U.S. ARMY

RM RISK MANAGEMENT

OFFICIAL SAFETY MAGAZINE OF THE U.S. ARMY

THIS WEEK 5-9 OCT 2026

HMMWV ROLLOVER

Familiarity on dangerous terrain can erode discipline and cause catastrophic failures. During training, a speeding HMMWV overturned on a steep path, injuring two Soldiers and destroying the vehicle. An investigation revealed that complacency had turned vital safety briefings into mere formalities. Learn how this unit enforced crew endurance and revitalized its safety protocols to prevent future training mishaps.

HEARING PROTECTION

One gunshot unleashes destructive energy equal to nearly 40 hours of hazardous noise. Leaders must enforce ear protection and actively educate Soldiers to stop preventable hearing loss. Discover how you can safeguard your team.

ANIMAL COLLISIONS

A frustrated, speeding Soldier collided with a deer during a heavy rainstorm. The impact shattered his windshield, but proper safety equipment and calm decision-making prevented disaster. Read how to stay protected from animal collisions.

PRODUCTS & TOOLS

ARAP — ARMY READINESS ASSESSMENT PROGRAM

Learn the safety culture and climate within your organization.

ASMIS 2.0 — Army Safety Management Information System

A family of information technology systems that underpins the Army Safety and Occupational Health Management System.

A great resource for motorcycle information and learning to be a safe rider.

JRAT — JOINT RISK ASSESSMENT TOOL 2.0

An interactive, easy-to-use, automated system designed to assist users with the application of risk management.

Make your Soldiers aware of the off-duty hazards they'll face with the Off-Duty Safety Awareness Presentation.

RANGE & WEAPONS SAFETY TOOLBOX

A collection of resources to aid commanders and leaders in the management of range operations and safe weapons handling.

DID YOU KNOW?

Do you want to start receiving U.S. Army Combat Readiness Center safety products — such as the weekly **RISK MANAGEMENT** newsletter and Preliminary Loss Reports — via email? If so, just click the **subscribe to safety products** box at the bottom of this newsletter and select which products you'd like to receive.

WHAT'S NEW

AUTUMN/WINTER SAFETY

From October through March, the U.S. Army Combat Readiness Center places a special emphasis on autumn and winter safety. This vital campaign prepares Soldiers, civilians and family members for off-duty hazards and extended holiday leaves. Discover our seasonal feature articles, posters and other resources to help lessen these risks.
