

CECOM

ARMY MEDICAL LOGISTICS COMMAND

Mission

Delivers integrated medical logistics that enables Army and Joint Force readiness from the strategic support area to the tactical edge.

Vision

Be a trusted sustainer for global medical logistics.

Portfolio

Medical Materiel Centers (MMCs)

- USAMMC-Europe
- USAMMC-Korea

Provides joint theater-level medical supply support as the primary distribution link between DLA suppliers and Combatant Commanders, ensuring medical materiel is delivered to operational theater.

Medical Army Prepositioned Stocks

Manages Class VIII acquisition, storage, and distribution of prepositioned stocks including Brigade/Unit Sets, Operational Projects and War Reserve Sustainment.

Unit Deployment Package (UDP)

Provides early-deploying units with potency and dated (P&D) medical materiel, ensuring "Echelon Above Brigade" units have critical under-60-day shelf life resources to support immediate contingency operations.

Medical Materiel Readiness Program (MMRP)

Manages HQDA's program of four Hospital Centers at Sierra Army Depot to ensure high-maintenance medical materiel are mission ready for deployment to active and reserve units.

Medical Maintenance

The Army's only Sustainment and Depot Level medical maintenance capability. Provides Field Level support to MTOE units lacking maintenance capability.

Global Presence

Operations

MMC OPERATIONS

Joint Support: Provides direct support to 800+ Joint Forces in EUCOM, AFRICOM, CENTCOM and USFK, serving as the designated Theater Lead Agent for Medical Materiel.

Class VIII: Manages \$205M+ in CLVIII sales.

Optical Fabrication: Fabricates 62K pairs of glasses at two labs.

FORCE PROJECTION

Contingency Programs: Manages centralized programs (MCDM, MMRP, and UDPs) & Army Prepositioned Stock (APS) valued at \$1.2B.

MEDICAL MAINTENANCE

Device Inspection, Repair, and Return: Completes 15K medical device work orders, including repair and returns and technical inspections.

SP-TMDE: Calibrates 1,600 Special Purpose (medical) Test, Measurement & Diagnostic Equipment (SP-TMDE).
