U.S. ARMY

RM RISK MANAGEMENT

OFFICIAL SAFETY MAGAZINE OF THE U.S. ARMY

THIS WEEK 16-20 NOV 2026

DANGEROUS SHORTCUTS

Fatigue can turn minor shortcuts into fatal mistakes. During a rotation at the National Training Center, an exhausted Soldier skipped a basic gear check, causing his night vision goggles to fail in complete darkness. With his tactical commander guiding him through hazardous terrain, the Soldier narrowly avoided a catastrophic vehicle rollover. Read how neglecting a single battery check nearly cost lives and why every Soldier must maintain safety discipline through the end of the redeployment phase.

ATV SAFETY TIPS

An ATV collision on a dark trail nearly brought a deer hunting trip to a deadly end. Discover how personal protective equipment saved one hunter from severe injury and learn critical ATV safety lessons to keep your next outdoor adventure mishap-free.

AIRCRAFT ICING DANGERS

A routine instrument training flight inside thick clouds turned into a nightmare for an inexperienced pilot when ice shed directly into an engine inlet. Find out how he navigated this emergency and the lessons he learned to survive winter weather hazards.

PRODUCTS & TOOLS

ARAP — ARMY READINESS ASSESSMENT PROGRAM

Learn the safety culture and climate within your organization.

ASMIS 2.0 — Army Safety Management Information System

A family of information technology systems that underpins the Army Safety and Occupational Health Management System.

A great resource for motorcycle information and learning to be a safe rider.

JRAT — JOINT RISK ASSESSMENT TOOL 2.0

An interactive, easy-to-use, automated system designed to assist users with the application of risk management.

Make your Soldiers aware of the off-duty hazards they'll face with the Off-Duty Safety Awareness Presentation.

RANGE & WEAPONS SAFETY TOOLBOX

A collection of resources to aid commanders and leaders in the management of range operations and safe weapons handling.

DID YOU KNOW?

Do you want to start receiving U.S. Army Combat Readiness Center safety products — such as the weekly **RISK MANAGEMENT** newsletter and Preliminary Loss Reports — via email? If so, just click the **subscribe to safety products** box at the bottom of this newsletter and select which products you'd like to receive.

WHAT'S NEW

THANKSGIVING TRAVEL

Millions of Americans travel over the Thanksgiving holiday weekend, making it one of the busiest times of the year on the road. Whether driving across town or across the country, the National Highway Traffic Safety Administration website is providing tips and talking points to help ensure Soldiers and civilians make it to their destinations safely.
