A NOTE FROM THE EDITOR AND STAFF

Every month, we focus on the Navy's mission-focused people and technologies. As we survey how our naval forces continue to train, fight and equip the world's toughest Sailors, we look at our advantage at sea and the capabilities of Sailors deployed around the world. It is our mission to reach Sailors, so please share this issue, scan the QR codes, and follow our social media channels for the latest information for Sailors by Sailors.

HOORAH!

This photo of myself, (OS2 Mott, Delaney), and my best friend, (OS2 Lund, Alexandra), was from a snowball fight we, and about 60 other shipmates, had on the flight deck of the USS Kearsarge, LHD 3, when we were off the coast of Norway back in late April! It was super unplanned--we all just ran up to the flight deck and played everyone vs. the pilots!! It was definitely one of my favorite memories from this deployment for sure! Fun can be had anytime, anywhere while out to sea!

In the month of May 7628 Sailors were promoted to petty officer third class, 8146 Sailors were promoted to petty officer second class, and 3625 Sailors were promoted to petty officer first class.
