# From the Desk of the Commander

Omaha District,

Welcome to the Corps Day 2022! Thank you for another outstanding year of service to the Nation.

I had the privilege of assuming Command during the onset of the pandemic in 2020. I accepted the challenge of navigating this great District through uncharted territory; maximum telework, physical distancing, and in-person meeting restrictions. We diligently followed local and federal requirements to protect our workforce. Today, I am grateful for the opportunity to bring our team back together and celebrate our success in-person again.

Colonel Mark R. Himes  
Commander, Omaha District

For 88 years the Mighty Omaha District has written its own unique chapters to the USACE story starting with the building of the Ft. Peck Dam in Montana. The district has grown steadily and adapted to meet the many challenges that our country has encountered. Last year, we executed a record \$1.75 billion budget while simultaneously launching the Omaha 2025 initiative, the process of modernizing the organization for the future. Through strategic objectives, branding campaigns, telling the stories of our people, and building stronger hiring and retention efforts.

I continue to remain impressed by our diverse and talented team, and can-do attitude. Our workforce is spread out across parts of ten states, with more than 700 team members in the Omaha Metro area, and an additional 550 employees in the field. Additionally, our workforce includes 368 veterans who have taken off the uniform but continue to serve this great nation. At nearly 30% of the district's workforce, our veteran's play a vital role in the organization's success. Thank you all for selflessly serving and providing solutions. You, the people, create this world-class organization. Thank you all for the professionalism and commitment you have demonstrated every day across this mighty Omaha district in service to the USACE mission.

Today, we get to celebrate the past year's accomplishments, recognize some of our team members, thank our wise and talented retirees, highlight some of our projects, and acknowledge moments in our history.

This gathering helps to ensure that we never lose perspective of our story, and the many significant and unique contributions we get to make to the history of this great Nation every day. You can all be very proud of your outstanding achievements. I congratulate each one of you! Again, welcome, and enjoy today's activities.

Thank you & Essayons!

Colonel Mark R. Himes  
Commander, Omaha District
