By Capt. John Randazzo
NSA Naples Commanding Officer

Team Naples, **UNICO App Guide**
We're always working to improve Quality of Life for our community for those without a car residing on Support Site. We understand that getting around without a personal vehicle can be a challenge, particularly when you're still adjusting to a new city. To make your transition to Naples as smooth as possible, we've put together a comprehensive guide to navigating the public transportation system using the UNICO App.

This guide is specifically designed with our Support Site residents in mind, to utilize the new bus route from the city of Gricigano. It provides a step-by-step instructions on how to use the UNICO App effectively. From downloading and setting up the app to planning your route from Support Site, purchasing tickets, and tracking your bus or train in real-time, our guide covers everything you need to know.

You can access the [UNICO APP Guide Here](#).

Wellness Collective
As we navigate the challenges of finding work/life balance, I also want to emphasize the importance of personal wellbeing. To support you in that effort, we've launched the Naples Wellness Collective Website. This resource offers various options to help you maintain your mental, physical, and social well-being, including tactical fitness groups and social organizations. See more information here: [Wellness Collective Link](#)

ICE Feedback
My team continues to listen and act on your feedback through ICE and other feedback channels. See [details about submitting an ICE comment, response and shout-outs on page 9](#).

Navy Celebrates 250 Years

America's Navy has promoted prosperity and security, deterred aggression, and protected the American way of life for 250 years.

NSA Naples is proud to be a part of this journey since creation in 1951, providing a forward-deployed operational platform to the Fleet, enabling the warfighter, and supporting the family. We will continue to support U.S. Naval Forces Europe-Africa, U.S. SIXTH Fleet, NATO, and Combatant Commander's strategic priorities by providing air and port operations, force protection, emergency services, logistical and administrative capabilities, and essential quality of life products and services to the Fleet, joint and allied forces to ensure stability in the European, African, and Central Command areas of responsibility.

From seabed to space, the Navy delivers power for peace – always ready to fight and win alongside our Allies and partners.

Capodichino Fire Station: Back and Better Than Ever! 150K Investment

By NSA Naples Public Affairs

NSA Naples recently unveiled a major upgrade for its incredible firefighters! The base invested \$150K in quality-of-life renovations for the Capodichino fire station, ensuring they have the best possible facilities and resources. The project, aimed at providing top-notch facilities and resources, was officially unveiled on March 3, 2025.

Base Commander Capt. John Randazzo and Fire Chief Jason Kinlaw were on hand to cut the ribbon, marking the opening of the revitalized station. The upgrade demonstrates NSA Naples' commitment to the well-being and readiness of its first responders.

NSA Naples Remembers Firefighter Paolo Mandara, A True Hero

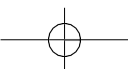

By Josephine Schneider

The NSA Naples community gathered on Mar. 20, 2025, to pay tribute to the life and service of Mr. Paolo Mandara during a memorial service at NSA Naples Capodichino Chapel. Mr. Mandara was a dedicated firefighter who served with distinction for over 25 years at NSA Naples Fire & Emergency Services.

Mr. Mandara is remembered for his unwavering dedication to service, his genuine compassion, and his commitment to ensuring the safety of NSA Naples community. His expertise extended beyond his daily duties, as he frequently consulted with top Italian civil protection officials on disaster preparedness.

The memorial service presided by NSA Naples Commanding Officer Capt. John Randazzo, offered an opportunity to celebrate Mr. Mandara's life, acknowledge his sacrifice, and offer condolences to his family, friends, and fellow firefighters. His legacy of courage and service will forever be remembered.

News in Brief: Around the Installation

Teddy Bear Club Tours NSA Naples Fire Station: Children from the Teddy Bear Club had an unforgettable field trip to the NSA Naples Fire & Emergency Services. From the moment they arrived, they were greeted by two amazing firefighters who gave them an action-packed tour filled with fire trucks, safety tips, and some seriously cool fire gear. The kids got hands-on with gadgets, played with bubbles, and, of course, snapped plenty of pics with Sparky the Fire Dog! To top it all off, each child received a special certificate to remember their day as honorary junior firefighters. Big thanks to the NSA Naples Fire Department for an incredible day.

DODEA Naples NJROTC Cadets Take Charge at NSA Naples: The DODEA Naples Middle-High School Navy Junior Reserve Officer Training Corps (NJROTC) program took on a new responsibility at NSA Naples, demonstrating their commitment to community service and leadership. A select group of Cadets have been entrusted with the care and upkeep of the popular "Pirate Ship Playground" on base. NSA Naples Command Master Chief Darin Vazquez met with the Cadets to personally assign them their "Pride Zone" and outline their responsibilities. This initiative provides the Cadets with valuable experience in teamwork, responsibility, and community engagement.

Know Your Numbers, Protect Your Health: American Red Cross Naples volunteers were all smiles at Allied Joint Force Command Naples, sharing the importance of knowing your blood pressure and providing information about the many programs they offer.

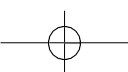

USS Mount Whitney Shotgun Qualifications: So far during a recent underway, Sailors shot the M500 12-gauge Shotgun. The purpose of the shoot was to train and qualify ship force security members in the operation and basic function of the weapon system. This qualification gives reaction team members more options when drawing weapons during a security or force protection alert to better fit the mission needs.

Prestigious Award for Italian Generals: Adm. Stuart Munsch, Commander JFC Naples & U.S. Naval Forces Europe and Africa, awarded the Legion of Merit to L.t. Gen. Giovanni Maria Iannucci, Joint Operations Commander and L.t. Gen. Angelo Michele Ristuccia, Commander of the Southern Operational Forces Command recently at the headquarters in Naples. This prestigious U.S. Military award was presented in recognition of their service leading NATO forces in Iraq and Kosovo respectively. It is awarded for outstanding service, fidelity, and loyalty in either combat or non-combat positions.

New Pergolas Provide Shade at Bella Napoli: Morale, Welfare, and Recreation invites you to enjoy your break under the newly-installed pergolas located outside Bella Napoli food court, on Capodichino. These shaded structures are part of a continuing effort to improve quality of life at NSA Naples for our community!

Off-Base Housing: Security Deposits Transitioning to Electronic Payments

This higher headquarter directed security deposit policy change aligns NSA Naples with all other DoD bases across the world and will enable personnel to experience the convenience of electronic payments.

By NSA Naples Public Affairs

At the direction of higher headquarters, Commander, Navy Region Europe, Africa, Central (CNREURAFCENT), NSA Naples is transitioning to electronic fund transfer (EFT) for off-base housing security deposit to ensure that our personnel living off-base can expect the same processes and standards they would experience at all other DoD bases across the world.

If you're stationed in the Naples area, residing off-base, and paid your security deposit in cash, it will be returned to you electronically and you will pay it back to your landlord electronically. The housing office will contact you to sign two acknowledgement forms and a lease amendment to complete the process and go electronic.

This higher headquarter directed security deposit policy change aligns NSA Naples with all other DoD bases across the world and will enable our personnel to experience the convenience of electronic payments.

Electronic payment removes a layer of bureaucracy allowing tenants to receive their security deposit directly from the landlord instead of going through NSA Naples housing office. Quick and easy.

Furthermore, electronic payment is more convenient than taking a trip to the ATM to get cash and more secure than carrying cash around. Going electronic will also reduce and/or eliminate the potential for cash drain at installation ATMs.

In the modern era, electronic payments are the preferred method of monetary transactions for every other overseas station and keeps an electronic transaction history, vice dependence on paper payment receipts.

[CLICK HERE](#) for the new Off-base Housing Security Deposit Process Fact Sheet and Issue Resolution Fact Sheet.

For questions regarding the new security deposit process, contact the housing office at:

Naples_Housing@us.navy.mil

DSN: 629-4466

Commercial: +39-081-629-4466

This change will ONLY affect tenant personnel residing off-base that have executed private lease agreements through the NSA Naples Housing Service Center (HSC) prior to 10 June 2024.

Personnel PCSing out of Italy by December 2025 will be grandfathered in and not be affected by this new policy.

The housing office will contact all concerned to sign two acknowledgement forms and a lease amendment to complete the process and go electronic.

Your Questions Answered

[What if the landlord refuses to return the deposit?](#)

A landlord who fails to return the deposit to a tenant would be subject to immediate removal from the NSA Naples housing program. It is an extremely rare occurrence to see a landlord who fails to return a security deposit back to tenant here in Naples. Per the lease agreement, and in rare instances where security deposit dispute between tenant and landlord cannot be resolved through informal meeting with the housing office, either party will have all remedies available to them under the law. As a DoD personnel, if you are not getting the legal help you need, you should always engage your chain of command to escalate the issue through appropriate channels.

[Will the security deposit be returned in Euros?](#)

Deposits are electronically returned in Euros if you provide account information that includes an IBAN number linked to a Euro bank account. If a tenant has a U.S. bank account, they will receive the money in dollars. Most personnel that own a community bank account have reported that it makes security deposit, rent, and bill payments to Italian landlords much easier. Other personnel are known to use the wire transfer service known as Wise. As for the exchange rate, this fluctuates on a daily basis and each tenant may realize a positive or negative difference between transactions depending on when the transaction occurs.

[Is it my responsibility to inform my landlord about this policy change?](#)

No. The housing service center will explain the policy change to each landlord.

Radon Awareness: 5 Things You Need to Know

On-base residential and non-residential units, including off-base Government leased units are in compliance with the Navy Radon Management Program.

By NSA Naples Public Affairs

Where does radon come from?

Radon is a naturally occurring, radioactive gas that is odorless, colorless, and tasteless. Radon gas is released from rocks and soil and can move to air, groundwater, and surface water.

How will I know if there is radon in my house? Can I smell it?

No, radon is odorless, colorless, and tasteless. The only way to detect radon is through testing.

How can I test my home if I live in a government owned/controlled unit?

In compliance with the Navy Radon Assessment and Mitigation Program (NAVRAMP), NSA Naples on-base residential and non-residential units, including off-base Government leased units are either tested or mitigated or currently being tested. If you ever receive notification from the base that your home or office space has elevated levels of radon above the EPA and Navy action level (4 picocuries per liter or higher), or have health concerns about exposure to radon, please contact your medical provider.

How can I test my home if I live off-base on the economy?

Personnel that live off-base have entered into a private contract with their landlord, therefore limiting the scope with which the U.S. government may intervene or have control over said contract. However, DoD personnel living off-base can work with their landlord to test for and mitigate radon, if desired, at their own expense. The lessee may work with the lessor to address any identified issues, as outlined in Section 19 of the NSA Naples housing lease.

What are the health impacts of radon?

Although radon exposure is the second-leading environmental cause of lung cancer death (after tobacco smoke), the benefit of screening for lung cancer has not been established. Currently, no effective, community-wide medical screening tests are recommended for the medical prevention or early diagnosis and treatment of radon-induced lung cancer. The U.S. Preventive Task Force Services does now recommend annual low-dose chest CT scanning in asymptomatic adults aged 50-80 who have a long smoking history regardless of any radon exposure.

While NSA Naples has a known overall potential for elevated radon levels, classifying the installation as a Radon Potential Category (RPC) 1 according to NAVRAMP, the installation is complying with NAVRAMP testing and mitigation policies at government owned/controlled units. RPC 1 is simply the level assigned when even one unit or building is found on the installation with a radon level over the minimum threshold of 4.0 picocuries per liter (pCi/L).

MWR Gaeta & Naval Hospital Naples Team Up for National Nutrition Month

By MWR Gaeta, USNH Naples

March roared in with a focus on healthy living as MWR Gaeta partnered with U.S. Naval Hospital (USNH) Naples Health Promotion & Wellness for a special "Get Ready, Get Fit, Get Healthy!" session. Timed perfectly with National Nutrition Month, the event offered Sailors and community members valuable insights into building a healthier lifestyle.

Attendees at the Fleet Recreation Center benefited from an informative overview of the ShipShape Program, a comprehensive approach to weight loss and management. ShipShape emphasizes the interconnectedness of four key components: nutrition, physical activity, mindset, and sleep.

Beyond the presentation, participants were provided with valuable resources, including handouts and recipes, to support their individual wellness journeys.

Naples Public Health Evaluation

In-Focus: Water Quality in Naples

By NSA Public Affairs & Environmental Division

Drinking Water On-Base

One of Naples Public Health Evaluation’s enduring processes is water safety which seeks to ensure that drinking water at all NSA Naples installations is tested and monitored routinely to ensure the water is fit for human consumption. The drinking water is tested in accordance with the U.S. Environmental Protection Agency (EPA), Italian and Commander, Navy Installations Command (CNIC) monitoring requirements on a daily, monthly, quarterly, and annual basis to ensure compliance with standards and be able to declare the water is fit for human consumption.

For instance, in 2024, NSA Naples collected 496 drinking water samples and performed over 6,300 tests in three categories: Chemical, more than 3,700 tests looking for over 180 chemical parameters; Bacteriological, more than 700 tests looking for over 5 Microbiological parameters; and Field Measurements, more than 1,800 tests looking for six field parameters. The tests looked specifically for 191 contaminants in five major groups: microbial contaminants; pesticides and herbicides; inorganic contaminants; organic chemical contaminants, and radioactive contaminants.

The health and well-being of all personnel and families in Naples is the base’s top priority. Routine testing ensures compliance with drinking water standards that are required to declare the water as fit for human consumption. The base is committed to keeping the military family fully informed through timely dissemination of credible information with complete transparency.

Water Sources, Testing, Treatment

The drinking water Consumer Confidence Reports (CCR) outlines all the water sources, testing and treatment process for NSA Naples installations: Capodichino, Support Site, SATCOM Lago Patria, Carney Park, and Gaeta Olde Mill Inn. The CCR is an annual on-base water quality report that a water system is required to provide every year to its customers. This is just like any public water system in the United States. The CCR helps people make informed choices about the water they drink. The latest CCR released on July 1, 2024 can be found on the NSA Naples website under the Environmental page: <https://cnreurafcent.cnic.navy.mil/Installations/NSA-Naples/Resources/Environmental-Services/>

Drinking Water Off-Base

Unlike on-base, the water quality cannot be verified at each off-base location or residence. As a precautionary measure, all personnel who live off-base are provided with bottled water for consumption. Bottled water is provided through housing lease provisions for all personnel living off-base. Check out the link below for the off-base bottled water factsheet and ensure your landlord is only supplying you with bottled water from manufacturers contained in the sheet. Fact Sheet: [Water Consumption for Off-Base Housing](#)

If at any point you feel your health is being or may be impacted by the environment, please contact your primary care physician. If you have questions about any of NPHE enduring processes, or any other environmental life, health or safety issue, send an email to Naples_LHS_questions@us.navy.mil

What Is Naples Public Health Evaluation (NPHE)?

The Naples Public Health Evaluation is a comprehensive study of the health risks associated with potential exposure to chemicals in the environment resulting from the area’s waste disposal practices. The Campania region of Italy has experienced numerous challenges associated with trash collection, open burning of uncollected trash and illegal waste disposal practices. In response to health concerns expressed by U.S. Navy personnel in 2007, the Commander, Navy Region Europe, Africa, Central (CNREURAFCENT) contacted the Navy and Marine Corps Force Health Protection Command (NMCFHPC) to conduct a comprehensive public health evaluation to assess the potential health risks for U.S. personnel living in the Naples area. The NPHE was conducted from January 2008 to June 2011.

What did the Navy learn from NPHE?

Through the Public Health Evaluation, the Navy has been able to identify and address public health risks for U.S. personnel living in the Campania region. The Navy established new health-protective policies and took immediate action to protect the health of U.S. personnel and their families. **Many of these health-protective policies remain in place, as enduring processes, to ensure continued health protection beyond the life of the study.**

Where are the results of NPHE and where can I read more about this evaluation?

The NPHE results are located on the Health Awareness section at NSA Naples website: [Read More About NPHE](#)

NSA Naples Housing Service Center

Fact Sheet: Water Consumption for Off-Base Housing

If you rent a property in the economy, it is important to know about **POTABLE WATER**. The rental unit must be supplied with city water. **It is also extremely forbidden to supply the property with well water.** The penalty will be the immediate termination of the contract.

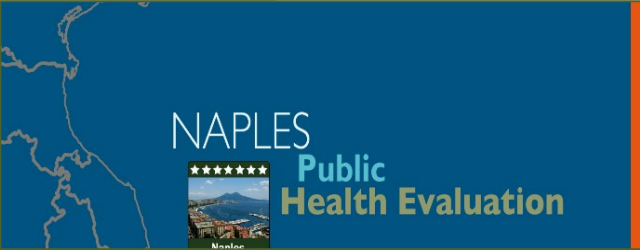

The landlord will provide potable water **every month** and must obtain receipts from the tenant.

The landlord will choose how to supply the water: either with bottled water or installing a water cooler system. In both cases, the company must be one of the NSA Naples-approved service sources, please see below:

- Acqua Minerale San Benedetto S.p.A
- Acque Minerali d’ Italia S.p.A
- Culligan Vicenza AAFES Water Plant
- Gran Guizza S.p.A San Pellegrino S.p.A
- Acqua Vera San Pellegrino S.p.A
- Levissima Plant Spumador S.p.A

The landlord will provide the necessary amount of bottled water and/or containers of water for the cooler according to family composition, as indicated in the orders, **four liters per day per person as per NSA Naples guidelines. Bottled Waters should be used for drinking/ cooking purposes.**

NASC members discuss safety and security efforts in the Naples area, Mar. 27, 2025.

z *By NSA Naples Public Affairs*

The Naples Area Security Committee (NASC) Executive Steering Council (ESC) recently gathered onboard U.S. Naval Support Activity (NSA) Naples to explore enhanced partnerships with local law enforcement and security entities.

Comprised of leaders from U.S. Consul General in Naples; U.S. Naval Forces Europe and Africa; Allied Joint Force Command; Navy Region Europe, Africa Central; NSA Naples; and local law enforcement agencies, the ESC provides strategic guidance on policy development that aims to create a safer, more secure community.

“By collaborating closely with our Italian partners and key stakeholders, we can develop comprehensive strategies that safeguard our personnel, their families, and the entire community,” said Capt. John Randazzo, NASC ESC member and NSA Naples commanding officer.

The NASC plays a vital role in promoting a safer community through education, awareness, information sharing, and policy development. The two main bodies of NASC are the ESC and the Naples Area Security Working Group (NASWG).

One of NASWG's flagship initiatives is the quarterly Naples Area Crime Trend Report. This report provides valuable insights into crime trends and patterns in the Naples area, enabling community members to stay informed and aware of their surroundings. By regularly monitoring and analyzing crime data, the NASWG helps to ensure that community members, prospective personnel and families can make informed decisions about their safety and security.

The NASC encourages community members to never leave valuables unattended and in plain view inside homes/vehicles and to Lock windows and doors especially at

First Class Petty Officer Association Promotes Literacy at NSA Naples

By MA1 David Buitrago, Naples Area FCPOA

In celebration of Dr. Seuss' birthday, members of the Naples Area First Class Petty Officer Association (FCPOA) onboard NSA Naples spent the day reading to local children, promoting literacy and the joy of reading. The event, held at the Support Site library brought together Navy leaders and young children for a fun-filled morning of storytelling, crafts, games, and adventure. The Sailors read classic Dr. Seuss tales, such as "The Cat in the Hat" and "Green Eggs and Ham," to a captivated audience of children and their parents.

The Naples Area FCPOA's participation in this event highlights the organization's commitment to giving back to the local community and promoting a love of reading among young children.

By sharing the magic of Dr. Seuss' stories, the Sailors aimed to inspire a lifelong love of reading and learning in the children they met.

“We're thrilled to have had the opportunity to celebrate Dr. Seuss' birthday with these amazing kids,” said David Buitrago, President of the Navy Naples Area FCPOA. "As Navy Leaders, we recognize the importance of literacy and education in building strong, capable, and compassionate individuals. We're proud to play a role in promoting a love of reading and inspiring the next generation of leaders and learners."

The event was a resounding success, with children and parents alike enjoying the interactive reading sessions, taking home prizes, and memories to cherish. The Naples Area FCPOA looks forward to continuing its community outreach efforts and promoting literacy and education in the Naples Italy area. Follow the [Naples Area FCPOA Facebook page](#) to stay updated on future community events.

Pest Prevention Tips

- To help prevent pests in your apartment, please follow these key steps:
- **Inspect for gaps:** Check for any gaps or openings to the outside, especially those ¼ inch in diameter or larger. These small gaps can allow pests to enter. If you find any, contact our maintenance team for immediate assistance in sealing them.
 - **Seal Food Properly:** Store all food in airtight containers to avoid attracting pests.
 - **Dispose of Trash Correctly:** Ensure that trash is placed in appropriate bins and regularly taken out to prevent pest problems.
 - **Do not leave pet food outside or feed stray animals:** This can attract pests, as they are drawn to the food left out for pets or strays.

Ongoing Maintenance at Support Site

Spring Preventive Maintenance

Our Spring Preventive Maintenance (PMI) is in high gear! We want to remind you of the importance of being home or ensuring your furry friends are safely tucked away in kennels on the scheduled day. Please ensure that your dryer is empty, as we will be conducting cleaning of the dryer exhaust vents. Scheduled maintenance helps keep our community in top-notch condition, ensuring your homes are comfortable and running smoothly. By completing these routine checks, we can address any potential issues before they become major headaches. Remember, your cooperation is invaluable in maintaining the quality of life we all enjoy here. It is a collective effort that keeps our community thriving. So, let's work together to keep our homes happy and healthy!

What is a Preventive Maintenance Inspection (PMI)?

A Preventive Maintenance Inspection is a proactive process aimed at preventing and addressing potential maintenance issues in residential properties before they become a serious problem. Here at NSA Naples, we do PMI's in the spring and fall seasons.

Family Housing Issue Resolution Guide:

Step 1:

Identify & report issue to the Maintenance Help Desk via phone or QR Code. Submit feedback reports and identify if new request is a repeat discrepancy.

**Trouble Call
Feedback Link:**

Step 2:

If your issue remains unsolved or was not completed to your satisfaction, please contact your Zone Manager. The most up-to-date contact information for your Zone Manager can be found on the bulletin board in the common area of your building or email:

NSANaplesHousingMaintenance@us.navy.mil

Step 3:

If your issue still is not resolved to your satisfaction, please call the Housing Director at +39 081-811-4410 or submit an Interactive Customer Evaluation (ICE) comment at:

https://ice.disa.mil/index.cfm?fa=card&sp=13961&s=163&dep=*DoD&sc=8

Unnacompanied Housing Bits

Unaccompanied Guest and Visitor Policy

****NO PERSON UNDER 18 YEARS OF AGE IS AUTHORIZED IN THE UH****

Residents are encouraged to invite guests, provided they do not interfere with good order or inconvenience other residents. Each resident is authorized to have up to five guests, with a maximum of five guests per unit at any given time. Guests must be accompanied by the host resident at all times, who is responsible for their behavior.

The authorized visiting hours for guests are:
Sunday-Thursday: 1200 to 2200
Friday-Saturday: 1200 to 0000

Overnight stays by guests are not permitted. Visitors include personnel in the unit for official duties such as command representatives, security, maintenance, cleaning, and inspection workers.

NSA Naples:

Interactive Customer Evaluation (ICE) System

Every feedback is welcomed, good or bad, that’s the surest way to help the installation improve services and quality of life in the community

By NSA Naples Public Affairs

The Interactive Customer Evaluation (ICE) system is a web-based tool that collects feedback on services provided by various organizations throughout the Department of Defense (DoD) including here at NSA Naples. Feedback can be positive (give a shout-out) or negative (report an issue). A combination of both is what helps us improve our services to better serve you.

Benefits of ICE:

- Allows community members to quickly and easily provide feedback to service provider managers on the installation.
- Gives NSA Naples leadership timely data on service quality.
- Allows service provider managers to benchmark their performance against like services in other DoD organizations.
- Saves money by providing an enterprise-wide capability to manage the resources necessary to collect and report on customer feedback and satisfaction ratings.

Do I get a response after submission?

Generally, if you provided contact information at the time of submitting an ICE Comment, it will be responded to within two weeks.

Response to your ICE Comment

COMMENT:

I just moved here, I like the mobile phone app, but I tried to give feedback on some features and it looks like the link is broken.

RESPONSE:

Thank you for this feedback. We are unsure if you are referring to the links in the feedback tab, if so, they are all functioning properly. Depending on your internet speed, you may give it a few seconds for a page to load after clicking a link. If you’re referring to a link somewhere else on the app, please send us the specifics so that we can fix accordingly. Apologies for any inconvenience this may have caused you.

Best way to submit an ICE comment?

- Visit the [ICE](#) website
- Navigate to the appropriate service provider managers link
- Input your comments and be specific
- Recommendations are welcomed
- Provide contact info if you require a response

NAVPTO

Navy Passenger Transportation Office (NAVPTO) has got to be one of the top organizations in NSA Naples. They were super easy to work with and fast to respond. I wish I left all offices as happy as I have theirs.

FFSC

I have struggled with my issues for over 10 years and a year of talking with Lynn Whiteaker has helped me in so many ways. I have felt heard. She guided me and taught me ways to heal myself and how I can continue that practice in the future. I will 100% recommend FFSC to everyone I know that needs help.

Military Family Housing

We lived on base for over a year and from when I checked in with Ben when first moving in and to now with moving units he has been amazing going above and beyond. Regarding the moving experience with Antonio; he was super informative and helpful. He has made the whole process easy and stress free. Our overall experience with everyone we have worked with on base regarding housing has been great.

Food Court (NEX)

Please acknowledge yesterday’s Wendy’s manager. It was about 14 or 1500. A uniformed sailor was in line about 30 customers deep. I asked if he would honor front of the line privs. He said that they normally do not, but was happy to take the sailor’s order. He came out from behind the counter to take the order. Thank you. That sailor was able to return to work in a reasonable amount of time.

Bella Napoli (MWR)

Many, many thanks for the covers on the patio. That will allow us to eat outside in the fresh air even when it rains. However, we, especially the Neapolitans, live for the return of the sunshine. We need a way to open the grates so that we can let the sun in when it is not raining. Another solutions would be more tables out in the sun so that people can choose. For most of us, lunch time is the only fresh air and sunshine that we get all week.

Local Lens: Unveiling Campania’s Hidden Gems

Caserta Vecchia

By Paolo Cutillo, Contributing Writer

The grandeur of the Royal Palace of Caserta is hard to overstate. Built in the 18th century by the Bourbon King Charles III, this monumental palace was designed to rival Versailles. With its 1,200 rooms, stunning Baroque and Neoclassical interiors, and the breathtaking English and Italian gardens, it stands as one of Italy’s most impressive architectural masterpieces. Walking through its halls, you can almost hear the echoes of royal footsteps, while the waterfalls and fountains in the sprawling gardens create an atmosphere of pure enchantment.

But did you know... just a short drive away lies a completely different side of Caserta’s history?

Welcome to Casertavecchia, a medieval village perched on a hill 401 meters above sea level. This hidden gem offers cobblestone streets, ancient stone houses, and a 12th-century cathedral that make you feel as if you’ve stepped back in time. Once a Lombard stronghold, Casertavecchia was later influenced by Norman, Arab, and Swabian cultures, leaving behind a rich architectural and historical legacy.

Today, this charming village is a perfect escape from the modern world. Whether you’re wandering through its narrow alleys, enjoying traditional Neapolitan cuisine in a rustic trattoria, or simply taking in the panoramic views of the Campanian plains, Casertavecchia is a place where history and tranquility meet.

Security

Reserved Parking Requirement

When parking in designated parking spaces onboard NSA Naples Support Site and Capodichino, personnel must display their associated parking placard.

Failure to display the placard may result in ticketing and/or booting of your vehicle

General OPSEC Reminders

Assume that anyone can see information you post and share regarding your activities, whereabouts, and personal or professional life.

- Everyone should be careful with who they friend on social media and who follows them. Not everyone who wants to be a friend or follower is who they claim to be.
- Be mindful of others attempting to use social presence as a means of targeting individuals.
- Only establish and maintain connections with people you know and trust.

Housing Policy Update

For On-Base Residents with Fully Electric Vehicles

We've heard your concerns regarding the challenges of owning fully electric vehicles under the current housing policy. We appreciate your feedback and are excited to announce that we are updating this policy to better address your needs.

For those that have previously submitted an exception to policy request related to charging vehicles on-base, the Housing team will be in touch soon to discuss the option of relocating to economy housing. We are dedicated to supporting our residents throughout this transition and encourage you to reach out to us directly at naples_housing@us.navy.mil with any questions.

Required Documents to submit Exception to Policy:

1. Proof of PCS with vehicle from VPC
2. Proof of vehicle specifications, including full EV, partial electric vehicles do not fit this criteria.
3. Proof of registration with MVRO or a Signed memo stating intentions to register and maintain ownership of the vehicle throughout the duration of the tour.

Upcoming Demolition of B443 at Capodichino: Four Things to Know

The demolition of Building B443 is scheduled to begin around May 2025. B443 is the former barracks; the long structure located behind the Mobile Bar. This demo project will necessitate some changes that all tenants should be aware of and plan for accordingly.

Mobile Bar Relocation - Enjoy Uninterrupted Service!
To ensure continued service during the B443 demolition, the Mobile Bar will be temporarily relocated to a new spot near B447. For reference, B447 is located opposite the C4I entrance area. Don't worry, the current Mobile Bar will remain open until the new location is ready! We'll share more details about the move, including the opening date of the temporary location, as soon as they are available.

BBQ Pit Temporal Closure Starting in Late March 2025
As part of the Mobile Bar's relocation project, the BBQ pit near Building B447 will be temporarily closed from around end of March to April 2025. This closure will allow for the installation of essential utilities at the Mobile Bar's new temporary location.

Outage of Smoking Area Near Mobile Bar
The Smoking Area/Gazebo located near the Mobile Bar and B443 will be closed starting in April 2025 until project completion, anticipated in summer 2026.

Pedestrian Traffic Detour
For your safety during the B443 demolition project, a pedestrian detour will be in effect starting in April 2025. The detour will remain in place until project completion, anticipated in Summer 2026. Please follow posted detour signs and exercise caution while navigating the area.

Dietitian Approved Fueling Stations: Take advantage of this nutritious grab-n-go option

By DeCA Marketing Division
FORT GREGG-ADAMS, Va. — Dietitian Approved Fueling Stations are grab-n-go, dietitian-approved, nutritious and high-performance snacks and meals. They’re great for fueling and refueling before and after a workout, an alternative to using the drive thru and are an ideal solution to quickly stock office and barracks fridges. We know that "fueling for performance" is a key concern for our military community when it comes to the importance of nutrition and diet on overall readiness. These stations are full of dietitian approved snacks and meals that are nutritious and high-performance foods. **To learn more, [CLICK HERE.](#)**

Your Everyday Savings: Say ‘YES’ now to even more savings on all your everyday commissary items you love

By DeCA’s Marketing Directorate
FORT GREGG-ADAMS, Va. – “Your Everyday Savings!” (YES!) just got better! We’re lowering prices even further on the items our customers purchase most. You can enjoy YES! items whether you’re stateside or overseas. Our mandate is to have our customers save \$25 for every \$100 they spend at their commissary. Hundreds of items including milk, eggs, fresh meats, bananas, cleaning products and much more are available for great savings. Just look for the bright orange YES! label in store to start saving now! **To learn more, [CLICK HERE.](#)**

Store Director’s Scoop: Store Director | Dennis.D.Holm.civ@mail.mil | 081-811-4871

Here at the Commissary, we are working on being the grocery provider of choice for our eligible patrons. You will see daily savings throughout the store to reach our goal of saving you the patron on average 25% from your shopping experience. We understand how important this benefit is to you overseas. Getting the items, you know, is import to us. Our procurement team is working non-stop to get us all the products we can to keep our shelves full for you. When the supply chain issues come around, they find alternatives to help us get what we need.

Remember the Food Guide Pyramid? Try USDA's MyPlate instead

It was great for its time, but much has changed since 1992. USDA invites you to update to MyPlate. It's the modern way to eat better every day. It's easy to use, customizable, based on science, and an overall great way to enjoy healthier eating.

Launched in 2011, MyPlate's symbol is a simple visual reminder to choose a variety of foods throughout the day and throughout the week. It represents what and how much to eat from each of the food groups over the course of the day, whether you eat on a plate, from a bowl, or another way. **To learn more, [CLICK HERE.](#)**

#DYK: Healthy Living

We know that nutrition and health play vital roles in the readiness of the military community. That's why we've developed a number of programs to strengthen the nutrition and health of service members and their families.

NSA Naples Emergency Management Support

Mr. Quinn, NSA Naples Emergency management Officer, showed up at the commissary to give a briefing on preparation for the just-in-case scenario. The Naples Commissary team can't thank him enough for his support.

Time to say Auguri!

After 34 Years of Service, Mr. Mosca says farewell

After an incredible 34 years of service to our community, Mr. Mosca, one of our dedicated front-end personnel, is moving on to a well-deserved new chapter. While we are sad to see him go, we offer our heartfelt "Auguri!" and best wishes for the future.

Highlight: DeCA's Vision!

“To be THE grocery provider of choice for our eligible patrons – delivering a vital benefit exclusively for our military community and their families.”

We are constantly improving our services for you, our patrons. New products are constantly being brought in and more of our store brand to help give savings to you, our patrons. We strive to bring you the best customer service as a show of our thanks and support for all you do for our great nation.

*Thank you for your patronage.
