep my old stickers with my former rank designation?"

You're entitled to new stickers. According to the Base Tags Section of the Provost Marshall's Office, personnel promoted to pay grades E-5 and above, including officers, may receive new stickers for their cars corresponding to their new rank or grade.

NEW LOOK—Promotion warrants for Marine Corps staff non-commissioned officers have taken on a "new look" with the addition of the official Marine Corps Seal, according to an announcement made by HQMC last week. The bright red seal, which will be placed in the lower left-hand corner of the promotion certificate, is directly opposite the signature of the Commandant of the Marine Corps. Prior to this time, this space on the promotion warrants was used by local commanding officers to validate the certificate. Hereafter, each promotion will be transmitted by individual letter from the Commandant, and validation will be accomplished by an endorsement by the CO. First promotion warrants prepared under this program were mailed from Headquarters Marine Corps in January.

Available MCI Courses

'Sweetheart Ball' Is Night To Remember

Saturday night was a night of military splendor at the Paradise Point Officers Club. It was the night of the Military Sweetheart Ball with the Officers Wives Club as the host. The decor followed an "Eras of Song" theme with heart-shaped designs and Valentine handwork in every room, signifying the memorable night.

Staff Wives Set Fashion Show Here

If you're around the vicinity of the Hadnot Point Staff Club on March 20, watch out for the Easter bunnies! The Staff NCO Wives Club is putting on a fashion show entitled "Easter Parade of Fashions" on Monday, March 20. Many people are volunteering their services in order for it to be a success.

The secret still remains of where the clothes are coming from for the show. But the entire family is invited. There will be fashions for the smallest of children to the grown-ups. The clothes modeled will be in all sizes to fit every shape and form, from the tall, tall girls to the short, short ones.

There will be entertainment, refreshments and surprises for all! Miss Jean Jackson of station WJNC will be the guest commentator on the clothes to be modeled.

If anyone is interested in modeling or supplying some entertainment, contact Mrs. Gilbert Boozier, Jax 3703. There is still time!

Remember, be sure to line up a baby-sitter and plan on a night out on Monday, March 20!

All pedestrians must realize it's a life-saving step to Remember, drivers can't see walkers as soon as the walker can see the lights of the motorist's car.

The Gay Nineties motif in the River Room was highlighted with gay, old-fashioned Valentines and a special Valentine tree greeted everyone entering and leaving the room. The main bar was gay and bright with life-size cut-outs of flappers with hearts and cupids filling the room.

Crystal and gold chandeliers highlighted the ballroom and unit colors surrounded this room. The theme of "Romantic Songs of the Modern Era" filled the cafeteria with life-size silhouettes in red and gold. A military fantasy filled the lobby with drums, gold eagles and red and white balloons.

Starting at 9 p.m., the ball began with the cotton in which 12 couples performed intricate figures in twos, fours, eights and 12's. It was led off by Capt. and Mrs. D. P. Young, and followed by Capt. and Mrs. W. C. Britt, Lt. and Mrs. M.E.P. Eomiguez, Lt. and Mrs. P. L. Smith, Lt. and Mrs. D. S. Dvorak, Capt. and Mrs. A. H. Somers, Capt. and Mrs. A. D. Beach, Capt. and Mrs. J. M. MacKenzie, Capt. and Mrs. E. E. Paro, Lt. and Mrs. W. J. McGrath, Lt. and Mrs. A. B. Churchill, and Capt. and Mrs. J. B. Harris.

Preceding intermission was the crowning of the queen and king of the Sweetheart Ball, Maj. Gen. and Mrs. R. B. Luckey crowned Capt. and Mrs. P. J. O'Connell as King and Queen of the Military Sweetheart Ball. American Beauty roses were then presented to her majesty.

Johnny Long and his orchestra filled the air with music and approximately 800 enjoyed this gay and beautiful affair. "I Could Have Danced All Night" is an old song but was the feeling of all, the night of the Military Sweetheart Ball.

Formal Awards And Recognition Service Honor 15 Staff Aides At Naval Hospital

The first anniversary of the Staff Aides was observed here Thursday, Feb. 2, at the U. S. Naval Hospital with a formal awards and recognition ceremony conducted by Mrs. A. F. Lucas, chairman of the Staff Aides committee. Fifteen women received recognition and their first stripe for a year's service with the Red Cross during 1960 for serving a minimum of 100 hours or more voluntary work.

The purpose of the Staff Aides is to help the paid medical staff at the hospital by doing different jobs assigned to them. General duties consist of receptionists, clerical workers, and relieving the professional staff whenever necessary.

These volunteers give up their own time five days a week from 8 a.m. to 12 noon and from 1 p.m. to 4:30 p.m. to aid the medical staff.

Since the group was organized last February, there have been four classes of Staff Aides. They are trained through the year in order to do what their job requires of them.

Special recognition was given to Mrs. R. L. Smith, who received a 250-hour stripe.

Mrs. C. F. McKiever, former co-chairman, will take over for Mrs. Lucas, who is leaving Camp Lejeune.

The tune of the Marines' Hymn, first sung after the Mexican War in 1847, occurs in an old Spanish folk song and in the French Comic Opera, "Genevieve de Brabant" by Jacques Offenbach.

HONORARY AIDES—Fifteen Staff Aides received their first stripe for a year's service during 1960 for serving a minimum of 100 hours of voluntary work. They are shown above at an Awards and Recognition ceremony given in their honor at the U. S. Naval Hospital last Thursday. Left to right, Cmdr. A. R. Reilly, chief nurse; Mrs. L. F. Chapman Jr., acting chairman, and Mrs. A. F. Lucas, chairman, as they presented a first stripe to Mrs.

J. E. Sundholm, Mrs. C. W. Kelly, Mrs. J. W. Love, Mrs. M. A. Califano, Mrs. M. R. Williams, Mrs. T. Q. Ambrose, Mrs. D. S. Pregnall, Mrs. L. McCurry, Mrs. R. W. Hengesbach, Mrs. R. D. Strickler, Mrs. J. R. Kapsch, Mrs. R. H. Piper, and Mrs. R. L. Smith, Capt. L. E. Bach, commander of USNH, was also present for the ceremonies. (Photo by LCpl. F. J. Flynn)

Gala Luncheon And Hat Show Highlight Regular Meeting At Paradise Point OWC

A gala luncheon and hat show will be the feature event for Group IV of the Officers Wives Club on Feb. 15 at the River Room of the Paradise Point Officers Club. The social hour will begin at 12:15 p.m. and will be followed by a Lenten luncheon at 1 p.m. Mrs. R. M. Hall and the officers' wives of the 3rd Bn., Second Marines, will be the hostesses for the event.

Mrs. Elibeth Emory of the "Lelia Corbin Shop" of Wilmington will bring a gay selection of hats to be shown to the wives and their guests. Members may purchase items at the luncheon.

Reservations may be made by calling one of the following before noon, Feb. 14; Mrs. W. M. Derby, 6-6321; Mrs. M. O. Roe, 6-6224; Mrs. H. E. Freeburn, 6-316; Mrs. C. W. Macfarlan, Jax 9957; Mrs. W. P. Phenegar, Jax 8867; Mrs. J. H. Sanderford, Jax 4505 or Mrs. A. C. Stephens, Jax 8866.

Variety Show

"Jack's Variety Show" will be featured at the Camp Theater on Feb. 14, beginning at 6 p.m. Admission is free.

The show will reveal the talents of the Marines at Camp Lejeune. Persons having "hidden talent" or knowing the whereabouts of talented Marines are asked to contact Sgt. Jackson between the hours of 8 a.m. and 4:30 p.m. on working days at the Camp Theater.

Auditions are held every Saturday morning at 8 in the theater. Any suggestions or ideas for the show will also be welcomed by Sgt. Jackson.

Base Dog Catcher Awarded Mast For Outstanding Job

BATTALION BULLETIN 1650

From: Commanding Officer, Headquarters Bn., Marine Corps Base
 To: Distribution List
 Subj: Meritorious Mast

1. **Purpose.** To promulgate the conduct of Meritorious Mast for Sergeant (E-5) Forrest E. SKINNER, 578702 0369, U. S. Marine Corps.

2. **Background.**

a. The Commanding Officer, Military Police Company has reported that the performance of duty of Sergeant (E-5) SKINNER has been outstanding as to merit special recognition.

b. During the period September 1958 to date, Sergeant SKINNER has been attached to the Base Provost Marshal's Office, assigned duties as Dog Catcher and NCO in Charge of the Camp Dog Pound. His outstanding initiative and energy in performing the duties inherent with this assignment has been the subject of favorable comment by the Base Veterinarian and the Base Provost Marshal.

c. Sergeant SKINNER has been confronted with an ever-increasing number of requests to apprehend and impound animals for rabies observation which he has accomplished, in most cases, alone and in a thorough and skillful manner. The absence of adverse response from owners of animals involved in apprehension is demonstrative of his competence and tact while serving in this independent-type and comparatively unrewarding billet.

d. In addition to his regular duties, Sergeant SKINNER has faithfully supported all training activities of his Battalion; he has attended a maximum number of drill periods and inspections, and has attained an appreciable score on the Battalion General Military Subjects Test.

e. During the period reported herein, Sergeant SKINNER's qualities of leadership, loyalty, and military bearing have been in keeping with the highest traditions of Marine Noncommissioned Officers. Through his technical skill and devotion to duty he has contributed materially to accomplishing the mission of the Base Provost Marshal's Office.

3. **Action.**

a. Sergeant (E-5) SKINNER appeared before me at Meritorious Mast for his outstanding performance of duty. The following entry will be made on Page 11 of his Service Record Book:

"Appeared before the Battalion Commander, Headquarters Battalion, Marine Corps Base, Camp Lejeune, North Carolina, this date at Meritorious Mast for noteworthy performance of duty as Dog Catcher and NCO in Charge, Camp Dog Pound."

b. Sergeant (E-5) SKINNER's reporting senior is hereby directed to attach a copy of this bulletin to his next regular fitness report.

5. **Self-cancellation.** This bulletin is cancelled on 15 February 1961.

 Colonel, U. S. Marine Corps.

Unit Finishes Phase-One Of Vieques Plan

The 24th Marine Expeditionary Unit completed Phase I of landing exercise PHIBULEX 1-61, with an amphibious assault on the Island of Vieques, Puerto Rico, in mid-January.

The expeditionary unit consists of the 3rd Bn., Second Marines, Landing Team from Camp Lejeune, and the Provisional Marine Air Group-10 from Cherry Point. The Air Group contains both helicopters from New River and jet aircraft from the Marine Air Group-24 of the 2nd Marine Aircraft Wing.

The principal elements of the Battalion Landing Team were landed by helicopters from the helicopter assault carrier, the USS BOXER. Other elements of the BLT were landed by surface means, including amphibious tractors and landing craft, from the USS SPIEGEL GROVE, the USS FORT SNELLING and the USS RANKIN. The USS PLYMOUTH ROCK and the LORAIN COUNTY also participated in the operation by landing PROV. MAG-10 elements.

Valentines Of The Present Are Lighter On The Syrup

Appropriate sentiments can be heard, read, and observed throughout the year by couples, young and old. One of the special days of the year, Valentine's Day, observed since before the 14th century, will be celebrated Tuesday by friends, sweethearts, and loved ones.

If any day of the year is a proper time for unabashed, open sentiment, it's Feb. 14 when the lover serenades his beloved with cards, candy and flowers. You can't change the last two to suit the times—candy will always be sweet and flowers will always look pretty and smell nice.

But cards? It's a fact that the tokens of affection going through the mails for St. Valentine's Day 1961 will be a heap less sentimental than the cards that were exchanged years ago. A sense of humor, a breezy nonchalance have eased out much of yesterday's flowery endearments.

Valentines will never, of course, seriously reach the heights or depths—of lush sentiment that marked them in their Victorian heyday. Swains in the 1880's sent their sweethearts elaborately decorated, scented Valentine Day missives with inscriptions that were virtually proposals of marriage. The more frilly and ornate they were, the more the ladies cherished them.

Today's Valentines are designed to suit every taste, with a special sales appeal directed to the teenage market. On the cover of one is the simple but eloquent French phrase, "Je Vous Aime" (I Love You). Open it and you read, "Like Crazy!"

Some of the other phrases are equally jaunty and in the groove. "You need a good head on your shoulders—how about mine?" "We're too young to be Valentines, so let's get married." "I'm in orbit." "Let's cut out." "You're way out." "Like wow!" "I dig you." "Could I mooch a smooch?" "Hey, have a heart—mine!"

But for traditionalists, the sugary Valentines of yore are still available. One of the leading card manufacturers this year is introducing a new series of three-dimensional styles inspired by rare Victorian originals—lushly stunning riots of red, pink and gold hearts and plump cherubs certain to capture the feminine fancy.

You pays your money and you takes your choice. After all, it's the sentiment that counts.

TRUMP CARD — Hearts are always trump on Feb. 14, and lovely Virginia Gibson is sending hers to some lucky fellow. The charming Hollywood actress' eye-catching outfit makes her Valentine card all the more attractive.

Tea Dances To Begin At Hadnot Club

Tea Dancing to the music of Paul Pek and his 'Peek-A-Boos' and a Happy Hour every Sunday afternoon is one of the newest innovations at the Hadnot Point Staff NCO Club.

The Tea Dances will be from 4 to 8 p.m. with a Happy Hour from 4 to 6 p.m., according to MSgt. Archie A. Rolband, club manager.

"The Tea Dance will begin next Sunday and will continue every Sunday thereafter," Sergeant Rolband said. "Bring Mom, Dad, the in-laws and outlaws, too."

Don't over drive your headlights. You must see where you are going. If you are driving 60 m.p.h., it will take you, under average conditions, about 366 feet to stop. If you can see only 200 feet ahead, you will be in serious trouble if a stopped vehicle or other obstruction requires you to stop at that speed.

OBSERVERS—Maj. Gen. R. C. Mangrum, third from left, deputy commander, Fleet Marine Force, Atlantic, meets with Brig. Gen. L. F. Chapman Jr., commanding general, Force Troops, to observe one phase of "Operation Pantanos," Force Troops winter exercises. From the left they are Lt. Col. R. B. Smith, FMFLant; Capt. L. E.
