403RD AFSB AND KAAY FORGE FUTURE ROK OFFICERS TOGETHER

CAMP HENRY, South Korea – The 403rd Army Field Support Brigade and the Korea Army Academy at Yeongcheon successfully concluded series of engagements here, Oct. 7. The program brought together KAAY cadets and 403rd AFSB Soldiers and Department of the Army civilians for professional mentorship, English-language practice and cultural exchange. The engagements were designed to build the cadets' confidence in communicating in English and help prepare them for their future responsibilities as Republic of Korea Army officers. www.army.mil/article/296119

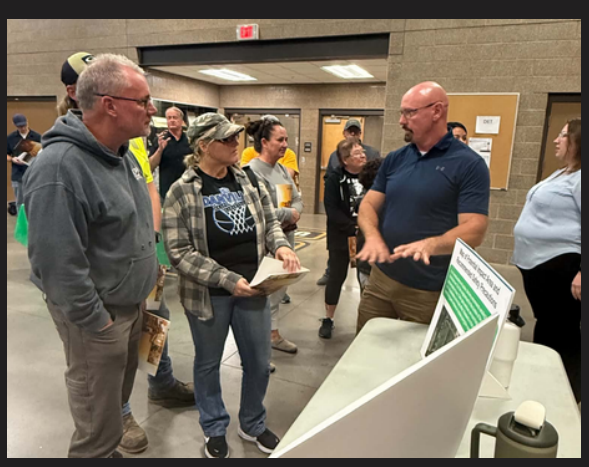

MCAAP PARTNERS WITH STATE AND FEDERAL AGENCIES TO DEFEAT SIMULATED DRONE THREATS IN RECENT EXERCISE

MCALESTER ARMY AMMUNTION PLANT, Okla. – The McAlester Army Ammunition Plant recently executed a rigorous multi-agency antiterrorism exercise utilizing drones, deliberately designed to prepare installation security and regional emergency forces to counter complex, real-world airborne threats.
