From the Installation Commanding Officer

By Capt. Benjamin Foster
*Commanding Officer,
NSA Naples*

To the NSA Naples Community,

First, I want to extend my sincere gratitude to the team that put so much hard work into the recent change of command ceremony. Your diligent efforts made that day possible and set a standard of excellence. I also want to personally thank our Housing and MVRO teams for their incredible support in easing my family’s transition.

As we move forward together, I want to be clear that our core mission has not changed: we are here to sustain the fleet, enable the warfighter, and support the family. Our vision also remains unchanged.

We will continue to challenge ourselves to be the flagship base in Europe through careful planning, professional execution, and intentional communication. What will change is the leadership style you see on the deckplates. My leadership philosophy is built on three pillars: Learn, Perform, and Care.

Learn: Embrace a learning mindset. I want us to become an organization that continuously learns and evolves to meet new challenges. We must embrace the new tools and technologies that our predecessors only dreamed about.

Perform: I ask for an honest day’s work. Be professional and strive to be better today than you were yesterday. If you are a supervisor, plan for both the near- and long-term horizons. Set goals, challenge your teams, and drive excellence.

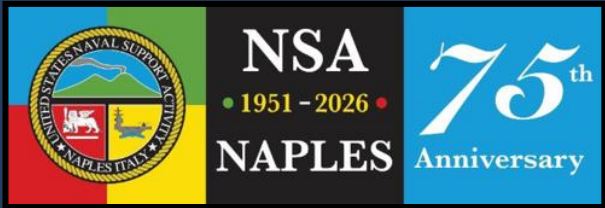

Care: Take care of yourself, take care of your families, and get involved in our community. Embrace the people and the culture surrounding us. We will constantly balance the demands of the mission with the needs of our teams.

There will undoubtedly be times when the mission must come first, but make no mistake: **our people are our true asymmetric advantage.** The mission only succeeds if we take care of the people doing the work.

My fundamental expectation for everyone working for NSA Naples is simple: I want you to be the CO for everything entrusted to you. Own your failures, celebrate your successes, and take immense pride in the work we do. Develop your team to accomplish the mission and prepare your relief to take the watch.

Finally, to our Italian partners both inside and outside the fenceline—thank you. We could not continue to accomplish the mission here without your enduring partnership and hospitality. I am honored to be your new commanding officer, and I am excited to get to work.

Commemorative Coin (Front)

Commemorative Coin (Back)

Established on 3 October 1951, as Headquarters, Support Activities, Naval Support Activity (NSA) Naples began its mission to support NATO’s Allied Forces Southern Europe and the U.S. Sixth Fleet. After two years, the unit was renamed Commander, Subordinate Command, U.S. Naval Forces Eastern Atlantic/Commander, Headquarters Support Activities. It saw another redesignation in 1957 to U.S. Naval Activities, Italy. On 8 August 1966, it received its current and final name: U.S. Naval Support Activity (NSA), Naples.

NSA Naples is an operational ashore base home to over 50 tenant commands and 8,500 personnel. Providing a forward-deployed platform to the fleet that enables the warfighter and supports the family, NSA Naples supports U.S. Naval Forces Europe-Africa, U.S. Sixth Fleet, NATO, and combatant commander strategic priorities to ensure stability across the European, African, and Central Command areas of responsibility. As it approaches its 75th anniversary, NSA Naples celebrates the Sailors, their families, and civilian employees—both U.S. and Italian—for 75 years of dedicated service and enduring partnership.

Navy Headspace Visits NSA Naples

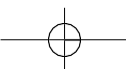

By NSA Naples Public Affairs

The Navy Headspace team visited U.S. Naval Support Activity (NSA) Naples at Capodichino, July 9, 2026, conducting information sessions to promote mental fitness and operational readiness across the installation.

The sessions introduced personnel to Headspace, an approved application designed to support rest, resilience, and overall performance for service members and their families. By offering tools for stress management and mindfulness, these sessions provide critical quality-of-life resources that help the community decompress and maintain the peak performance necessary to execute the mission.

Equip yourself and your family today: download the [NSA Naples Italy App](#) and access Headspace directly from the Mental Health and Well-being section.

News in Brief: Around the Installation

NSAND GAETA

NSA Naples Detachment Gaeta Bids Farewell to Capt. Randazzo: Cmdr. Karen Buchanan, officer in charge of NSA Naples Detachment Gaeta, presented a farewell gift to Capt. John Randazzo, former commanding officer of NSA Naples, during a visit to the detachment, on July 9, 2026. The presentation honored Randazzo's leadership and deep commitment to the Gaeta community at the near end of a successful command tour. Under his tenure, the installation prioritized critical quality-of-life improvements for Gaeta-based personnel, most notably transitioning Sailors off shipboard berthing and into dedicated ashore housing to ensure they are fully supported and ready to execute the mission.

UNACCOMPANIED HOUSING

NSA Naples Installs Fiber-Optic Internet for Unaccompanied Housing: U.S. Naval Support Activity (NSA) Naples installed fiber-optic internet services for Sailors residing in unaccompanied housing onboard the NSA Naples Support Site, on July 8, 2026. The fiber-optic upgrade directly aligns with the Navy's "Get Real, Get Better" initiative, which is aimed at improving quality of life and operational readiness. Under this initiative, the installation continues to prioritize critical modernizations to ensure that personnel are fully supported, connected, and ready to execute the mission.

JFC NAPLES

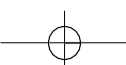

Allied Joint Force Command Naples hosts the United States Chief Master Sergeant of the Air Force: Recently, Allied Joint Force Command Naples was honored to host the United States Chief Master Sergeant of the Air Force David R. Wolfe! Chief Wolfe met with service members to discuss operational readiness, leadership, and the vital role JFC Naples personnel play in supporting the NATO mission.

USO

USO Naples Bingo Under the Stars: The Village Forum was filled with laughter, new faces, and familiar friends enjoying a perfect summer night of connection and friendly competition. With nine exciting rounds of bingo, fantastic prizes, giveaways, and tokens for every child, everyone went home happy, all while enjoying hot dogs, ice cream, and refreshing lemonade. A huge thank you goes to our energetic volunteers who braved the summer heat, and to our generous partners who made the night possible: Tenuta Fontana, Kajna Pizzeria, Antonio Zaccariello Hairdresser, and our wonderful donors. Thanks to everyone who joined for another unforgettable USO Naples event.

Radon Awareness: How Radon Enters Homes

On-base residential and non-residential units, including off-base Government leased units are in compliance with the Navy Radon Management Program.

Radon can build up to harmful levels in any home or building anywhere in the world.

People can be exposed to radon in their:

Homes

Schools

Workplaces

www.cdc.gov/radon

By NSA Naples Public Affairs

Radon is a naturally occurring, radioactive gas that is odorless, colorless, and tasteless. Radon gas is released from rocks and soil and can move to air, groundwater, and surface water. It is normally found at very low levels in outdoor air and can be found in water used for cooking and drinking.

Radon can build up in the air in any home or building, whether it has a basement, is sealed or drafty, or is new or old. Take action this month to reduce the risks of radon in your home by opening windows and using fans to circulate air. This increases airflow and mitigates the buildup of radon.

In compliance with the Navy Radon Assessment and Mitigation Program (NAVRAMP), NSA Naples on-base residential and non-residential units, including off-base Government leased units are either tested or mitigated or currently being tested.

Personnel that live off base have entered a private contract with their landlord, therefore limiting the scope with which the U.S. government may intervene or have control over said contract. However, DoD personnel living off base can work with their landlord to test for and mitigate radon, if desired, at their own expense.

The lessee may work with the lessor to address any identified issues, as outlined in Section 19 of the NSA Naples housing lease.

Information about finding an at-home radon test kit is available through the Environmental Protection Agency: [Link Here](#)

If you have specific questions about your home or your options, please contact our housing office for assistance at:
DSN: 629-4466
Commercial: +39-081-629-4466
Email: Naples_Housing@us.navy.mil

While NSA Naples has a known overall potential for elevated radon levels, classifying the installation as a Radon Potential Category (RPC) 1 according to the NAVRAMP, the installation is complying with NAVRAMP testing and mitigation policies at government owned/controlled units.

RPC1 is simply the level assigned when even one unit or building is found on the installation with a radon level over the minimum threshold of 4.0 picocuries per liter (pCi/L).

Notice: Update On Radon Test Results at NSA Naples Non-Residential Facilities

This notice provides an update to the February 9, 2026, public notice to reject the radon testing results at NSA Naples' non-residential facilities following the Navy Radon Assessment and Mitigation Program (NAVRAMP) Guidebook. After working closely with the laboratory, equipment manufacturer, and testing contractor, we conducted a comprehensive analysis of the data. A review panel of public health experts confirmed that all initial quality assurance (QA) concerns have been fully resolved, and the test results have been confirmed as valid and reliable. This update officially replaces the February 9 notice.

1. Why were the results rejected in February if they are now considered valid?
We initially acted in alignment with the NAVRAMP on a QA concern in the test data. As required by the Navy's process, a detailed NAVRAMP-compliant error analysis was conducted. That detailed analysis, which was not available at the time of the initial QA concern, demonstrated the results are accurate and reliable, allowing us to move forward with confidence.

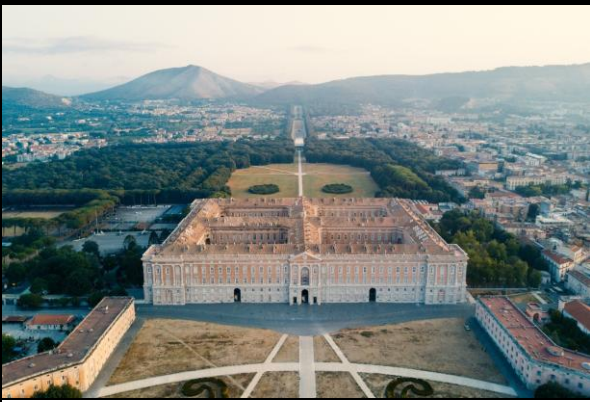

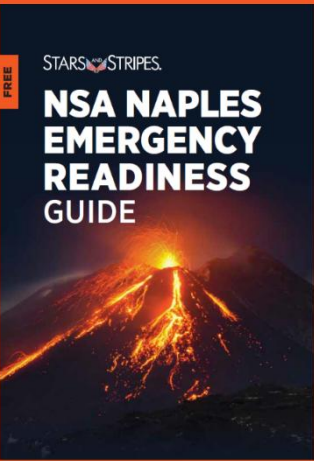

2. What are the results and the next steps?
These results have identified 37 rooms/spaces with radon levels requiring action. NSA Naples is taking immediate steps to address every one of these cases. A summary of the results and mitigation plan can be found in enclosure (1) of this notice. We will keep the community informed of the mitigation efforts in those affected buildings.

Click the link below to read the full notice with frequently asked questions and radon fact sheet: [Full Notice with Frequently Asked Questions](#)

By Mr. Paolo Cutillo

August is back in Campania: while the afternoon sun hits hard and some city shops take a short summer break, the region truly comes alive through the lens of local traditions and hidden escapes.

To survive and enjoy the month like a true local, your first rule is to embrace the southern rhythm: hide from the intense heat between 1:30 PM and 4:30 PM for a long lunch or a siesta, and save your energy for the vibrant, cooler nights when everyone heads out for a late-night passeggiata and a midnight gelato.

When you want to escape the city crowd, skip the mainstream beaches and head to Posillipo in Napoli: here you can rent a kayak to paddle through the ancient Roman ruins of the Gaiola Underwater Park, or take a traditional wooden boat called scafetiello from Marechiaro to spend the day diving off the deep-blue waters of the Scoglione rock.

If you prefer to head north toward Caserta, the iconic Royal Palace is always waiting for you, but the real insider secret is to arrive early in the morning and rent a bike to breeze through the shaded English Gardens without melting under the sun.

As the day cools down, do what the locals do and drive up to the medieval village of Casertavecchia or take a short trip to mountains little towns like Piedimonte Matese or Letino: nestled in the hills, these ancient stone towns offers a refreshing breeze, stunning panoramic views, and the perfect atmosphere to enjoy a cold craft beer and an authentic dinner away from the summer chaos.

Fuel Your Fitness: NSA Naples' Comprehensive Nutrition and Wellness Programs

Keeping the NSA Naples community healthy and mission-ready is a top priority, with a variety of programs available to support nutritional and fitness goals. From weight management to healthy eating on the go, there are resources for active-duty personnel, civilians, their beneficiaries, and local nationals.

Shape Up with the Ship Shape Program
For those looking to manage their weight, the Ship Shape program, offered by NMRTC Naples, is a valuable resource. This weight management program is open to active-duty personnel, civilians, beneficiaries, and local nationals.

The program provides a supportive environment to create an individualized action plan for achieving nutrition and physical activity goals. To sign up, email Hannah M. Chovancek at hannah.m.chovancek.civ@health.mil

Healthy Eating Made Easy with Prep & Plate
The Naples Commissary is making it easier than ever to eat healthy at home with their "Prep & Plate" program.

Located in Aisle 8, this program features QR codes that link to recipes approved by the U.S. Naval Hospital Naples Dietitian. These recipes are perfect for families and single service members alike, for a variety of healthy and convenient meal options. Access the recipes by scanning the QR code in-store or by visiting the following link: [DeCA Prep and Plate](#)

Fueling for Performance with NOFFS
The Navy Operational Fitness and Fueling System (NOFFS) offers a comprehensive approach to fitness and nutrition. This program guidance on how to train effectively and make healthy nutrition choices.

The NOFFS program includes a fitness and refueling series designed to help individuals maintain peak physical readiness. You can find more information about the NOFFS program and its resources at the link here: [NOFFS Fueling Series](#)

These programs, along with recent significant investments in fitness facility upgrades at NSA Naples, demonstrate a strong commitment to the health and well-being of the entire community.

Naples Public Health Evaluation

In-Focus: Food Safety in Naples

By Josephine Schneider

Food Inspection On-Base

One of Naples Public Health Evaluation’s enduring processes is food safety, which seeks to ensure that food sold at the Commissary on U.S. Naval Support Activity, Naples Support Site is safe to eat and undergoes a rigorous process by the U.S. Army Veterinary Command (VETCOM) who serve as the local food inspectors before entering the store to be sold. The Commissary has labeled the fresh produce to inform shoppers of the area from which the produce is grown. Much of the produce in the Commissary is from Germany and Northern Italy.

Continuous Food Safety Monitoring

Food provided on base is monitored on an ongoing basis. The U.S. Naval Hospital Naples Preventive Medicine routinely inspects all dining facilities on base to ensure that food is properly stored, maintained, and prepared. In accordance with Department of Defense Directive 6400.4, VETCOM ensures inspectors are stationed in the Commissary and consistently monitor food products; all food products are from VETCOM-approved sources that have been inspected; buying from approved sources is required for all meat, dairy, eggs, prepared vegetables and bottled water (fresh produce is exempt in Western Europe); proper facility sanitation; personal hygiene practices of food service workers; and education of food service managers and employees about food safety.

Food Inspections Off-Base

The U.S. Government does not inspect restaurants or supermarkets off-base. Italy has a system in place to inspect Italian food facilities, markets, and suppliers. However, the health and well-being of all personnel and families in Naples is the base’s top priority. VETCOM inspects Italian food manufacturing facilities producing food that is supplied to U.S. military installations.

Food Safety Tips

The U.S. Department of Health and Human Services provides valuable sanitary practices that can apply wherever you live in the world:

- Wash fresh fruits and vegetables thoroughly with potable water prior to eating or cooking.
- Immune-compromised people should consume only cooked fruits and vegetables.
- Use separate cutting boards, plates and utensils for uncooked and cooked meats to avoid cross-contamination.
- Use a food thermometer to make sure meat is cooked to a safe temperature.
- Refrigerate hot or cold leftover food within two hours of being served. Keep leftovers for three to four days when properly refrigerated.

If at any point you feel your health is being or may be impacted by the environment, please contact your primary care physician. If you have questions about any of NPHE enduring processes, or any other environmental life, health or safety issue, send an email to Naples_LHS_questions@us.navy.mil

What Is Naples Public Health Evaluation (NPHE)?

The Naples Public Health Evaluation is a comprehensive study of the health risks associated with potential exposure to chemicals in the environment resulting from the area's waste disposal practices. The Campania region of Italy has experienced numerous challenges associated with trash collection, open burning of uncollected trash and illegal waste disposal practices. In response to health concerns expressed by U.S. Navy personnel in 2007, the Commander, Navy Region Europe, Africa, Central (CNREURAFCENT) contacted the Navy and Marine Corps Force Health Protection Command (NMCFHPC) to conduct a comprehensive public health evaluation to assess the potential health risks for U.S. personnel living in the Naples area. The NPHE was conducted from January 2008 to June 2011.

What did the Navy learn from NPHE?

Through the Public Health Evaluation, the Navy has been able to identify and address public health risks for U.S. personnel living in the Campania region. The Navy established new health-protective policies and took immediate action to protect the health of U.S. personnel and their families. **Many of these health-protective policies remain in place, as enduring processes, to ensure continued health protection beyond the life of the study.**

Where are the results of NPHE and where can I read more about this evaluation?

The NPHE results are located on the Health Awareness section at NSA Naples website: [Read More about NPHE](#)

Naples Public Health Evaluation Enduring Processes Focuses on:

- Air Quality
- Water Safety
- Food Safety

Your Health: Facts for Families in Naples

About: Food On and Off-Base

The U.S. Navy is committed to ensuring our families are safe while serving our country at home or overseas. The following information is provided as part of a wide-ranging effort to understand the health risks of our personnel and families living in Naples, Italy. A comprehensive Public Health Evaluation was conducted to assess potential short and long-term health risks associated with living in the Naples area (see left panel). In line with our commitment to continually share important health information, we encourage you to review the following information.

In 2007, numerous reports of high dioxin levels and other chemicals in air, water, and soil created a concern amongst the U.S. Navy community that foods grown in the Campania region could be contaminated. Articles in newspapers and in some Italian scientific journals alleged links between adverse health effects and the toxic waste dumps in the Campania region. These articles implicated locally grown vegetables, fruits, and mozzarella di bufala as possibly contaminated foods.

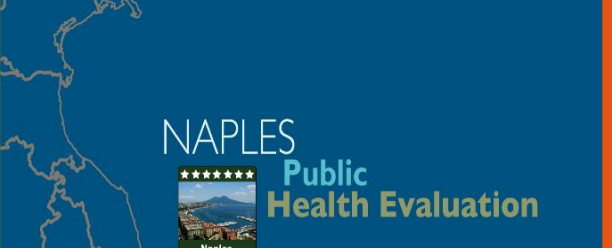

As part of the Navy’s overall efforts to be protective of the health of U.S. military and civilian personnel and their families in Naples, the Navy and U.S. Army Veterinary Command (VETCOM) conducted an investigation of foods produced in the Campania region and sold in the Naples Gricignano D’Aversa Navy Commissary (Commissary). The food study was performed in February 2008.

VETCOM is the Department of Defense executive agent for food safety and quality assurance and is responsible for providing direct assistance to all DOD agencies requiring support with respect to food safety and food defense.

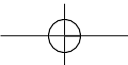

Although there are multiple layers of health protection already in place for U.S. personnel purchasing food items at the Commissary, the presumed higher potential for environmental contaminants to be present in the Campania region led the Naples Public Health Evaluation team to conduct a food study. The study went beyond routine inspections of food products by performing various laboratory analyses, which are normally not mandated by VETCOM. Foods grown locally, particularly fresh fruits and vegetables, received a closer look.

Using the above criteria, an assessment of the Commissary was conducted. Products that met the food study criteria and were thus evaluated in the study included:

- Artichokes
- Celery
- Spinach
- Cabbage
- Chicken
- Carrots
- Mushrooms

[READ THE FULL FACT SHEET HERE](#)

Capt. Foster Takes Helm of NSA Naples As 36th Commanding Officer

By NSA Naples Public Affairs

Capt. Benjamin Foster relieved Capt. John Randazzo as commander, U.S. Naval Support Activity (NSA) Naples, during a change of command ceremony in front of the installation's headquarters, July 23, to mark a seamless transition of leadership.

The event highlighted a historic milestone for the flagship base as it celebrates 75 years of dedicated service and enduring partnership in the Campania region. During his three-year tenure, Randazzo strengthened ties with Italian hosts by engaging with mayors from surrounding municipalities, including Naples, Gricignano, Pozzuoli, and Pompeii, to support the 55 tenant commands and 8,500 personnel stationed across the footprint.

Navy officials say maintaining these community ties is a key part of operational readiness, ensuring Sailors and families are fully supported to execute the mission. Under Randazzo's leadership, the installation delivered critical quality-of-life upgrades, including a \$512,000 investment in fitness facilities, barracks modernization, and new ashore housing for Gaeta-based Sailors.

The ceremony also served as a gathering of allied leaders, featuring representatives from U.S. Naval Forces Europe-Africa, U.S. 6th Fleet, and host nation officials. The event was complemented by the Italian Army's 8th Bersaglieri Regiment Band, combining American military traditions with Italian culture to reinforce the strong bond shared between the two nations.

Capt. Foster, a naval aviator arriving from U.S. Space Command, highlighted his commitment to maintaining this high standard of support. He emphasized his goals of working alongside Italian partners to sustain fleet operations, enhance the cooperative mission, and support military families in Europe.

This leadership transition brings renewed momentum as NSA Naples celebrates 75 years of dedicated service and joint partnership. The milestone also coincides with the Navy's commemoration of 250 years of defending freedom and protecting prosperity across the globe.

A Star-Spangled Night To Remember

By NSA Naples Public Affairs

The U.S. Naval Support Activity (NSA) Naples Morale, Welfare and Recreation (MWR) program hosted the annual Festa Americana at Carney Park, July 4, 2026, to celebrate America's 250th Independence Day.

The event highlighted a historic milestone for both the nation and the military community, bringing together service members, local national employees, families, and host nation friends for a day of celebration. MWR officials continue to prioritize these large-scale events as a key part of providing a sense of home and ensuring Sailors and families have a place to relax and connect while stationed overseas.

Festivities throughout the day offered a variety of classic American traditions, including a watermelon eating contest and a live musical performance by country music artist Larry Fleet.

The evening culminated in a grand fireworks display, combining American patriotic flair with the unique geographical setting of Carney Park's extinct volcanic crater.

Creating spaces to celebrate shared values and milestones remains at the very heart of the U.S.-Italy relationship. The large gathering served as a unique opportunity to strengthen the connection between the base and its host nation partners during a significant national holiday.

This year's Festa Americana generated renewed momentum across the installation as the community joined together to commemorate 250 years of independence, honoring a legacy of defending freedom and protecting prosperity around the globe.

Housing Bits

By Paolo Cutillo
NSA Naples Housing

DIRECTOR’S CORNER

As we move through another busy PCS season, I want to take a moment to thank our residents for their patience, feedback, and continued partnership. My team and I understand that your home is more than just a place to live; it's where your family should feel comfortable, safe, and supported. That is why we remain focused on improving our services and addressing the concerns that matter most to our community.

Over the past several months, we have carefully reviewed resident feedback, customer surveys, and maintenance trends to identify where we can improve. While we know there is always more work to do, I want you to know that we are committed to making meaningful improvements, increasing accountability, and providing the level of service our military families deserve. Your feedback continues to play an important role in helping us prioritize our efforts.

One of the most common concerns we hear involves HVAC performance during the summer months. We recognize how important, dependable air conditioning is, and we are actively working with our maintenance contractor, Miraval, to ensure HVAC systems are maintained properly and that reported issues are addressed as quickly as possible. If you experience a problem with your heating or cooling system, please submit a maintenance work order as soon as possible. While ICE comments are always reviewed and help us evaluate our services, they do not create a maintenance work order or dispatch a technician. Submitting a work order allows us to respond to your issue promptly while also tracking trends and contractor performance so we can continue improving service across the community.

Our Economy Housing team is also experiencing one of its busiest times of the year as we welcome a large number of families arriving during the summer PCS season. The increased demand for housing counseling, home referrals, inspections, lease processing, and registration services has significantly increased our workload. Despite these demands, our staff remains committed to providing timely, professional service and helping every family transition into their new home as smoothly as possible. We appreciate your patience as we work to serve every customer efficiently.

On behalf of the entire Housing team, thank you for allowing us to serve you. We remain committed to listening, improving, and working every day to provide the quality housing experience you and your family deserve. Together, we will continue building a stronger housing community.

INSIDE THIS EDITION

Housing Tips

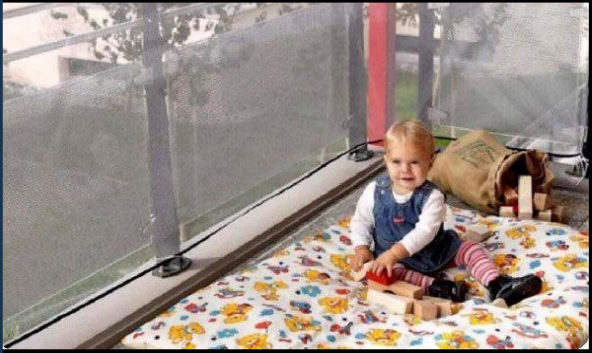

- Director’s Corner
- Reduce Your Move-In Time
- Child Window Safety
Reminder
- Recycling Compliance & the
Gricignano Schedule
- Bulk Trash Service
- Managing the Summer Surge
& Your TLA

Economy Housing Delays: Reduce Your Move-In Time Using Homes.Mil

The Housing Service Center wishes to inform incoming personnel that off-base community housing processes are experiencing longer processing times due to the high volume of arrivals during this peak PCS season. To streamline your transition and minimize your overall time spent in temporary lodging, we highly encourage all service members to explore properties listed on **HOMES.mil** that are already pre-inspected and ready for immediate occupancy. Selecting a pre-approved home helps navigate the seasonal surge more efficiently, reducing the risk of extending your Temporary Lodging Allowance (TLA) stay. Before scheduling independent viewings or finalizing off-base arrangements, log onto HOMES.mil or visit the Community Housing section at Bldg. 2073 to find available options.

Child Window Safety Reminder

As summer temperatures keep us indoors with the air conditioning on, families in Support Site housing are reminded to practice strict window safety, especially those living on upper floors. August means children spend more time playing inside, making open windows a significant hazard. Please ensure that all factory-installed window restrictors and safety locks are fully engaged and never bypassed to let a breeze in. Keep furniture, beds, toy boxes, and chairs away from windows to prevent curious toddlers from climbing up. Remember that standard window screens are designed solely to keep insects out—they cannot support the weight of a child. If you notice a malfunctioning lock or a broken window restrictor, do not wait; report it immediately to the Housing Service Center at DSN 629-4466 to keep your little ones safe.

Recycling Compliance & The Gricignano Schedule

Proper waste separation is a critical community responsibility for all residents living in the Support Site housing units. Because our on-base collection system directly follows the strict local municipal regulations of Gricignano di Aversa, any failure to separate trash correctly puts the entire community at risk. Local processing facilities heavily fine or completely reject garbage truck loads contaminated with mixed, unseparated items, which could lead to severe delays or a total suspension of trash pickup for our residential buildings. Additionally, the use of black plastic bags is strictly prohibited by local ordinance, as code inspectors must be able to verify contents visually. Please ensure all waste is sorted accurately into the designated communal color-coded bins and deposited only on the scheduled evenings to prevent environmental violations and maintain hygiene across our neighborhoods.

Waste Type / Category	Collection Day	Drop-off Instructions & Restrictions
Organic / Bio Waste (Umido)	Monday, Wednesday, Friday	Use clear or compostable bags; no food packaging.
Non-Recyclable (Secco Residuo)	Tuesday	Only for items that cannot be recycled; no black bags.
Plastic & Metal (Multileggero)	Thursday	Empty and rinse plastic bottles, cans, and clean foil.
Paper & Cardboard (Carta)	Friday	Flatten all cardboard boxes; paper must not be soiled.
Glass (Vetro)	Saturday	Bottles and jars only; remove lids and do not mix with ceramics.

BULK TRASH SERVICE

Attention Support Site Residents

Bulk waste is not permitted on or around any dumpsters or trash enclosures—including those at the NEX and DODEA facilities. Residents can schedule a pick-ups for large items like furniture, old mattresses, electronics and other bulky waste.

How do I Schedule?
 You have two options to schedule bulk trash service:

1. Call the Trouble Desk:
 +39-081-811-4285/4286 or DSN 629-4285/4286
2. Submit a QR Code Request

With PCS season in full swing, residents are reminded to utilize the Support Site Bulk Trash Service responsibly.

Large items such as furniture, mattresses, and appliances must be brought directly to the designated Bulk Trash Collection Point located near the recycling area, rather than left by regular dumpster enclosures.

For safety and environmental compliance, hazardous materials like car batteries, paint, and chemicals are strictly prohibited at this site and must be disposed of through the hazardous waste program.

For operating hours or to arrange a special pickup for oversized items, please contact the Housing Service Center at DSN 629-4285/4286 or +39-081-8114285/4286.

Unaccompanied Housing

Managing The Summer Surge & Your TLA

August is the peak of the PCS season at NSA Naples, meaning Unaccompanied Housing (UH) facilities experience maximum occupancy. If permanent barracks space is temporarily unavailable upon your arrival, single Sailors (E-4 and below) will be directed to temporary lodging at the Navy Lodge. To ensure your Temporary Lodging Allowance (TLA) covers these costs without out-of-pocket expenses, you must check in with the Housing Service Center (HSC) in Bldg. 2073 within 24 hours of arrival to activate your allowance. Remember that TLA is approved in strict 10-day increments, requiring close coordination with your UH representative, and unauthorized off-base hotel stays will result in denied claims. While you wait for your permanent room or your hold baggage to arrive, you can utilize the HSC Loaner Item Program to check out free essential linens, kitchen utensils, and small appliances. For any questions regarding your room status or TLA paperwork, visit the HSC or call the Triangle Front Desk at DSN 629-4696.

Final Thoughts...

Your comfort and satisfaction are a top priority for us. If you require any further assistance or have additional concerns, feel free to scan the QR code or contact our dedicated trouble desk:
 DSN: 629-4285/ 4286; COMM: (+39) 081-811-4285/ 4286

NSA Naples:
Interactive Customer Evaluation (ICE) System

Every feedback is welcomed, good or bad, that's the surest way to help the installation improve services and quality of life in the community

By NSA Naples Public Affairs

The Interactive Customer Evaluation (ICE) system is a web-based tool that collects feedback on services provided by various organizations throughout the Department of Defense (DoD) including here at NSA Naples. Feedback can be positive (give a shout-out) or negative (report an issue). A combination of both is what helps us improve our services to better serve you.

Benefits of ICE:

- Allows community members to quickly and easily provide feedback to service provider managers on the installation.
- Gives NSA Naples leadership timely data on service quality.
- Allows service provider managers to benchmark their performance against like services in other DoD organizations.
- Saves money by providing an enterprise-wide capability to manage the resources necessary to collect and report on customer feedback and satisfaction ratings.

Do I get a response after submission?

Generally, if you provided contact information at the time of submitting an ICE Comment, it will be responded to within two weeks.

Response to your ICE Comment

COMMENT:

The center toilet seat in the women's restroom in Bella Napoli has been broken. When will this be repaired so that all stalls may be used?

RESPONSE:

The Public Works Department (PWD) has implemented an online system to expedite the resolution of facility issues. For faster resolution, report future issues using the following link, also available on the Navy Life Naples App under the PWD tab: [PWD Online Service Request System](#)

Best way to submit an ICE comment?

- Visit the [ICE](#) website
- Navigate to the appropriate service provider manager's link
- Input your comments and be specific
- Recommendations are welcomed
- Provide contact info if you require a response

Your ICE Comment Shout-outs!

MVRO

Ever since I arrived in Naples, the MVRO office has set a high standard for customer service. Most recently, Daniela provided exceptional support. She has responded within minutes every time I have emailed or called with a question or request. Her willingness to proactively help me problem-solve my situation was incredibly helpful and greatly appreciated. The MVRO process can be complicated, but Daniela made it straightforward to navigate. Her service is representative of the professionalism I have experienced from everyone in the MVRO office who has assisted me since arriving here.

NAVY LODGE

I would like to recognize Grace at the Navy Lodge for her exceptional customer service and professionalism. She is without a doubt the friendliest employee on the entire installation. What impressed us most was that she remembered us from our stay over a year ago and still greets us as "Mr. and Mrs. Gibson" every time she sees us walking through the Navy Lodge. That personal touch truly helped us feel at home when we moved to Italy. We recently returned to the Navy Lodge and were genuinely happy to see that Grace still works here. She has once again gone above and beyond to promptly assist us with every question, request, and issue we've had during our stay. Her professionalism, attention to detail, and willingness to help sets the standard for outstanding customer service.

FFSC

Sandra was exceptional and went above and beyond what I could have expected or asked for. The rest of the staff is great too and have made the transition easier!

OMBUDSMAN PROGRAM

I would like to thank the Sixth Fleet Ombudsman Team for stepping in to support a family member during a stressful and uncertain time. Even though the situation involved a command outside their normal scope, they immediately offered assistance, ensured communication lines were opened, and helped everyone involved feel supported. They took the time to sit down with the family member, listen to their concerns, and make sure their voice was heard. They reached out to the appropriate command, gathered contact information, and helped bridge communication gaps that had been adding to the family's stress. Their willingness to close the loop with all parties - and to offer continued support beyond the initial interaction - made a meaningful difference.

DoD Pet Transportation Allowance – PCS Moves

Emergency Preparedness Awareness

Emergency preparedness helps you prepare your household for any situation.
Have a Plan, Build a Kit, and Stay Informed.

Always stay ready in the case of an emergency by checking out the resources on our Emergency Management website at: [Emergency Management Webpage](#)

These resources exist to help your households construct an emergency kit and plan and learn how to respond and react to earthquakes (Drop, Cover, and Hold).

Additionally, you can stay informed about local earthquakes through the Italian Istituto Nazionale di Geofisica e Vulcanologia (Italian National Institute of Geophysics & Volcanology) link here: [Italian National Institute of Geophysics and Volcanology Website](#)

For more resources on staying informed as a household, see Federal Emergency Management Agency (FEMA) link here: [FEMA Website](#)

Remember that emergency preparedness helps you prepare your household for any situation. Have a Plan, Build a Kit, and Stay Informed.

Community Events and Activities

AUGUST activities

Events are held at the Fleet Recreation Center unless specified.

Float into August

Monday, Aug. 3
Begins at 11 a.m.

Enjoy a delicious ice cream float. While supplies last.

Watermelon Social and Carving

Thursday, Aug. 13
Begins at Noon

Quench your thirst with refreshing watermelon or show off your carving ideas. While supplies last.

Play Dough® Mania

Wednesday, Aug. 5
Begins at 10:30 a.m.

Make your own dough with recipes provided and collect fun ideas. Create a sculpture and enter our contest. Creations will be on exhibit until Aug. 6. Winner will be decided by patrons.

Best of the Best

Thursday, Aug. 6

Cool off and hone your cognitive skills at the same time. Complete as many crossword puzzles and word searches as possible (levels for all ages.) Be named Best of the Best.

Summer Reading Program Prize Pickup

Monday, Aug. 9
Begins at 10:30 a.m.

If you earned reading credits through the Summer Reading Program, please pick up your prizes at the Fleet Recreation Center or the MWR Libraries at NSA Naples.

Make a Sculpture

Monday, Aug. 10
Begins at 10:30 a.m.

Be creative with Crayola® Model Magic, a crumble-free and easy-to-use modeling compound. Make a fun shape that will air dry. While supplies last.

Color Pop

Wednesday, Aug. 12
10:30 a.m.–Noon

Lots of fun coloring with ice pops. Supported by USO.

Sports Party

Friday, Aug. 14 and 28
Begins at 4 p.m.

Join the party with Nintendo Switch and chips. Other snacks available for purchase.

Summer Rocks

Thursday, Aug. 20
Begins at 11 a.m.

Cool down during the heat of the day with a refreshingly cool lemonade, while we rock to fun music and Karaoke.

Corn Hole and Grill Your Own Meat

Friday, Aug. 21
Begins at 11 a.m.

Enjoy corn hole on the Fleet Recreation Center patio. MWR provides the grill and thirst-quenching beverages, while supplies last. Ice cream and snacks are available for purchase.

Origami Paper

Tuesday, Aug. 25
Begins at 11 a.m.

Origami is the art of folding paper to create intricate shapes. MWR provides paper and models.

Summer in Gaeta

Visit or call the MWR Customer Service Desk for fun summer ideas such as sightseeing tours, boat excursions around the Bay of Gaeta, spa services and exercise classes.

Pavilion rental

Olde Mill Inn Park pavilions are available for your next party or event. To rent a pavilion or for more information, call 081-568-8357 | DSN 626-8357.

For more information, please call the MWR Service Desk at 081-568-8357 / DSN 626-8357 or email MWR_Gaeta@us.navy.mil.

NSA Naples School Advisory Committees

What is

School Advisory Committee

SAC

The School Advisory Committee (SAC) is a dedicated group of parents, teachers and students (for high school SAC) who work together to enhance the school experience.

- Advises the school principal on school-related, non-personnel matters.
- Provides input on policies, student activities and educational programs.
- Ensures open communication among administrators, military leaders and families.

Installation Advisory Committee

IAC

The Installation Advisory Committee (IAC) brings together representatives from all SACs within NSA Naples to address education-related concerns that impact the installation.

- Advises the military services and DoDEA district superintendents regarding issues concerning students' education within the Naples installation.
- It addresses issues affecting, or that may affect, the educational environment.
- It fosters communication, facilitates problem solving and recommends action to appropriate officials.

Key differences:

SAC School-level focus, led by the principal to resolve school-specific concerns.

IAC Installation-wide focus, chaired by the Naples Elementary School/Naples Middle High School President to bring school-wide concerns that could not be solved/addressed at the SAC to the larger command group to problem solve.

Why Get Involved?

Your voice matters! These committees ensure parents, students and educators have a say in shaping education within NSA Naples.

School Year 2026-2027 Meeting Dates:*

NES SAC	Oct. 7 and Dec. 9, 2026; Feb. 10 and May 12, 2027 at 4 p.m., NES Media Center
NMHS SAC	Sept. 24 and Nov. 12, 2026; Feb. 11 and April 22, 2027 at 4 p.m., NMHS Library
IAC	Oct. 28 and Dec. 16, 2026; Feb. 24 and May 26, 2027 at 4 p.m., NMHS Library

Attend the meetings virtually through Microsoft Teams. Scan here for access information for each meeting.

*Additional dates may be added to reflect community needs.

For more information or to get involved, please contact the NSA Naples School Liaison:

 NaplesSLP@us.navy.mil

 081-811-6549 | DSN-629-6549

Security

SAFETY
AWARENESS
REMINDERS

Stay Vigilant

NSA Naples personnel and families are reminded to stay alert and aware of your surroundings at all times — both locally and while traveling.

While there are no specific, credible threats at this time, vigilance remains crucial for your safety and security.

We strongly encourage everyone to enroll in the Smart Traveler Enrollment Program (STEP).

 In the event of an emergency, NSA Naples Emergency Dispatch is available 24/7:
DSN 911 +39-081-568 4911

Important Notice: Off-Base Traffic
Accident Reporting Procedures

Attention NSA Naples personnel and families: if you're involved in an off-base traffic accident and local police did not respond, you are strongly encouraged to complete a Voluntary Statement at the Capodichino or Support Site security precincts as soon as possible.

This may be needed for insurance claims, as Italian authorities cannot issue retroactive reports. Timely documentation is essential.

NSA Naples Security Precincts are open 24/7.
**FOR EMERGENCIES, CALL EMERGENCY
DISPATCH AT:**

DSN: Dial 9-1-1

Public Works

LOVE YOUR
SPACE THE
MOST

Building Manager (BM) best practices:

- Know who they are.
- Meet with them regularly.
- Set expectations (attend training & zone inspections; track incomplete work).

Have a plan!

Know the PWD Naples Call for Work timeline for each fiscal year.

Service Requests:

We can't fix what we don't know about! Submit, track, follow-up if incomplete!

Four ways to submit:

1. Through the Base App
2. Call the PWD Trouble Desk (DSN: 626-4981 / COMM: +39 081-568-4981)
3. PWDNaplesTroubleDesk@us.navy.mil
4. Scan the QR code

Pride Zone

Sign up for a zone and schedule quarterly events

- Take automatic ownership of common spaces and 10m from your front door. These spaces are a reflection of you.
- PWD will provide self-help capability by getting basic tools to improve your spaces.
- Contact NSA Naples Command Master Chief for more information on how to sign up for a space.

Elevate and communicate

If it doesn't get fixed, utilize the chain of command

- Level 1: BM ↔ PWD FOS/PAR.
- Level 2: BM/ Staff ↔ APWO.
- Level 3: Triad ↔ PWO.
- Level 4: Triad ↔ ICO

PWD Trouble Desk
Always call for emergencies.
After-hours is Emergencies Only.

DSN:626-4981
COMM: +39 081-568-4981

Your spaces are a direct reflection of YOU & Ownership makes a Difference!

LEGAL CORNER

Don't Let Your Sojourner's Permit Expire! Check the Expiration Date!

It is essential to know when your Sojourner permits expire. The expiration date is written in the European format of DAY--MONTH--YEAR. If your Sojourner Permit is set to expire within the next 60 days AND your orders, contract or sponsor's orders extend beyond that expiration date, you must begin the permit renewal process. Failure to renew on time could result in complications with Italian immigration police and impact your or your family members' status in Italy! For assistance or more information on how to begin the renewal process, please contact RLSO EURAFCENT Legal Assistance Office.

Are you transferring or PCSing from Naples, Italy? Don't Forget to Turn in Your Sojourner's Permit Before You Leave!

If you are scheduled to PCS from Naples, Italy, you must turn in your and/or your family members' Sojourner's Permits before you depart. You may turn them in anytime before your departure date at the RLSO EURAFCENT Legal Assistance front desk during our regular operating hours. The sponsor or a family member may turn in the permit. For active duty military with dependents, we will not sign your checkout sheet if you do not turn in your dependents' permits.

INFORMATION ON THE ELECTRONIC SOJOURNER'S PERMIT PROCESS

ATTENTION: All current Sojourner's permit holders and first-time applicants to include GS Civilians, DoW Contractors, U.S. NAF employees, and all dependents. **Active-duty do not require a Sojourner's Permit**, but please review this information carefully, as it may affect your dependents.

CURRENT PROCESS:

- For first-time applicants, renewals, and current holders that reside in the Napoli Province, Sojourner Permit processing is being conducted on base at NSA Naples Capodichino, Chapel Fellowship Hall, **BY APPOINTMENT ONLY**.

- For first-time applicants, renewals, current permit holders who reside in the Caserta Province (including NSA Naples Support Site), Sojourner Permit processing is being conducted at the Caserta Immigration Office, **BY APPOINTMENT ONLY**. There is no on-base processing capability at this time.

- All initial appointments are facilitated by RLSO EURAFCENT Legal Assistance Office for USN/USMC assigned personnel residing in the Naples and Caserta provinces. USAF/USA and JFC assigned personnel must apply at JFC.

What Do You Need to Do?

1. If you have recently submitted your paperwork for a first-time application or a renewal application, you do not need to take further action now. We will notify you via email on the next steps.

2. If you already have a current paper Sojourner's Permit, you do not need to take further action, but note your permit's expiration date. Paper Sojourner's permits are still a valid residency immigration document within Italy.

3. If you have a Sojourner's Permit that expires in the next 60 days, contact RLSO EURAFCENT at napleslegalassistance@us.navy.mil to start the renewal permit process (if you are assigned to USN/USMC command and you reside in either Caserta or Napoli provinces). You will receive a checklist of required documents for your renewal package. You may drop off the documents at our office during regular operating hours; you do not need an appointment with our office to drop off your completed package.

4. **KEEP YOUR SOJOURNER PERMIT APPLICATION RECEIPT!!** Upon submitting an electronic Sojourner's Permit application (first-time application or renewal) to the Italian Immigration Police, you will be issued an official receipt (a small piece of paper). This receipt contains your PROTOCOL NUMBER (application number) which is **ESSENTIAL** to check the status of your Sojourner's Permit online. The protocol number always begins with the reference year and the abbreviation of the city where the application was filed:

- For Naples: begins with 26NA + six digits

- For Caserta: begins with 26CE + six digits

The official receipt, along with your passport and your expiring/expired Sojourner's Permit (if applicable), is **REQUIRED** to pick up your new Sojourner's Permit. If you do not bring the original receipt, you will **NOT** be allowed to collect your Sojourner's Permit. If the receipt is lost or stolen, you must first file a formal loss report with the Italian Police or the Carabinieri, which can be used in lieu of the original receipt to pick up your permit. Without the official receipt or a proper Italian police report, you **CANNOT PICK UP** your electronic Sojourner's Permit.

For questions, contact RLSO EURAFCENT Legal Assistance

OCONUS Emergency Travel Assistance Grant

Grant Program for Military Members

Aligning with the American Red Cross mission of helping military members prepare for, cope with, and respond to the challenges of military service, Service to the Armed Forces (SAF) is implementing the OCONUS Emergency Travel Assistance Grant.

This program will provide financial assistance to military members, including National Guard and Reserve, actively serving Foreign Outside the Continental United States (F-OCONUS) who are currently on or about to begin emergency leave.

All categories of emergency leave are eligible for this grant. Service members must provide a copy of their emergency leave orders. Eligible service members will be awarded a \$500 grant.

The OCONUS Emergency Travel Assistance Grant will be available for a limited time based on the availability of funds.

To apply, please contact the Hero Care Center at 1-877-272-7337.

 American Red Cross

Service to the Armed Forces

This limited-time program provides \$500 grants to active-duty military members (including activated National Guard/Reserve members) who are:

• Stationed Foreign OCONUS (F-OCONUS)

• Currently on or about to begin emergency leave or ordinary leave under emergency conditions. (Service member must be able to provide a copy of their emergency leave orders.)

We're sorry you're going through a difficult time and we're here for you. Call the American Red Cross Hero Care Center at (+1) 877-272-7337 to speak to a specialist who'll help you apply.

For additional information, please contact us at naples@redcross.org or stop by your local Red Cross office in Building 450 on Capodichino.

CAPODICHINO HOV/Ride-Share Program

Help reduce traffic and parking issues at Capodichino by joining the new HOV/Ride-Share Program!

Who Can Apply?

- A carpool group with at least two other people (three people minimum) who regularly commute to and from work at Capodichino.

How to Apply:

1. Fill out the registration form ([Enclosure 6](#)) found in the NSA Naples Parking Policy or scan the QR code below.
2. Email the completed form to the NSA Naples Pass and ID Office: nsanaplesseccpassid@us.navy.mil

How Selection Works:

1. The NSA Naples Pass and ID Office, in coordination with the NSA Naples XO, will review all applications.
2. If selected, you will receive carpool parking privileges for SIX months.
3. After six months, your privileges will end.
4. You can re-apply six months later allowing others a chance to participate.

SPACE IS LIMITED

Only 12 parking spots are available, program rules will be strictly enforced. Only park in the space when ride-sharing.

NSA Naples Commissary

EXPRESS LINE

FRESH, NEVER FROZEN
Beef

FOR OUR EUROPE AND MIDDLE EAST COMMISSARY SHOPPERS

PROUDLY PREPARED AND PACKAGED BY COMMISSARY STAFF IN OUR VERY OWN EUROPE-BASED MEAT PROCESSING PLANT

Where does the Commissary get its meat products?

Shoppers are amazed to learn that the USDA-approved Natural and Choice beef we sell in the commissaries in Europe and the Middle East are shipped here from the U.S. Even more surprising, is that the retail cuts of beef are fresh, never frozen. This is accomplished through the use of vacuum packaging.

What are the advantages of vacuum packaging?

- ▶ Because oxygen is removed, the shelf life of vacuum-packaged red meat increases from a matter of days to at least two weeks.
- ▶ Vacuum packaging allows natural enzymes to act as a natural tenderizer and enhances quality/palatability of beef.
- ▶ Without the vacuum technology, most locations would have only frozen meat products.

VACUUM SEALED FOR FRESHNESS!

Beef gets its red color from exposure to oxygen. In our vacuum packing process, we remove over 99% of the oxygen from the package. The lack of oxygen turns the meat a darker color but the meat will return back to the usual red-color once the package is opened and is, once again, exposed to oxygen.

The vacuum package does not allow for any air in or out. This can cause naturally occurring lactic acid to build up inside the package. Shortly after opening the package, the initial off-odor will dissipate.

This process does not affect the quality of the meat or taste and acts as a natural meat tenderizer.

Store Director’s Scoop:

Store Director | Dennis.D.Holm.civ@mail.mil | +39-081-811-4871

Here at the Commissary, we are working on being the grocery provider of choice for our eligible patrons. You will see daily savings throughout the store to reach our goal of saving you the patron on average 25% from your shopping experience. We understand how important this benefit is to you overseas. Getting the items, you know, is import to us. Our procurement team is working non-stop to get us all the products we can to keep our shelves full for you. When the supply chain issues come around, they find alternatives to help us get what we need.

Find our store Web page:
Did you know our store has its own pages on the commissary website? [Click here](#) for the “NSA Naples Commissary” webpage.

Subscribe to Express Line: If you would like to subscribe to Express Line, send an email to: dennis.d.holm.civ@mail.mil Include “Subscribe me to Express Line” in the subject line.

Store Associate

CENTRAL MEAT PROCESSING PLANT

SERVING COMMISSARY CUSTOMERS IN *10 Countries* SINCE 1998

The Central Meat Processing Plant’s state-of-the-art facility features highly efficient meat processing and vacuum machines, metal detectors and X-ray machines, a flash freezer, and high-tech cleaning systems. USDA Beef is cut, ground, packaged, vacuum sealed, and shipped from Kaiserslautern Cold Storage to our overseas locations. Fresh pork is sourced locally from German locations and processed under the same strict guidelines. Commissaries receive shipments an average of every two to three days, depending on the size and sales volume of the location.

Special Orders

FOR YOUR SINGLE-SERVING OR PARTY-PLANNING MENUS

Just as you can go to a stateside commissary and place a special order for pork or beef, you can do the same here in Europe. You can simply request a special order from the commissary at the meat department or front-end department by filling out a special-order form if you are looking for a large quantity or a special cut.

Special order lead times vary depending on the request but a majority can be filled within days. Large quantity requests may take up to eight weeks. Whole pigs require a 10-day lead time. Check with your commissary for details.
