

Marine Corps Officer Program

Platoon Leaders Course (PLC)

The goal of Platoon Leaders Course (PLC) is to:

- 1) Prepare candidates for a paid summer internship at Marine Corps Officer Candidate School (OCS) in Quantico, VA.
- 2) Provide a job offer as a Marine Corps Officer upon completion of OCS and earning a bachelor's degree.

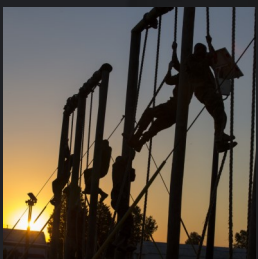

- Full-time and part-time opportunities (Active or Reserves)
- **Guaranteed** Pilot and Law routes

- 6-week or 10-week summer program
- Candidates receive competitive pay
- Room & board and travel expenses covered as well

- Tuition assistance available after completing training during college
- Commissioned officers are eligible for full-tuition coverage for post-secondary education

Over 25 career fields available

- Engineering
- Cyber-Security
- Administration
- ...and many more

Additional information:

- There is zero obligation for military service by applying, participating in, or completing this program.
- Applicants must complete their bachelor's degree to complete the program (training occurs over the summer in between semesters).
- Must be a United States Citizen to apply.
- This competitive program is available to all full-time college students.
- The program is compatible with any major and does not interfere with your college schedule.
